*Rehearing of Native Land Claims.*

NORMANBY, Governor.  
ORDER IN COUNCIL.

At the Government House, at Wellington, this  
twenty-eighth day of September, 1875.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by the fifty-eighth section of "The Native Land Act, 1873," (hereinafter referred to as "the said Act,") it is enacted that upon the application of any persons interested in any Native land who may feel themselves aggrieved by the decision of the Native Land Court in respect thereof, the Governor in Council may order a rehearing of any matter heard and decided under the provisions of the said Act, within such a period of time from the publication of the decision and memorial of ownership in manner in the said Act required as may be limited in such Order; and upon such order being made, all proceedings theretofore taken by the Court in such matter shall be annulled, and the case shall commence *de novo*, and shall proceed in manner provided by the said Act; Provided that no application for a rehearing shall be entertained, if it be made after six months shall have elapsed from the time of such publication:

And whereas by the eighth section of "The Native Land Act Amendment Act, 1874," (hereinafter referred to as "the said amendment Act,") it is enacted that in any case where an application for a rehearing of any matter heard and decided under "The Native Lands Act, 1865," and the Acts amending the same, shall have been made subsequently to the first day of July, one thousand eight hundred and seventy-three, the Governor in Council may, in the manner provided by the fifty-eighth section of the said Act, order a rehearing of any such matter so heard and decided as aforesaid, and all the provisions of the said Act respecting rehearings, so far as applicable, shall extend to any rehearing ordered under the said Amendment Act: Provided that such application shall in each case have been made within six months from the date of the decision of the Court in such case:

And whereas at a sitting of the Native Land Court of New Zealand, at Gisborne, in the Poverty Bay District, in the Province of Auckland, commenced on the seventeenth day of February, one thousand eight hundred and seventy-five, and ended the seventeenth day of April, one thousand eight hundred and seventy-five, the claim of certain aboriginal natives of New Zealand, to a piece of land called "Takopa," situate at Turanga-nui, in the said district, was heard and decided, and a certain Order was thereupon made by the said Court:

And whereas on or about the twelfth day of March, one thousand eight hundred and seventy-five, an application was made to the said Court, by and on behalf of certain aboriginal natives claiming to have an interest in the said land, for a rehearing of the said claim, and it is expedient that the said claim should be reheard before the said Court:

Now therefore, His Excellency the Governor, in exercise and pursuance of the above-recited power, and by and with the advice and consent of the Executive Council of New Zealand, doth hereby order and direct that the said claim of certain aboriginal natives to the piece of land aforesaid shall be reheard as and in the manner provided by "The Native Land Act, 1873;" and doth also order that such rehearing shall take place within twelve months from the said twelfth day of March, one thousand eight hundred and seventy-five.

FORSTER GORING,  
Clerk of the Executive Council.

*Purchase of Horses by the Indian Government.*

Colonial Secretary's Office,  
Wellington, 28th September, 1875.

THE following notification, received from the Government of India, in reference to the purchase of remounts for the Indian Army, is published for general information.

DANIEL POLLEN.

No. 125.

GOVERNMENT OF INDIA.

Military Department,  
Fort William, the 5th August, 1875.

To the Honorable the CHIEF SECRETARY, Victoria,  
Melbourne.

SIR,—I am directed to acknowledge you letter No. 949, dated 19th March, 1875, soliciting certain information on the subject of the supply of remounts for the army in India, and, in reply to the inquiries therein made, to convey to you, for the information of His Excellency the Governor, the following answers by the President, Special Stud Commission, which are accepted by the Government of India:—

*Questions.**Answers.*

- (a) Whether it is proposed to purchase mares as well as geldings. Mares as well as geldings—preference given to mares.
- (b) The regulation heights for horses purchased, and the heights preferred. Not less than 14 hands 3 inches, and up to 15 hands 3 inches in height—mean preferred.
- (c) The ages to which purchases will be restricted. Four-year olds—not over seven.
- (d) Whether broken as well as unbroken horses will be taken, and the difference of price between the two. Unbroken preferred, if not above five years old.
- (e) The weights which troop horses in India are required to carry. To carry about 18 stones for Horse Artillery and Medium Cavalry—17 to 18 stones for Hussars.
- (f) The distances which it is expected troop horses will be able to march in a week, carrying the weight referred to. The usual marches in India average 14 miles a day—forced marches double that, even in the height of a tropical summer with the thermometer at 120 degrees under canvas, and proportionately warm nights. The periods for which ordinary and forced marches may be kept up may be from a week to a month or more; but well-bred horses only will do this work, and only such should be sent for army purposes. Indeed, the Remount Agent will be directed to refuse any underbred horse.
- (g) Whether it is contemplated to purchase direct from the breeders in this country, and, if so, at what times, places, and prices. It is not contemplated to buy direct from the breeders; the latter would insure larger profit if they imported their own horses. The principle that obtains in Calcutta and other metropolitan markets in India, and sanctioned by the Government of India, is to buy suitable horses in those markets from the shippers and dealers.

Government does not intend to import themselves, as long as they can obtain horses of the above description in the manner described.

I am, &c.,

Offg. Secy. to the Govt. of India.
