CONTINUED CONVERSION OF THE OLD DEBENTURES OF THE GENERAL AND PROVINCIAL GOVERNMENTS OF NEW ZEALAND INTO NEW 5 PER CENT. CONSOLS UNDER THE LOAN ACT OF 1867.

THE Crown Agent for the Colonies, acting on behalf of the Government of New Zealand, will be prepared to exchange new 5 per cents., created under authority of the Act above referred to, for debentures bearing various rates of interest, which have from time to time been issued under the following Acts and Ordinances.

The interest on the new securities will be paid quarterly, and the principal will be paid at par by a 1 per cent. cumulative sinking fund, applied by annual drawings to the extinction of the debt. By this process the whole amount will be paid off in about thirty-six years.

The terms on which the old debentures may be exchanged for new are as follows, viz. :—

For every 100 General Government old 5 per cents. payable in 1914, holders may receive 99½ new 5 per cent. consols.

For every 100 General Government 6 per cents. payable in 1891, holders may receive 113½ new 5 per cents.

For every 100 6 per cents. of the Provincial Governments of Auckland, Canterbury, and Otago, holders may receive 109 new 5 per cents.

For every 100 Otago 8 per cents., issued under Loan Ordinance, 1861-2, and payable in December, 1875, holders may receive 115 new 5 per cents.

For every 100 Otago 8 per cents., issued under Loan Ordinance, 1861-2, and payable in July, 1874, holders may receive 113 new 5 per cents.

For every 100 Otago 8 per cents., issued under Loan Ordinance, 1862, and payable in November, 1874, holders may receive 113½ new 5 per cents.

For every 100 Otago 8 per cents., issued under Loan Ordinance, 1862, and payable in October, 1875, holders may receive 115 new 5 per cents.

For every 100 Canterbury 8 per cents., issued under Loan Ordinance, 1856, and payable in 1873, holders may receive 110½ new 5 per cents.

For every 100 Wellington 8 per cents., issued under Loan Ordinance, 1862, and payable in 1877, holders may receive 118 new 5 per cents.

For every £100 Wellington 8 per cents., issued under Loan Ordinance, 1866, and payable in 1886, holders may receive £128 10s. new 5 per cents.

For every 100 Nelson 8 per cents., issued under Loan Ordinance, 1864, and payable in 1876, holders may receive 116½ new 5 per cents.

For every 100 Nelson 8 per cents., issued under Loan Ordinance, 1864, and payable in 1881, holders may receive 124 new 5 per cents.

The bonds will be made to represent sums of £1,000, £500, £200, and £100 respectively, and fractions of the latter amount, which may be unavoidable in the conversion, will be adjusted either by the issue of one bond, more or less, and by the payment of the difference in money, at the time of conversion.

The annual drawings will take place in the month of March, commencing in 1869, and will be conducted in the presence of the Crown Agents for the Colonies, of any debenture-holders who may be pleased to attend, and of a notary public. The debentures drawn will be paid off at par, on the 15th April following, together with the interest due thereon.

The days on which such drawings are to take place and the numbers and values of the debentures drawn, will be duly notified by advertisement in the *London Gazette* and the *Times*.

The New Zealand Government will receive bonds for exchange, and will give an order on the Crown Agents for an amount of new 5 per cent. consols corresponding with the advertised terms of conversion. The Government will be responsible for the transmission of the old bonds to England.

As payment of interest on new bonds has to be made in London, and the annual drawings will also be made there, those bonds will have to be deposited in the hands of some person resident in the United Kingdom. For the convenience of persons who have not agents there, Mr. Morrison, the New Zealand Agent in London, will, on application, act as agent for such persons in respect of those bonds.
