VOL. III.]

WELLINGTON, TUESDAY, JULY 23, 1850.

[No. 13.]

*Colonial Secretary's Office,
Wellington, 15th July, 1850.*

WITH reference to a notice in the *Government Gazette* of the 8th Inst. intimating that the Legislative Council of the Province of New Munster would meet on the 1st day of August next, for the despatch of business; His Excellency the Lieutenant-Governor directs it to be notified that the said Meeting is hereby postponed until October, in pursuance of the instructions received in the following Despatch from His Excellency the Governor-in-Chief on the subject.

By His Excellency's command,
ALFRED DOMETT,
Colonial Secretary.

Government House,
Auckland, 13th June, 1850.

SIR,—I have the honour to acknowledge the receipt of your despatch No. 30, of the 30th May last, acquainting me that you proposed, soon after the Government Brig returned from Auckland, to call the Local Legislature together to pass certain enactments to which you allude, but which appear to be of no very pressing importance.

As I have every reason to hope that

by the month of October at the latest, I shall receive definite instructions from Her Majesty's Government regarding the future form of Government to be introduced into this Colony, regarding the appropriation of the Civil List, and other Financial subjects, I think it desirable, unless some matters of urgent importance arise for its consideration, that the assembling of the Legislative Council should be delayed until that period.

I have the honour to be, Sir,
Your Excellency's most
obedient humble servant,

(Signed) G. GREY.

His Excellency the Lt. Governor of
New Munster.

HIS EXCELLENCY the Lieutenant-Governor directs the publication of the following communication from Mr. Mantell, for general information.

By his Excellency's Command,

ALFRED DOMETT,
Colonial Secretary.

Wellington, June 28, 1850.

DEAR SIR, - In my report on the coast between Akaroa and Otago, I described certain Septaria at One Kakara, which I stated to be available for the manufacture of Roman Cement.

I have just received from my father a note on the subject by Sir Henry De la Bêche.

Thinking that this proof of our possessing so useful a material may interest you, I enclose a copy of Sir Henry's note, begging you, if you deem it of sufficient importance, to communicate it to His Excellency the Lieutenant-Governor, and to the Principal Agent of the New Zealand Company, in whose territory I made the discovery.

I am, Dear Sir,
Your's faithfully,

(Signed) WALTER MANTELL.

The Hon. A. Domett, Colonial Secretary.

(Copy of Sir H. De la Bêche's note on a specimen of the One Kakara Septaria.)

MR. DEAR DR. MANTELL,—

Herewith I send the analysis of your cement stone, for such it certainly looks to be. I need not tell you that cement-making requires careful cooking of the raw material.

Very faithfully

(Signed) H DE LA BÊCHE.
