REGULATION.

IX. If at any time within any of the said quarters of a year, any Registrar shall be aware that payment of any claims or demands against any lunatic's estate will require to be made within the next quarter, and if he shall make a report to that effect to the Colonial Treasurer, and show that from the trifling amount of such claims or demands or for any other reason it is expedient that the Registrar should retain at his trust

account a sufficient amount to meet the same, the Colonial Treasurer may authorize him to do so, and in that case it shall not be necessary to pay such amount into the Public Account at the end of such first-mentioned quarter.

Given under the hand of His Excellency Sir George Ferguson Bowen, Knight Grand Cross of the Most Distinguished Order of Saint Michael and Saint George, Governor and Commander-in-Chief in and over Her Majesty's Colony of New Zealand and its Dependencies, and Vice-Admiral of the same; and issued at Wellington, this fourth day of August, in the year of our Lord one thousand eight hundred and seventy-one.
