WELLINGTON, MONDAY, AUGUST 21, 1871.

THIRD ANNUAL REPORT OF THE ACCOUNTANT IN BANKRUPTCY.

To their Honors the CHIEF JUSTICE and the JUDGES of the SUPREME COURT of NEW ZEALAND.

THE Accountant in Bankruptcy begs respectfully to lay before the Court his Third Annual Report, applicable to the year ending 30th November, 1870.

The following notes are submitted as containing the general results which have been deduced from the information before the Accountant in Bankruptcy.

The returns furnished to the Accountant for the past year, although exhibiting greater accuracy and completeness than those of former years, are still capable of improvement, especially that portion of them which embraces estates not wound up at the date of the last Annual Report. In some cases the trustees have left the Colony without furnishing returns; and there is still considerable difficulty in getting some of the trustees appointed by the creditors to understand or properly perform their duties, as prescribed by sections 225 and 226 of "The Bankruptcy Act, 1867."

The Accountant has appended hereto—

- I.—A Return showing the trades or callings of adjudged bankrupts for the year ending the 30th day of November, 1870, in each Province or District; and also showing the totals of each trade or calling.
- II.—A Return showing the aggregate amount of reported liabilities of adjudged bankrupts, the maximum and minimum amounts of such liabilities, and the relative limits of the amounts of the same, for the period commencing 1st December, 1869, and ending 30th November, 1870; and comparing the number and aggregate amounts with the results reported for two years ending 30th November, 1869.

There is an increase in the total number of bankrupts for the year ending 30th November, 1870, as will appear from the following comparison:—

Province or District.	Number of adjudged Bankrupts, 1868-69.	Number of adjudged Bankrupts, 1869-70.	Increase.	Decrease.
Auckland	71	187	116	...
Canterbury... ..	134	123	...	11
Nelson	20	21	1	...
Otago and Southland	120	148	28	...
Wellington and Wanganui	48	81	33	...
Taranaki and Hawke's Bay	9	7	...	2
Westland North—Greymouth... ..	23	49	26	...
" " Westport	24	20	...	4
Westland South	71	79	8	...
Totals	520	715	212	17

Net increase for year 1869-70, 205, or 39.423 per cent.

The increase in the number of bankruptcies among the four classes enumerated in last year's Report—namely, hotelkeepers and publicans, storekeepers, farmers and settlers, and miners—is 51·55 per cent. (nearly). Thus the aggregate number of the four classes for the year ending 30th November, 1870, was 294

And for the previous year 194

Increase 100

The Accountant regrets that the increase in this number is mainly confined to two of the producing classes, viz., farmers and settlers, and miners:—

	1868-69.	1869-70.	Increase per cent.
Hotelkeepers and publicans	64	80	25·
Storekeepers and grocers	46	61	32·6
Farmers and settlers	49	87	77·7
Miners	35	66	88·6 (nearly).

The remaining bankruptcies do not present a marked increase in any particular class.

The results are reported in the following order:—

I.—The number of orders of adjudication made during the year ending 30th November, 1870, is 699

Whereof have been made by the Supreme Court 534

And by the District Court 165

Which, with 16 concerted bankruptcies, makes the total number of bankrupts 715

The following is a note of the adjudications made during the year, classified according to the Provinces and Districts to which they are applicable:—

Province or District.	Adjudged by Supreme Court.	Adjudged by District Court.	Total.
Auckland	184	...	184
Canterbury	118	...	118
Nelson	20	...	20
Otago and Southland	126	18	144
Wellington and Wanganui	86	...	86
Taranaki and Hawke's Bay (returns incomplete)			
Westland North, including Greymouth and Westport	147	147
Westland South

II.—General Account of Bankruptcies in Dependence at 30th November, 1870.

The Accountant in Bankruptcy reports that a very large number of the estates previously reported as "Depending," have been now returned "Closed—no assets."

In consequence of the absence of Reports from the trustees in a large proportion of estates reported in previous years, the Accountant does not think it desirable to make any numerical statement under this head.

III.—Results of Adjudications wound up by Composition during the year ending 30th November, 1870.

During the year there have been settlements by composition or arrangement in respect of sixteen adjudications.

The rates of composition or terms of arrangement are not generally reported. The highest composition which is reported is ten shillings in the pound.

IV.—Discharges in favour of Bankrupts.

The number of discharges granted applicable to this year is 535. Of these discharges, nine followed on composition settlements, and the remainder were granted without composition.

In 78 cases the final discharge was suspended for periods varying from one month to three years, viz.:—

	Suspended.	Extent of Suspension.
Auckland	9	3 months to 3 years.
Canterbury	23	1 ,, 3 months.
Otago and Southland	22	1 ,, 3 years.
Westland, North and South	21	1 ,, 18 months.
Wellington	3	1 ,, 3 ,,

V.—Discharges in favour of Trustees granted during the year ending 30th November, 1870.

There have been no discharges of trustees in bankruptcy reported.

VI.—*Proceedings of the Accountant in cases of complaint against Trustees, in terms of Section 227.*

During the past year most of the cases of complaint against trustees and supervisors have been settled satisfactorily; and in only two instances it was found necessary to have recourse to your honorable Court.

Annexed hereto are—

1. Report of the Accountant, showing the condition of every estate brought during the past year under the operation of "The Bankruptcy Act, 1867," as required by the 228th section of the said Act.
2. Report of the Accountant of all estates brought under "The Bankruptcy Act, 1867," which have not been reported in previous years as finally closed, showing the amount of funds realized, the manner in which those funds have been disposed of, and by whom the balance (if any) is held.

GEO. BRONIE,
Accountant in Bankruptcy.

Dunedin, 9th June, 1871.

REPORT of the ACCOUNTANT in BANKRUPTCY of all Estates brought under "The Bankruptcy Act, 1867," which have not been reported in previous years as finally closed, showing the amount of funds realized, the manner in which those funds have been disposed of, and by whom the balance (if any) is held.
