WELLINGTON, MONDAY, OCTOBER 21, 1867.

G. GREY, Governor.

Governor's Order, No. 82.

**I**N exercise of the power in me for this purpose vested by "The Customs Regulation Act, 1858," I, Sir George Grey, the Governor of the Colony of New Zealand, do hereby appoint that the Port of Brighton shall be a Warehousing Port for the purpose of "The Customs Regulation Act, 1858," and do hereby approve of the same as a Port for the importation of Tobacco.

Given under the hand of His Excellency Sir George Grey, Knight Commander of the Most Honorable Order of the Bath, Governor and Commander-in-Chief in and over Her Majesty's Colony of New Zealand and its Dependencies, and dated at Wellington, this seventh day of October, one thousand eight hundred and sixty-seven.

**T**HE following Despatch from the Secretary of State for the Colonies, is published for general information, pointing out that Foreigners naturalized in New Zealand, who may be desirous of travelling in Europe, should, before leaving the Colony, provide themselves with some official evidence of their identity and description.

E. W. STAFFORD.

[CIRCULAR, NEW ZEALAND.]

Downing Street, 25th April, 1867.

SIR,—With reference to the Circular Despatch from this Department dated the fifth of June, 1866, relative to the case of Foreigners naturalized in any of Her Majesty's Colonies who wish to obtain British passports for foreign travel, I have the honor to inform you that different cases have occurred lately

in which such naturalized Foreigners have applied in this Country for passports, without being in possession either of a passport from the Governor or of any official document from the Colony to establish their identity and character. You will readily perceive that this is calculated to embarrass this Department, and also to cause much private inconvenience to the persons concerned if they should find themselves unable to produce any sufficient evidence of their quality.

I have therefore to suggest that, in every Colony containing naturalized Foreigners who are likely to travel in Europe, it would be convenient that notice should from time to time be given in public newspapers, of the necessity for such persons providing themselves before leaving the Colony with some official evidence of their identity and description.

I have, &c.,

BUCKINGHAM AND CHANDOS.

Governor Sir George Grey, K.C.B.
