† Section 549 will be sold subject to a site for a Rifle Range, with the right of entry thereto.

Terms of Payment.

One-fourth of the purchase money in cash on the fall of the hammer; the remainder at or before the expiration of three calendar months from the day of

sale, to be paid at the office of the Officer in Charge of Confiscated Lands, Patea. By clause 18 of the Confiscated Land Regulations, in the event of the second payment not being made as aforesaid, the sale will be void and the deposit forfeited.

The Rural Sections in the Patea District include portion of the Railway Reserve, which is a strip of country situated in the heart of the settlement, extending from Patea to Waingongoro and Ketemarae. The reserve is traversed by an excellent metalled road, and bridges have been erected or are in course of construction, where necessary, on the whole line from Wanganui to New Plymouth. The surveyed line of railway runs parallel with and in some places through the reserve.

The settlement of the district has progressed rapidly during the last few months, and the sections now offered comprise nearly all available lands at the disposal of Government between the edge of the bush and the sea coast.

A few Bush Sections are also offered for sale, affording an opportunity to settlers in the open lands to obtain timber for fencing and other purposes.

Plans may be inspected at the office of the Secretary for Crown Lands, Wellington, and at the Survey Office, Patea.

All required information may be obtained at this office.
