ORDER IN COUNCIL.

At the Government House, at Wellington, this twenty-fifth day of June, 1873.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by "The Westland Waste Lands Act, 1870," it is among other things enacted that the Governor in Council may from time to time, by Order in Council, direct that reserves under the said

Act shall vest in and be held by any Corporation, Commissioners, or other person or persons having corporate succession, to be named in the Order, in trust for the like or other public purposes, to be specified and declared in such Order, in such manner, and with such powers of leasing for any term not exceeding twenty-one years from the date of the lease, and of management of such reserves, and of disposing of the rents, issues, profits, and proceeds thereof, and other powers, provisions, and provisoes as shall be expressed and declared in such Order: And whereas the several parcels of land described in the Schedule hereto have been reserved and set apart for the purposes therein mentioned, and such reserves are now subject to the provisions of the said Act: And whereas it is expedient that the said reserves should be vested in the Mayor, Councillors, and Burgesses of the Borough of Hokitika (hereinafter called the "Corporation"), in the manner hereinafter mentioned:

Now, therefore, His Excellency the Governor, with the advice and consent of the Executive Council, and in exercise and pursuance of all power and authority in this behalf in him vested, doth hereby order and direct that from and after the date hereof the reserves particularly mentioned and described in the Schedule hereto shall vest in and be held by the Corporation in trust for the public service of the said borough, with power to dispose of and manage such reserves under and subject to the following conditions, that is to say:—

1. The said reserves shall be vested in the Corporation for the several purposes mentioned in the Schedule, and in cases where the purpose for which such reserve was made shall be specified, the Corporation shall have no power to alter the same, but such reserve shall be held in trust for the particular purpose specified.

5. The rents, issues, and profits to be received or derived from the leasing of any of the reserves mentioned in the said Schedule shall be vested in the Corporation, and by them received and appropriated to the Borough Fund, and may be applied thereout in such manner as the ordinary revenue of the Corporation may be applied.
