CONVERSION OF THE PUBLIC DEBTS OF NEW ZEALAND UNDER THE AUTHORITY OF "THE CONSOLIDATED LOAN ACT, 1867."

THE Government of New Zealand is prepared, under the powers granted by the Act above mentioned, to issue in exchange for such of the various Colonial and Provincial Securities as are now in circulation new Debentures of uniform character, charged on the Consolidated Revenue of New Zealand.

These new debentures will bear interest at the rate of 5 per cent. per annum, payable quarterly, and the principal will be repaid at par by a one per cent. cumulative sinking fund, applied by annual drawings to the extinction of the debt. By this process the whole amount will be paid off in about thirty-six years.

The debentures will be made to represent sums of £1,000, £500, £200, and £100 respectively, and fractions of the latter amount which may be unavoidable in the conversion will be adjusted either by the issue of one debenture, or by the payment of the difference in money.

Scrip certificates will at first be issued in exchange for the bonds withdrawn, and these will afterwards be replaced by debentures of the new issue.

The annual drawings will take place in the month of March, commencing in 1869, and will be conducted in the presence of the Crown Agents for the Colonies, of any debenture holders who may be pleased to attend, and of a notary public. The debentures drawn will be paid off at par on the 15th April following, together with the interest due thereon.

The days on which such drawings will take place, and the numbers and values of the debentures drawn, will be duly notified by advertisement in the *London Gazette* and *The Times*.

Applications for conversion from persons residing in New Zealand or the Australian Colonies, will be received by Penrose G. Julyan, Esquire, and W. C. Sargeant, Esquire, Crown Agents for the Colonies, whose office is in Spring Gardens, London, at any time not later than the 1st of December next, after which date the right of altogether closing the operation is reserved.

Forms of application and information as to the terms upon which such conversion will be made may be obtained on application to the Crown Agents, or to the brokers, Messrs. Mullens, Marshall, Daniell, and Co., 3, Lombard-street, and Messrs. J. and A. Scrimgeour, 18, Old Broad-street, London.

Persons residing in New Zealand or the Australian Colonies desirous of making such conversion must transmit their securities to some Agent in London, in order that such securities may be given up on the issue of the scrip certificates.
