A PROCLAMATION.

WHEREAS by "The Immigration and Public Works Act, 1872," it is, among other things, enacted, that whenever it shall become necessary that any land which the Governor or the Minister is by or under the Acts therein mentioned, or any Act authorizing the construction of any railway by the Governor or Minister, authorized to purchase or take for such railway, or any portion thereof on or over which a railway authorized by the said Acts, or any Act to be passed in pursuance thereof, has been or may hereafter be constructed, should be vested in Her Majesty the Queen, it shall be lawful for the Governor or the Minister to cause a map of all such lands as may have been taken or purchased under the said Acts, or any Act authorizing the construction of any railway as aforesaid, or any portion of such railway, to be prepared. Such map shall fully and accurately set forth the pieces or parcels of land intended to be taken and permanently used, or which have been purchased or taken, or are required to be vested in Her Majesty for the purposes of any such railway, and shall be authenticated by the signature of the Minister, or by that of some person to be appointed by him for that purpose from time to time. And it is also enacted that the Minister shall cause the map to be deposited in the office of the Registrar of Deeds for the Registration District within which the lands shall be situated; or if the lands set forth on any such map shall extend beyond the boundaries of any one district, then such map shall be prepared in so many parts as shall be requisite to delineate the land within each such district; and the map, or the parts thereof, as aforesaid, shall be deposited in the office of the Registrar of Deeds in each Registration District where the lands shall be situated to which such map relates; but for the purposes of this Act, such map, although consisting of several parts, shall only be deemed to be one map: And whereas by the said Act it is

further enacted that it shall thereupon be lawful for the Governor from time to time, by Proclamation in the *New Zealand Gazette*, to declare that the lands set forth in such map, or any of them, have been taken or acquired for the purposes of the railway in respect of which the same shall have been taken or acquired under the said Acts, or any Act authorizing the same to be taken or acquired; and in such Proclamation the lands intended to be affected shall be therein described by reference to such map so to be deposited as aforesaid: And whereas, in accordance with the provisions of the said in part recited Act, the Minister for Public Works has caused a map of all such lands as have been taken or purchased for that further portion of the line of railway from Brunner to Greymouth, in the Province of Westland, the description, line, and limits whereof are proclaimed, declared, and defined by a Proclamation of His Excellency the Governor of New Zealand, dated the sixteenth day of October, one thousand eight hundred and seventy-four, to be prepared as by the said in part recited Act is required; and the said map is authenticated by the signature of the Honorable Edward Richardson, as such Minister for Public Works: And whereas the said Minister, on or about the seventh day of May, one thousand eight hundred and seventy-five, caused the said map to be deposited in the office of the Registrar of Deeds at Hokitika, in the said Province of Westland aforesaid:

Now therefore, I, George Augustus Constantine, Marquis of Normanby, the Governor of the Colony of New Zealand, in pursuance and exercise of the power and authority vested in me by the hereinbefore in part recited Act, do hereby proclaim and declare that the lands set forth in the said map so deposited as aforesaid have been taken or acquired for the purposes of the said railway from Brunner to Greymouth, which said railway is, by "The Railways Act, 1871," "The Railways Act, 1872," "The Railways Act, 1873," and "The Railways Act, 1874," authorized to be constructed and maintained under the provisions of "The Immigration and Public Works Act, 1870," and the several Acts amending the same.

And in further pursuance and exercise of the

said power and authority, I do hereby proclaim and declare that the lands intended to be affected by this Proclamation are described and delineated in the said map so deposited as aforesaid.

N.B.—Although the Auckland and Hokitika Hospitals are situated outside the boundaries of the respective boroughs, yet the deaths in them have, for the sake of uniformity, been included in this Report.

The population has been estimated by adding the excess of births over deaths since the 1st March, 1874, to the then census population. It is impossible to estimate the increase from immigration.

The births were 48 fewer than in April.

The deaths were 41 more in number than the deaths in April.

Of the deaths, males contributed 122; females, 89: 95 of the deaths were of children under 5 years of age, being 45.97 per cent. of the whole number; 50 of these were of children under 1 year of age.

The deaths of children under 1 year of age were 3 fewer than in April; the number of deaths of those from 1 to 5 was the same as in April.

There were 12 deaths of persons of 65 and upwards,—2 males respectively of 65 and 75 in Auckland, and 1 female of 78; 5 males of 68, 71, 73, 80, and 82 in Nelson; 1 male of 65 in Wellington; 2 males of 65 and 70 in Christchurch; and 1 male of 74 in Dunedin.

THE following Table shows the Causes of the Deaths of Persons of both Sexes under 5 years of age and 5 years and upwards, and the Proportions per Cent. of Deaths from each cause in the Boroughs named, and that were registered, during the month of May, 1875.
