DEAR SIR,—Although the concluding ceremony of the International Exhibition will not, as you have already been informed, take place till the month of January next,—I cannot allow the day on which the Building is virtually closed to the Public to pass away without congratulating you in my own name, and on behalf of my colleagues, on the results which have attended the labours of your Commission, to the several Members of which we beg to offer our cordial thanks for the invaluable assistance which they have rendered to us in carrying this great undertaking to a successful issue.

We received, in the first instance, with much satisfaction, the announcement of the nomination of the distinguished body selected by your Government to represent the interests of their country; and now, at the close of the Exhibition, we cannot express too warmly our gratitude for the manner in which, while loyally maintaining these interests, your Commission has supported us in our endeavours to promote the general efficiency and success of the Exhibition.
