WELLINGTON, SATURDAY, MAY 29, 1869.

Colonial Secretary's Office,  
 (Judicial Branch.)  
 Wellington, 28th May, 1869.

THE following Report by the Accountant in Bankruptcy is published in pursuance of "The Bankruptcy Act, 1867."

E. W. STAFFORD.

To their Honors,  
 The CHIEF JUSTICE and the JUDGES of the Supreme Court of New Zealand.

THE Accountant in Bankruptcy begs respectfully to lay before the Court his first Annual Report applicable to the year ending 30th November, 1868, which has been framed after the plan adopted by the Accountant in Bankruptcy in Scotland.

The following notes are submitted as containing general results, which have been deduced from the information before the Accountant in Bankruptcy.

The Accountant regrets that the information in his possession is not so complete as he could have wished, and consequently his Report is in some parts imperfect. The Accountant hopes, however, when trustees and the officers of the Supreme and District Courts have become better acquainted with their duties, under Part XV. of the Act of 1867, that clearer and more accurate information will be supplied to him, so that his next Annual Report may be complete in all its details.

Some trustees appointed under the Act have also shown considerable remissness in complying with the provisions of Section 226; but as this was the first Return required from them under the Act, the Accountant did not deem it necessary to bring their conduct under the notice of your honorable Court. The Accountant thinks it right to add that in all

cases where the provisional trustee has become sole trustee, he has not experienced any difficulty in obtaining the information required to be furnished to him in accordance with the provisions of Part XV.

The results are reported in the following order:—

I.

The number of orders of adjudication made during the year ending 30th November, 1868, has been ... .. 294

Whereof there have been made by the Supreme Court ... .. 193

And by the District Court ... .. 101

So that during the year 65·65 per cent., or thereabouts, have been made by the Supreme Court, and 34·35 per cent., or thereabouts, by the District Courts.

The following is a note of the adjudications made during the year, classified according to the Provinces and Districts to which they are applicable:—

Exclusive of the above there have been over 170 declarations of insolvency, in which no further proceedings were taken.

It will be observed that in the Provinces of Marlborough, Napier, Southland, and Taranaki no insolvents have been adjudged bankrupt during the year.

II.—*General Account of Bankruptcies in Dependence at 30th November, 1868.*

|   |     |     |
|---|-----|-----|
| Number of bankrupt estates wound up by division of funds during the year ending 30th November, 1868, has been | ... | Nil |
| Ditto ditto by discharge of trustees without dividend, no assets  | ... | Nil |
| Ditto ditto by composition  | ... | 9   |
| Annulled  | ... | Nil |
| Remaining in dependence at 30th November, 1868  | ... | 285 |

III.—*Results of Adjudications.*

The period which has elapsed since the commencement of the Act and ending on the 30th November, 1868, is so limited, that the Accountant is not in a position to deduce general results in regard to the following:—

1st. The percentage of ordinary expenses when applied to gross receipts.

2nd. Allowance to bankrupt.

3rd. Trustee's commission.

4th. Law expenses.

5th. Miscellaneous charges, ordinary and incidental outlay.

In many cases the accounts for law expenses have not been supplied to the trustee; the trustee's commission has not been charged; and, in consequence of the estate remaining in dependence, the charges, miscellaneous and otherwise, have not been ascertained.

IV.

From the imperfect manner in which the Reports have been filled up, the Accountant in Bankruptcy is unable to deduce any comparison between the gross estate as estimated by the trustees, and the amount actually realized by them.

In reference to this and to other information which the Accountant desires to furnish to your honorable Court, he hopes, when supplied with assistance, to be able to instruct the trustees in the mode in which the Returns should be made to the Registrars and Clerks.

It is the practice of the Accountant in Bankruptcy in Scotland to supply the trustees with printed directions as to the mode of performing their duties; and the Accountant hopes to be in a position to supply information in a like manner to trustees in the Colony.

V.—*Results of Adjudications wound up by Composition during the year ending the 30th November, 1868.*

During the year there have been settlements by composition in nine adjudications. The highest rate of composition reported is 10s. 6d. in the pound; the lowest rate of composition reported is 6s. in the pound.

VI.—*Discharges in favour of Bankrupts.*

The number of discharges granted applicable to this year is 143. Of these discharges 9 followed on composition settlements, and the remainder (134) were granted without composition.

In nineteen cases the final discharge was suspended for periods varying from one to twelve months.

VII.—*Discharges in favour of Trustees granted during the year ending 30th November, 1868.*

There have been no discharges of trustees in bankruptcy during the year.

VIII.—*Proceedings of Accountant in cases of complaint against Trustees, in terms of Section 227.*

During the year numerous complaints have been made regarding the management of estates and conduct of trustees; but in most of the cases the explanations made were satisfactory, and in some the matter is now pending.

IX.—*The Value of Property belonging to Bankrupts as estimated in Bankrupts' Statements.*

It will be apparent that each succeeding Report will be more complete, insomuch as it will bring up the arrears of the detailed information required to render this Report complete, first, by the winding up of estates, and next by supplementary information, which will accumulate during the current year.

Appended is an alphabetical list of persons adjudged bankrupt during the year ending 30th November, 1868, together with a tabulated statement showing the condition of every estate.
