ORDER IN COUNCIL.

At the Government House, at Wellington, the eighth day of July, 1868.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by "The County of Westland Act, 1867," provision is made for the establishment of the County of Westland, and it is by the said Act enacted that the laws and Ordinances of the Province of Canterbury in force within the said County at the time of the coming into operation of the Act aforesaid, shall remain in force within the said County so far as the same are applicable, and that all powers vested in the Superintendent of the said

Province, either solely or with the advice and consent of the Executive Council of the said Province, should within the said County become vested in the Governor, provided that the Governor may from time to time delegate all or any of the said powers to such person or persons as he may think fit, and may in like manner alter and revoke such delegations. And whereas by an Order in Council, bearing date the eighth day of January, 1868, His Excellency the Governor, by and with the advice and consent of the Executive Council of the Colony, did delegate to the Honorable John Hall, within the County of Westland, all the powers theretofore of the Superintendent of the Province of Canterbury exercisable within the district comprised in the said County. And whereas it is expedient to revoke the delegation of the powers aforesaid so made to the Honorable John Hall, and to delegate the same powers to the Honorable James Alexander Bonar, as hereinafter mentioned:

Now therefore, His Excellency Sir George Ferguson Bowen, the Governor of New Zealand, in pursuance and in exercise of the power and authority so vested in him as aforesaid, doth hereby with the advice and consent of the Executive Council of the said Colony, revoke the delegation to the Honorable John Hall of the powers aforesaid, contained in the said Order in Council of the eighth day of January, 1868, and with the like advice and consent doth hereby delegate to

The Honorable JAMES ALEXANDER BONAR,

a member of the Legislative Council within the County of Westland, all the powers which before the passing of "The County of Westland Act, 1867," were by law vested in the Superintendent of the Province of Canterbury, and exercisable within the district comprised in the said County of Westland.

FORSTER GORING,
Clerk of the Executive Council.

G. F. BOWEN, Governor.
ORDER IN COUNCIL.

At the Government House, at Wellington, this eighth day of July, 1868.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by the seventeenth section of "The County of Westland Act, 1867," it is enacted that it shall be lawful for the Governor in Council, from time to time, as he may think fit, by proclamation published in the *New Zealand Gazette*, to make regulations for the sale, letting, disposal, occupation, and management of any Waste Lands of the Crown, and to alter the laws in force within the said County of Westland at the time of the coming into operation of the said Act regulating the sale, letting, disposal, occupation, and management of such lands within the said County of Westland, and to sell, let, and dispose thereof at such prices and generally in such manner as he shall deem expedient, and in like manner to alter, vary, or annul any such regulations and to make others, subject nevertheless to the provisos in the said Act contained. And whereas by a proclamation bearing date the twentieth day of March, 1868, and published in the *New Zealand Gazette*, His Excellency the Governor did make and proclaim the regulations contained in the Schedule to the said proclamation for the sale, letting, disposal, occupation, and management of the Waste Lands of the Crown within the County of Westland. And whereas by the said regulations it is amongst other things provided that all suburban or rural lands sold under the provisions of the said regulations shall, after sale, be open to entry by

miners for the purpose of mining for gold, subject to rules and regulations to be from time to time made by the Governor in Council in that behalf:

Now therefore, His Excellency Sir George Ferguson Bowen, the Governor of the Colony of New Zealand, in pursuance and in exercise of the power and authority vested in him as aforesaid, by and with the advice and consent of the Executive Council of the said Colony, doth hereby make and ordain the rules and regulations contained in the Schedule hereto for regulating and defining the terms and conditions upon which all suburban or rural lands sold under the provisions of the said regulations of the twentieth day of March, 1868, shall, after sale, be open to entry by miners for the purpose of mining for gold.

FORSTER GORING,
Clerk of the Executive Council.

SCHEDULE.

1. Every mining claim on private land shall be registered in the office of the Warden of the district within which such land is situated before being entered upon for mining. And the fee for such registration shall be ten shillings.

2. The mode of registration shall be by depositing with the Warden of the district a written contract entered into by the miner and the owner of the property, or if there be no such contract then an award given by arbitrators or an umpire, as hereinafter provided, and together with such contract or award a plan of the claim and of the property within which such claim is situated signed by the Mining Surveyor. And the Warden shall thereupon issue a certificate in the form given in Schedule A.

3. No miner shall be allowed to occupy for mining purposes any ground covered by any dwelling-house, garden, or any yard or other enclosure attached to any dwelling-house, unless a written contract shall have been entered into by himself and the owner of such building, garden, yard, or other enclosure.

4. No miner shall be allowed to use any part of any private land for any other purpose but that of actual mining, or the performance of necessary operations connected with mining, except under the terms of a contract entered into by himself and the owner of such private land.

5. If there be no contract entered into by the miner with the owner of the land intended to be occupied for mining purposes, and the land be not such as is mentioned in clause 3 of these regulations, the matter shall be referred to arbitration in the following manner:

6. The miner shall first of all give written notice in the form in Schedule B to the owner of the property, or if after diligent inquiry no such owner can be found, then to the occupier of such property, and shall also give notice in the form contained in Schedule B to the Warden of the district, and shall also pay to the Warden a sum of five pounds to defray the expenses of survey.

7. Upon receiving such notice and such sums of money, as provided in the last section, the Warden shall forthwith instruct the Mining Surveyor to survey the ground applied for. And the miner shall accompany the Mining Surveyor, and point out the boundaries of the claim for which he applies. And the Mining Surveyor shall furnish to the miner a plan of the claim and of the property within which it is situated, and shall also furnish to the Warden a tracing of such plan, and a report stating whether the claim applied for interferes with any building, garden, yard, enclosure, or any other property of a special nature.

8. Within fourteen clear days after the delivery of notices by the miner to the owner or occupier, and

to the Warden as provided in section 6, the miner and owner shall each appoint in writing one person to act as arbitrator, and shall state in writing to the Warden the name of the person so appointed. And if the miner fail to appoint an arbitrator within fourteen clear days his application shall be forfeited. And if the owner or occupier fail to appoint an arbitrator within fourteen clear days, then the Warden shall appoint an arbitrator in his behalf. The arbitrators so appointed shall forthwith appoint an umpire, and their award or the award of the umpire shall be given within twenty-one clear days from the delivery of the notice as provided in section 6. And if the arbitrators fail to appoint an umpire, or if the award of the arbitrators or umpire be not given within twenty-one clear days as aforesaid, the Warden shall act as sole arbitrator, or shall appoint some other person to act as sole arbitrator. Provided that the warden may, upon good cause being shown, extend the time for making the award, but no such extension shall exceed seven days in addition to the twenty-one days fixed in this section.

9. The decision of the arbitrators or umpire, or of the Warden or other person appointed by him acting as sole arbitrator shall be final and beyond any appeal, except on the ground of fraud, and every such decision shall be recorded in the Warden's Court, and shall be enforced in the same manner as a judgment of that Court.

10. The award shall state the value of the land to be used as a claim, the amount to be deposited to cover the costs of restoring the surface of the ground, the special compensation, if any, to be paid to the owner for damages which cannot be made good, and the special conditions, if any, to be observed by the miner in working the ground; and the miner shall pay as rent to the owner or occupier a sum equal to twenty per cent. per annum on the value of the land as so determined. Provided that in any case where the occupant is not the owner of the land such rent may be made payable either wholly to the occupier or wholly to the owner, or partly to the owner and partly to the occupier, in such proportions as shall be determined by the award.

11. In estimating the value of the land, the arbitrators, or umpire, or the Warden, or other person appointed by him, acting as sole arbitrator, shall take into consideration not only the actual value of the soil, but all the circumstances which may in their opinion give a special value to that portion of the property, such as its position in relation to the remainder of the property, its proximity to a road, river, or other means of access, or to a building, and the use to which it has been put or is intended to be put by the owner.

12. A fee of two guineas shall be paid to the Warden by the miner for each of the arbitrators and the umpire, before they enter upon the reference, and after the award shall have been made, shall by the Warden be paid over to them.

13. Before entering upon the ground for mining, the miner shall pay to the owner the first instalment of rent, and shall also deposit with the Warden the amount fixed by the arbitrators or umpire to cover the costs of restoring the surface of the ground, and shall, before entering upon the ground for mining, pay all other sums and do all other acts which the award shall order to be paid or done before entering upon the ground, and the payment of such sums, and the doing of all other such acts so ordered as aforesaid, shall be considered to be conditions precedent to the right of the miner to enter upon such private land, and no miner shall acquire any right of entry on private lands for the purpose of mining until all such sums shall have been paid, and all such acts shall have been done, as the award shall order.

14. All rents shall be paid by the miner quarterly in advance. And the claim shall be forfeited if the rent remain unpaid for seven days beyond the date when it becomes due.

15. As soon as the miner has ceased working the claim he shall forthwith restore the surface of the ground, and on proof being given to the satisfaction of the Warden that the surface has been so restored, the Warden shall hand over to the miner the sum deposited to cover the cost of such restoration. But if the miner after ceasing to work the claim shall neglect to restore the surface of the ground, the Warden upon proof being given to his satisfaction that the claim has ceased to be worked, shall at the end of fourteen clear days after the claim has ceased to be worked, hand over the money deposited as aforesaid to the owner of the land on which such claim is situated.

16. In the foregoing regulations words in the singular number shall be understood to import the plural number, and the word "owner" shall be understood to include "occupier," and where the owner and occupier are not the same person, then a separate contract shall be made or award given in the case of each of them. The word "Warden" shall be understood to mean the Warden or other officer for the time being entrusted with the administration of justice on the Gold Field within which the land is, and the word "Mining Surveyor" shall be understood to mean Mining Surveyor or other officer whose duty it may be to furnish plans to the Warden.

17. All the regulations in force for the time being relating to mining on Crown Lands, shall apply to mining on private property under these regulations, excepting so far as they are affected by these regulations.
