WHEBEAS by the eighth section of an Act of the General Assembly of New Zealand, intituled "The Confiscated Lands Act, 1867," it is among other things provided that it shall be lawful for the Governor by proclamation published in the New Zealand Gazette, to proclaim and declare that any lands taken under the Acts therein referred to as the said Acts, and defined in such proclamation, and not heretofore granted or agreed to be granted or reserved under any law for the time being in force, shall from

And whereas doubts may arise as to the effect of the said proclamation, and it is expedient to place such lands in the like condition as they would have been in if the said Order in Council proclaiming them under "The New Zealand Settlements Act, 1863," had not issued, and that the said lands should be Crown within the meaning of "The Auckland Waste Lands Act, 1867:"

Now therefore, I, Sir George Ferguson Bowen, Governor of the Colony of New Zealand, in pursuance and exercise of the above recited authority, do hereby proclaim and declare that the lands specified in the

At the Government House, at Wellington, this seventh day of March, 1868.

### Present :

HIS EXCELLENCY THE GOVERNOE IN COUNCIL.

Now therefore, His Excellency the Governor, in pursuance and exercise of the power and authority in him vested in this behalf, doth hereby, with the advice and consent of the Executive Council of New Zealand, make the following rules and statutes for the regulation and management of the New Zealand Institute.

### FORSTER GORING, Clerk of the Executive Council.

# RULES AND STATUTES.

# SECTION I.

# Incorporation of Societies.

No Society shall be incorporated with the Institute under the provisions of "The New Zealand Institute Act, 1867," unless such Society shall consist of not less than twenty-five members, subscribing in the aggregate a sum of not less than fifty pounds sterling annually, for the promotion of art, science, or such other branch of knowledge for which it is associated, to be from time to time certified to the satisfaction of the Board of Governors of the Institute by the Chairman for the time being of the Society.

2. Any Society incorporated as aforesaid shall cease to be incorporated with the Institute in case the number of the Members of the said Society shall at any time become less than twenty-five, or the

8. d.

3. The bye-laws of every Society to be incorporated as aforesaid shall provide for the expenditure of not less than one-third of its annual revenue in or towards the formation or support of some local public Museum or Library; or otherwise shall provide for the contribution of not less than one-sixth of its said revenue towards the extension and maintenance of the Museum and Library of the New Zealand Institute.

4. Any Society incorporated as aforesaid which shall in any one year fail to expend the proportion of revenue affixed in manner provided by Rule 3 aforesaid, shall from thenceforth cease to be incorporated with the Institute.

5. All papers read before any Society for the time being incorporated with the Institute shall be deemed to be communications to the Institute, and may then be published as proceedings or transactions of the Institute, subject to the following regulations of the Board of the Institute regarding publications:

- (f) Extra copies will be issued to any of the Members of Incorporated Societies at the cost price of publication.

6. All property accumulated by or with funds derived from Incorporated Societies and placed in the charge of the Institute shall be vested in the Institute, and be used and applied at the discretion of the Board of Governors for public advantage, in like manner with any other of the property of the Institute.

7. Subject to "The New Zealand Institute Act, 1867," and to the foregoing rules, all Societies incorporated with the Institute shall be entitled to retain or alter their own form of constitution and the bye-laws for their own management, and shall conduct their own affairs.

8. Upon application signed by the Chairman and countersigned by the Secretary of any Society, accompanied by the certificate required under Rule No. 1, a certificate of incorporation will be granted under the Seal of the Institute, and will remain in force as long as the foregoing rules of the Institute are complied with by the Society.

# Colonial Secretary's Office, Wellington, 9th March, 1868.

HIS Excellency the Governor has been pleased to appoint

EDWARD DENHAM, Esq.,

to be Deputy Registrar of Deeds in the Province of Canterbury.

This appointment to take effect on and from the first day of April, 1868.

E. W. STAFFORD.

Colonial Secretary's Office, Wellington, 9th March, 1868.

THE following proclamation issued by His Honor the Superintendent of Marlborough, under "The Diseased Cattle Act Amendment Act, 1865," with the approval of His Excellency the Governor thereon, is published for general information.

J. C. RICHMOND.

(in the absence of Mr. Stafford.)

### PROCLAMATION.

By His Honor WILLIAM HENRY EYES, Esq., Superdent of the Province of Marlborough, in the Colony of New Zealand.

WHEREAS by an Order in Council, dated the sixteenth July, 1867, the power has been delegated to me by His Excellency the Governor, under the provisions of "The Diseased Cattle Act Amendment Act, 1865," to declare infected districts, and from time to time to make regulations for destroying diseased cattle therein, and for prohibiting the removal of such cattle:  $\mathbf{T}$ 

Now, therefore I, William Henry Eyes, Esquire, by virtue of the powers delegated to and vested in me in this behalf, do hereby proclaim and declare that on and after the tenth day of March, all that district of the Province of Marlborough lying between the Clarence River, the Conway River, the seaward Kaikoura Range and the sea, shall be deemed to be an infected district under "The Diseased Cattle Act, 1861," and I further proclaim and declare that any person removing cattle out of the said district as herein defined, shall be liable to the penalties as fixed in the twelfth clause of the said Act.

Given under my hand, and the Public Seal of the Province, at Blenheim, this nine-teenth day of February, one thousand eight hundred and sixty-eight. W. H. Eyres,

Superintendent.

By His Honor's command,

JAMES BALFOUR WEMYSS,

Provincial Secretary.

Approved-G. F. Bowen, 5th March, 1868.

Colonial Secretary's Office,

Wellington, 9th March, 1868.

TENDERS will be received at this Office until the first of May 1869 for first of May 1868, from persons willing to supply the New Zealand Government with Stationery, to be delivered free of expense in this Colony, at such Port as the Government may indicate, for the twelvemonths commencing on the first June, 1868.

1. The value of all necessary packages, whether bulk be broken or not, must be included in the prices demanded, and the net weight or quantity only will be paid for.

2. A bond for the sum of £1000, the contractor in the sum of £500 and two approved sureties £500 each, for the due performance of the contract, will be required to be entered into within a month of the acceptance of the contract.

3. The tenderers will be required to forward samples of the articles marked with an asterisk.

The supplies are to be according to sample and 4. of the particular manufacture indicated in the Schedule.

5. In the case of different makers' goods the contractors will be required to supply the kind ordered.

6. Orders must receive prompt execution.

7. The contractor will be required to furnish his account in the prescribed form simultaneously with delivery of the full quantity of goods ordered, the account being rendered with the order to which it relates.

8. The acceptance of the supplies will be subject to the approval of the officers in the various Provinces appointed by the Government. The contractor may, however, claim a survey on any goods objected to, but in that case he must without delay give notice thereof in writing to the officer rejecting the goods.

9. Delivery will not be deemed to have been made until the goods have been approved of. All articles rejected must be immediately replaced by the contractor, otherwise purchases will be effected at the contractor's risk, and the extra expense incurred over and above the contract price (if any) will be deducted from the contractor's account.

10. It will be competent either for the contractor on his own behalf, or for the Honorable the Colonial Secretary on behalf of the Government, to terminate the contract by giving notice in writing of three months to the opposite party; it being understood that such notice can be given only from the first day of a month and within the period for which the contract is made.

11. In the event of any alteration in the Tariff affecting any of the items included in the contract, the Government or the contractor, as may be the case, will make a proportional allowance, by way of deduction from or increase of the price of the item so affected.

W. GISBORNE, Under Secretary.
