1. TOWN LAND—being the sites heretofore reserved, or which shall be hereafter reserved for towns and villages.
2. RURAL LAND—being Waste Lands of the Crown, and not lands reserved for towns or villages or other public purposes.

4. It shall be lawful for the Waste Land Board (hereinafter constituted) with consent of the Superintendent and his Executive Council at any time, and from time to time, to declare by notice in the "Provincial Government Gazette" that any land which may belong to either of the said classes shall thenceforth cease to belong to such class.

II.

Town Land.

5. All town land shall be sold by auction according to the Regulations hereinafter prescribed for auction. The upset price of allotments of such land shall be fixed by the Waste Land Board, subject to the approval of the Superintendent and his Executive Council.

III.

Rural Land.

6. All rural land shall be sold at a uniform price of 10s. per acre, subject to the conditions hereinafter contained.

7. ~~Every applicant for the purchase of rural land shall, except as hereinafter provided by clause No. 15 on payment of 10s. per acre for the land specified in his application, or for such part thereof as shall be granted to him by the Waste Land Board, receive from the said Board a certificate entitling him to take possession of the land therein specified under an obligation as a condition of purchase to lay out upon the said land within four years from the date of such certificate, in money or labour, for all improvements including buildings and fences, a sum equal to 40s. per acre.~~

8. Every holder of a certificate as aforesaid shall be entitled to demand and receive a Crown Grant in fee of the land specified in such certificate, so soon as he shall have proved to the satisfaction of the Waste Land Board that he has fulfilled the conditions of purchase hereinbefore provided by clause 7.

9. No holder of a certificate as aforesaid shall be entitled to assign the land specified therein until he shall have obtained the consent of the Waste Land Board, and on such consent being given the person to whom such land shall be assigned shall, on payment of a fee of 20s., be registered by the said Board as the proper occupier of such land, and shall be entitled to a Crown Grant as aforesaid, so soon as all the conditions and obligations incumbent on the original grantee shall have been fulfilled.

10. Every application for the purchase of rural land shall be made to the Waste Land Board, in a form to be by it prescribed, and its decision on such application shall be given on such day as it shall appoint, at which time the

applicant shall deposit 10s. per acre for the land applied for him.

11. In the event of two or more persons having made application for the same land on the same day, such land, if the Board shall decide that it should be sold, shall be put up for sale by auction at an upset price of 10s. per acre, the said applicants alone being allowed to bid for the same.

12. No application for a less quantity than 10 acres of rural land shall, except as hereinafter provided by clause 19, be granted by the Waste Land Board, and the land specified in every application shall, so far as the features of the country and the survey of the Province will admit, be of a rectangular form, and, when fronting a river, lake, road, or coast, be of a depth not less than twice the length of the frontage; Provided always, that under special circumstances, the Waste Land Board may deviate from such rule, and may also permit proprietors to complete their properties by the purchase of adjoining lands of irregular shape and of small extent, provided such purchase shall not unduly interfere with the advantageous division of the adjoining land into convenient allotments.

13. The Waste Land Board at the time of any application for unsurveyed land being granted, or as soon as conveniently may be thereafter, shall inform the applicant that the land applied for by him will be surveyed at the expense of the Government; or, that the applicant must have the land surveyed at his own expense by a surveyor to be authorised by the said Board, and every survey made by such surveyor shall be approved by the said Board before the applicant shall receive a certificate entitling him to take possession of the land specified in his application.

14. In every case when an applicant shall have had land surveyed at his own expense as aforesaid, he shall be entitled to receive an allowance at the rate of ten acres for every 100 acres so surveyed, as compensation for the cost of survey.

15. Every survey to be performed at the expense of an applicant shall be completed and delivered at the Waste Land Office within six months after the day on which his application was granted; and in default thereof it shall be lawful for the Waste Land Board either to have the land surveyed and charge the expense to the applicant, who shall repay the same before he shall be entitled to receive a certificate as aforesaid, or it shall be lawful for the said Board to dispose of the said Land to any other applicant, and in such latter case the money deposited by the first applicant shall be returned to him on demand after deducting one tenth part thereof as a forfeiture for his default; or in case the first applicant shall refuse to accept the said land after it shall have been surveyed the money deposited shall be returned to him on demand, after deducting one tenth part thereof as a forfeiture for his default, and such further sum as may be necessary to cover the expense of such survey.

16. It shall be lawful for the Superintendent with the advice and consent of the Provincial Council, to reserve from sale and set aside for public uses, any land within the Province of Otago, and such reserves shall be dealt with by

Ordinance of the Superintendent and Provincial Council.

17. It shall at any time be lawful for the Waste Land Board, with consent of the Superintendent and Executive Council, to offer for sale by auction, or to dispose of by lease, as hereinafter provided, any land which shall be deemed to possess special value, as containing minerals.

18. It shall be lawful for the Waste Land Board, with the consent of the Superintendent and his Executive Council, to refuse to grant the application of any person for any land if it shall appear to the said Board that the sale of such land would be injurious to the public interests; Provided also that it shall be lawful for the said Board, with the like consent, to receive and grant applications from any person for the purchase of any rural land upon which timber shall be standing in such quantities as the said Board shall see fit; and at the same price per acre as is hereinbefore fixed for the sale of other rural land.

4. That the lease shall contain the usual clauses introduced into mining leases—1. For securing payment of the royalty or rent. 2. For enabling some person on the part of the lessor from time to time to enter and examine the mine. 3. For securing the regular, proper, and efficient winning and working of the minerals. 4. For making void the lease on breach by the lessee of the covenants therein contained. 5. For delivering up the property at the termination of the lease in good tenable repair. 6. For enabling the lessee to abandon the working of the minerals whenever he shall find the same unprofitable to work, and to surrender the lease.

55. If at any time the amount payable by any party for any such assessment, shall be in arrear and unpaid for three calendar months after the same shall become due, it shall be lawful for the Waste Land Board to declare by notice, to be published in the "Provincial Government Gazette," that such

person has forfeited his license, and such person shall thereupon be liable to be proceeded against under the provisions of these Regulations as an unlicensed occupier of Crown Land; *Provided*, that such notice may at any time be revoked by the authority of the Waste Land Board; and thereupon such license shall be deemed to be again in full force. Such re-vo-cation to take effect from such time as the said Board shall in that behalf provide in a notice to be published in the "Provincial Government Gazette."

X.

65. The regulations so to be made shall be agreed to by a majority of the Wardens, and a copy of the same under their hands shall, as soon as conveniently may be, be furnished to the Waste Land Board for publication in the "Provincial Government Gazette."

66. In case the Wardens shall neglect to make such Regulations within the period aforesaid, all the powers hereinbefore given to such Wardens shall be held and exercised by the Waste Land Board.

67. For the purpose of providing for the safety of the cattle to be depastured within any Hundred, for improving the run, for preventing the intrusion and the depasturing thereon of cattle belonging to, or under the charge of any unlicensed person, it shall be lawful for the Wardens or a majority of them, from time to time to make such bye-laws (not being repugnant hereto), as to them may seem meet, and by such bye-laws to impose any fine not exceeding five pounds, to be recovered in a summary way upon any person offending against the same, and such bye-laws shall extend, and be applicable not only to persons to whom such licenses as aforesaid may have been issued, but to persons to whom no such licenses shall have been issued, and to all unenclosed lands situated within the limits of the Hundred; provided always that no such bye-laws shall come into operation until they shall have received the assent of the Waste Land Board.

68. It shall be lawful for the Wardens of any Hundred, or the majority of them, to authorise the transfer of any such License as aforesaid, from the person to whom the same may have been issued to any other person being an occupant of land as aforesaid situated within the limits of the Hundred in respect of which such License may have been originally issued; provided also that the notice of such transfer shall be given to the Waste Land Board.

69. It shall also be lawful for the Waste Land Board to issue such Depasturing Licenses as aforesaid, on payment of a fee of 10s. at any time for the remaining portion of the then current year.

72. Within one calendar month after the election of the Wardens for any Hundred, the Waste Land Board shall pay over to any person such Wardens may appoint for that purpose, all monies that it shall have received for Licenses in such Hundred, which sums shall be applicable under the direction of the Wardens to all or any of such purposes as the assessment they are authorised to levy may be applied.

73. The Wardens shall in a book, to be kept by them for that purpose, enter true accounts of all sums of money by them received and paid under the authority of these Regulations, and at the close of the year for which they shall have been elected the said Wardens shall furnish a copy of such book to the Waste Land Board for publication in the 'Provincial Government Gazette,' and shall pay over to the Wardens for the ensuing year the balance of such monies (if any) remaining in their hands, and shall conform to and observe all such Rules and Regulations as may from time to time be made by the Waste Land Board for securing the due application of the monies to be raised under the authority hereof.
