Provided always, that every such Proclamation shall contain the description, occupation, or calling of every person therein named, and his place of residence at the date of such Proclamation.

Now, therefore, I, the Governor of the Colony of New Zealand, in pursuance of the power and authority in me vested by the said Act, do hereby proclaim and declare that the person hereinafter mentioned, shall come within the opera-

tion of the said Act, from the date hereinafter specified, viz.:

CHRISTIAN EGGERS,

From the nineteenth day of April, One thousand eight hundred and sixty, Native of Mecklenburgh, Master Mariner; residence Wellington, Province of Wellington.

Given under my hand, and issued under the Public Seal of the Colony of New Zealand, at the Government House, at Auckland, this twenty-first day of April, one thousand eight hundred and sixty.

Colonial Secretary's Office,
Auckland, 21st April, 1860.

THE following Resolution passed by the Provincial Council of the Province of Hawke's Bay is published for general information.

HENRY JOHN TANCRED,
For the Colonial Secretary.

Provincial Council Chamber,
Napier, March 20th, 1860.

That the Provincial Council of Hawke's Bay, ere it terminates its second Session, is desirous of placing on record its full and entire sympathy with the Province of Taranaki, at present under Martial Law owing to the meddling of disaffected aborigines. That this Council also congratulates the Province of Taranaki on the manly and self-relying spirit which evidently appears to animate the bosoms of its settlers; and on the very efficient aid so promptly rendered it by the Governor of this Colony. And, while heartily and unanimously thanking His Excellency for the same, and for his equitable and open declaration of policy—which this Council also sincerely believes to be both suited to and beneficial for the entire interests of the Province of Hawke's Bay—it further begs to be allowed to express the hope, that such policy will be for the future everywhere alike steadily and zealously adhered to.

And, that a copy of this Resolution be early forwarded by the Speaker of this Council to His Excellency the Governor, and to the Superintendent of the Province of Taranaki.

Council Chamber,
March 20th, 1860.

TENDERS FOR FIREWOOD.

Colonial Secretary's Office,
Auckland, 21st April, 1860.

TENDERS will be received at this Office until noon of Monday, the 30th instant, for furnishing the offices of the General Government with Firewood in such quantities as may be required for the six months commencing the 1st May next.

The rates per ton to be specified for the usual size, and also for such as may be required to be cut and split to suit the fireplaces in the

Public Offices, to be delivered at the several Public Offices.

W. GISBORNE,
Under Secretary.

General Post Office,
Auckland, 11th April, 1860.

THE attention of the Public is particularly directed to the damaged condition in which much of the correspondence from this Colony reaches the United Kingdom—owing to the melting of the Seals, causing the Letters to adhere to one another.

It is therefore requested that the use of sealing wax may be, as far as possible, abandoned, in the case of letters that have to pass through hot climates, and wafers or adhesive envelopes employed instead.

HENRY JOHN TANCRED.
