Given under my Hand, and issued under the Public Seal of the Colony, at Government House, Auckland, this third day of October, in the year of our Lord One thousand eight hundred and forty-three.

WILLOUGHBY SHORTLAND,

THE OFFICER ADMINISTERING THE GOVERNMENT.

By His Excellency's Command,
(For the Colonial Secretary),

WILLIAM DONNELL.

GOD SAVE THE QUEEN!

EXCHANGE OF LAND.

*Colonial Secretary's Office,
Auckland, 26th September, 1843.*

IN order to carry into effect the notice promulgated in the *Government Gazette* of the 13th instant, relative to the Exchange of Land in the more remote Districts of this Colony, by claimants who may have established their Titles to the same before the Commissioners, for grants in the unoccupied portions of the District in which the Town of Auckland is situated, His Excellency the Officer Administering the Government has been pleased to direct the publication of the following Terms and Conditions under which Claimants will be permitted to obtain that indulgence.

Claimants whose revised awards have appeared in the Supplement to the *Government Gazette* of the 6th instant, will be divided into three classes, as follows:—

1st. Those entitled to less than 50 acres.

2nd. Those whose awards amount to 50 acres, and do not exceed 320 acres.

3rd. Those entitled to upwards of 320 acres.

Claimants of the 1st class will be allowed to make selections on the River Tamaki, from a block of land set apart for that purpose, at the rate of acre for acre, to the extent of the revised award.

Claimants of the 3rd class will be allowed in a similar manner to select lands in the District of Papakura and on the Waitoro.

Claimants of the 2nd class will be allowed credit for so many Pounds sterling as shall be equal to the number of acres to which they may be entitled, on any purchase they may effect at the Government Land Sale to take place on the 18th and 19th days of December next.

To afford Claimants of this last mentioned class an early opportunity of availing themselves of this arrangement, Country Lands in the vicinity of Auckland, on the River Tamaki, will, on the 18th & 19th of December next, be offered at Public Auction, at an upset price of one pound per acre. Particulars will appear in the next *Government Gazette*.

Claimants whose lands are situated within the County of Eden will not be entitled to the above-mentioned privileges.

Provided in all cases, That the Land to be exchanged shall contain the whole claim, or series of claims in cases where they are contiguous, and form a solid block.

That the Land to be exchanged be equal in amount to the quantity awarded; and of a fair average value—such not being the case, a proportionate deduction will be made.

Applications from Claimants of the 1st and 3d classes will be received at the Office of the Colonial Secretary, when, on the report of the Surveyor General as to the average value of the

Land, they will be placed in immediate possession of their grants.

Applications from Claimants of the 2nd class who may propose to avail themselves of these conditions, are to be forwarded to the Office of the Colonial Secretary on or before the 9th December next.

Plans of the Lands open for selection by Claimants of the 1st and 3d classes, may be seen at the Office of the Surveyor General.

By His Excellency's Command,
(For the Colonial Secretary),
WILLIAM CONNELL.

*Colonial Secretary's Office,
Auckland, 2d October, 1843.*

FOR the information and guidance of persons who may have occasion to address Her Majesty's Principal Secretary of State for the Colonies, His Excellency the Officer Administering the Government has been pleased to direct the publication of the following Extracts from the Book of Regulations for the guidance of Governors of British Colonies, issued from the Colonial Office.

Persons forwarding communications, in accordance with these regulations, for transmission to the Secretary of State by this Government, are requested to furnish such papers in duplicate.

By His Excellency's Command,
(For the Colonial Secretary),
WILLIAM CONNELL.

CORRESPONDENCE OF INDIVIDUALS.

1. "If a member of the Colonial Government, or a private individual residing in a Colony, has occasion to address any representation to the Secretary of State, he must at all times make the Officer administering the Colonial Government the medium of his communication. Whenever this course is not strictly adhered to, the representation, of whatever nature it may be, must in every case be sent back to the Governor for his report."

2. "This regulation is by no means intended to preclude the free resort of all Her Majesty's subjects to the highest authority in the state for the redress of any grievances under which they may deem themselves to labour—provided they pursue the course of communication which justice and fairness to all parties concerned, as well as convenience and regularity in the dispatch of public business, render it necessary to prescribe."

3. "The Governors of Her Majesty's Colonies are the authorities to which Her Majesty's subjects residing in those Colonies should, in the first instance, address themselves."

COUNTY COURT.

4. "The Governors will receive with attention all representations properly and respectfully addressed to them, and will either take such decisions on them as may appear to them most just, or will refer them to the Secretary of State.

5. "Should the Governor's decision not prove satisfactory to the parties concerned, he will receive any remonstrances which shall be respectfully addressed to him and (if requested to do so,) he will transmit them to the Secretary of State, with his opinion and report.

6. "The practice which has in some instances been adopted, of addressing Memorials direct to this Office, and only sending copies of them to the Governor, on the eve of the departure of the vessel which is to convey them, will not be recognised as a proper course of communication, and must therefore not be repeated."

NOTICE is hereby given that a Sitting of the County Court, for the dispatch of Criminal business, will be holden at the Court House, at Auckland, on Tuesday, the 17th day of October, next, at 10 o'clock in the forenoon, at which time and place all persons under recognizances to appear either as Prosecutors, Defendants, or Witnesses, are required to give their attendance.

The Court will be open for the dispatch of Civil business on the following day.

WILLIAM DONNELLY,
Clerk of County Court.
