PUBLIC ACCOUNTS.

Colonial Secretary's Office,
Auckland, 19th July, 1841.

HIS Excellency the GOVERNOR has been pleased to direct that the attention of the Heads of the various Departments of the Government of this Colony, and of the Public in general, be drawn to the following Regulations on the subject of Accounts, to which a strict adherence will, it is hoped, avoid the inconvenience and disappointment arising from a delay in the settlement of Claims of this nature.

The Abstracts of Salaries of the Officers holding situations under the Government, are directed to be sent up to this Office, on the 2nd day of the month succeeding the quarter for which they are due, they will then be immediately audited; and, if found correct, transmitted to the Office of the Colonial Treasurer, for payment on the 8th.

The Abstracts for Mechanics or Labourers employed in the Departments on monthly or daily wages, must be transmitted to this Office by the Head of the Department for whose service they are engaged, on the 6th day of each month succeeding that for which the wages are due; if these documents upon examination prove correct in every respect, they will be sent on to the Colonial Treasurer for payment on the 12th.

Parties furnishing Supplies to the various Departments for the Public Service, Contractors, and others, are required to send in their Bills of Particulars to the Head of each Department, by the 2nd day of the month succeeding that on which the Supplies were furnished. These documents, certified by the Officer who received

the Supplies, are to be transmitted by the Head of the Department, enclosed in the usual Abstracts, to this Office on the 8th; when, if found correct, and supported by the proper authorities and vouchers, they will be passed to the Colonial Treasurer for payment on the 14th.

The Heads of Departments are particularly enjoined to use their utmost exertions to give effect to these arrangements, as well in pointing out to persons having Claims on Government, the nature of the Accounts to be given in, as in expediting their transmission to this Office when furnished.

By His Excellency's Command,
WILLOUGHBY SHORTLAND.
