W. GISBORNE
(in the absence of Mr. McLean).

INTERIM REPORT OF THE WAR MEDAL COMMISSIONERS.

To His Excellency Sir GEORGE FERGUSON BOWEN,
G.C.M.G., &c., &c., &c.

MAY IT PLEASE YOUR EXCELLENCY,—

In accordance with the instructions conveyed by the Commission of the 3rd February, 1871, we have examined all the applications from officers and men of the Colonial Forces for the New Zealand War Medal, which have been referred to us by the Hon. Colonial Secretary, and we have the honor to report as follows:—

1. On the accompanying Roll marked A we have included the names of those applicants who are entitled, under the terms of the Resolution of the House of Representatives, to receive the Medal for services performed during the years 1845, 1846, or 1847, or during the years from 1860 to 1866, both inclusive.

2. And on the Roll marked B the names of those who have established their claims to the Medal, if it is to be granted for services performed subsequent to the year 1866.

3. And in the Roll marked C we have given the names of those applicants whose claims we have rejected, and in each case have specified the reasons for such rejection.

4. We also transmit a Roll marked D, containing the names, rank and corps, &c., of the officers and men of the Colonial Forces who have been killed in action, or have died from wounds received in action since the 11th July, 1868.

We have not yet been able to procure accurate returns of those persons who were killed in action prior to the 11th July, 1868; and we have been obliged to defer the consideration of some of the applications that have been transmitted to us until further proof of their correctness has been obtained.

We are moreover aware that there are many persons who have not hitherto made application for the Medal, although they are entitled to claim it, and would invite attention to the fact that scarcely one of the many friendly Natives who fought with our troops, and on whom it was the intention of the Legislature that Medals should be conferred, have applied for the distinction.

We therefore submit this as an Interim Report for your Excellency's consideration, and would respectfully recommend that the accompanying Rolls should be published, and that notice should be given both to the Europeans, and more particularly to the friendly Natives, that further applications will be received up to such date as your Excellency may fix for this purpose.

T. M. HAULTAIN.
J. T. EDWARDS.

Wellington, 27th March, 1871.

Offices of the Crown Agents for the Colonies,
Spring Gardens, London, S.W.,

16th March, 1871.

SIR,—I have the honor to enclose copy of a correspondence relative to the forwarding, through this office, to New Zealand of certain medals for various persons in that Colony engaged in the New Zealand wars 1861–66, and to inform you that these medals have been shipped by the sailing vessel “Edinburgh Castle” direct to Wellington, as it was considered better to delay their arrival for a few weeks than to incur the risk of damage to the cases, and possible loss of contents if they had been sent by P. and O. steamer and overland, owing to the changes in transit by that route.

I send also the following documents relating to the above:—

1. Bill of lading.
2. Shipping agent's freight &c. account, £16 7s. 8d.
3. Nine lists or rolls giving the names and particulars of the recipients of the medals.

I have, &c.,

W. C. SARGEANT.

The Hon. the Colonial Treasurer, New Zealand.

Colonial Office to Crown Agents.

Downing Street, 31st January, 1871.

GENTLEMEN,—I am directed by the Earl of Kimberley to acquaint you that a letter has been received from the War Office stating that a large number of medals for service in New Zealand had been received at that Department, and requesting to be informed how they should be transmitted to the Colony.

Lord Kimberley has suggested that they should be forwarded through yourselves as Crown Agents.

I am, &c.,

H. T. HOLLAND.

The Crown Agents for the Colonies.

War Office to Crown Agents.

War Office, 8th February, 1871.

GENTLEMEN,—I am directed by Mr. Secretary Cardwell to transmit to you a copy of a letter which has been addressed, by his direction, to the Colonial Office, together with a copy of the reply which has been received to it, relative to the transmission to New Zealand of medals, as enumerated in the enclosed list, for officers and men of the Local Forces in that Colony, and for civilians who were employed in the Imperial Commissariat Transport Corps, and were paid from Imperial funds.

The boxes containing these medals are also transmitted herewith, and, in accordance with the recommendation in the Colonial Office letter, I am to request that you will take measures for forwarding them to the Colony by an early and safe opportunity. They have been addressed to the Officer Administering the Government, who, it will be seen, has been instructed by the Secretary of State for the Colonies to conform to the directions of this Department as to the distribution of the medals; and the rolls (9) of the names of those for whom they are intended are forwarded herewith, for transmission to the Colony, with the medals.

I have, &c.,

EDWARD LUGARD.

War Office to Colonial Office.

War Office, 21st January, 1871.

SIR,—I am directed by Mr. Secretary Cardwell to request you will state to the Earl of Kimberley that medals for service in New Zealand have been received in this Office for 1,942 officers and men of the Local Forces in New Zealand, and for civilians who were employed in the Commissariat Transport Corps and paid from Imperial funds, as enumerated in the enclosed list.

With the view to facilitate the issue of these medals, Mr. Cardwell would suggest, for Lord

Kimberley's consideration, that the Government of that Colony, which has, it is understood, the means of identifying the persons named in the rolls from which the medals were prepared, should be intrusted with the task of distributing them, the rolls, which will accompany the medals, being returned to this Department at the expiration of two years from their receipt in New Zealand, together with such medals as may then remain unclaimed, either by reason of their not having been applied for, or on account of the persons for whom they were intended having died previously to the date of the General Order of March, 1869, notifying the grant of the medal.

Should Lord Kimberley concur in this proposal, I am to request that you will move His Lordship to cause the necessary instructions to be given to the Colonial Government with the view to carrying it out, and at the same time to favour Mr. Cardwell with his opinion as to the manner in which the medals should be transmitted to New Zealand.

I have, &c.,

EDWARD LUGARD.

Colonial Office to War Office.

Downing Street, 31st January, 1871.

SIR,—I have laid before the Earl of Kimberley your letter of the 21st instant, enclosing a list of officers and men of the Local Forces in New Zealand, and of civilians employed in the Commissariat Transport Corps and paid from Imperial funds, who are entitled to the New Zealand Medal. His Lordship has instructed Sir George Bowen to conform to Mr. Cardwell's wishes in respect to the issue of these medals.

In answer to the inquiry contained in the last paragraph of your letter, His Lordship would recommend that the medals should be forwarded to the Colony through the Crown Agents.

I am, &c.,

H. T. HOLLAND.

The Under Secretary of State, War Office.
