By-laws and Regulations on certain of the New Zealand Railways.

NORMANBY, Governor.
ORDER IN COUNCIL.

At the Government House, at Wellington, this sixteenth day of November, 1876.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

IN pursuance of the power and authority vested in him by the one hundred and forty-fifth section of "The Public Works Act, 1876," and of all other powers and authorities in any wise enabling him, His Excellency the Governor of the Colony of New Zealand, by and with the advice and consent of the Executive Council thereof, doth hereby make the following By-laws and Regulations, and doth declare that the same shall come into force on the several railways specified in the Schedule hereto, from the day of the date hereof, and shall be in lieu of the By-laws and Regulations relating to the same subject at present in force on such railways respectively:—

BY-LAWS AND REGULATIONS.

Passenger Traffic.

1. In the interpretation of these Regulations, the term "General Manager" shall mean the person who shall be General Manager of the railway, in accordance with the provisions of "The Railways Regulation and Inspection Act, 1873." The word "railway" shall mean and include each of the lines of railway described in the Second Schedule hereto.

2. No person will be admitted to the booking office at any station whilst the door is closed for making up and despatching any train, and no passenger will be allowed to take his or her seat in or upon any carriage used on the railway, or to travel therein upon the railway, without first having paid his or her fare and obtained a ticket.

3. Any person wilfully altering or defacing his

ticket, so as to render the date, number, or any material portion thereof illegible, shall be liable to a penalty not exceeding ten pounds, and shall, in addition, be liable to pay the fare from the station whence the train originally started.

4. Tickets will be issued conditionally—that is to say, in case there shall be room in the train for all the passengers to whom tickets shall have been issued. If there shall not be room for all such passengers, the holders of periodical tickets shall have priority over holders of return and single tickets, and the fare will be returned, on application to the Station Clerk, to the holders of such return and single tickets as shall be unable to obtain seats.

5. If any person travel or attempt to travel in any carriage on the railway without having previously paid his fare, and with intent to evade payment thereof; or if any person, having paid his fare for a certain distance, knowingly and wilfully proceed in any such carriage beyond such distance without previously paying the additional fare for the additional distance, and with intent to evade payment thereof; or if any person knowingly and wilfully refuse or neglect, on arriving at the point to which he has paid his fare, to quit such carriage, every such person shall for every such offence be liable to a penalty not exceeding ten pounds.

6. If any person be discovered either in or after committing or attempting to commit such offence as in the preceding clause mentioned, all officers and servants and other persons on behalf of the General Manager, and all constables, gaolers, and peace officers, may lawfully apprehend and detain such person until he can be conveniently taken before some Justice, or until he be otherwise discharged by due course of law.

7. No return or periodical ticket will be available for special trains.

8. Every passenger, on arriving at the station for which he or she may have taken a ticket, or to or from which he or she may hold a periodical ticket, shall quit the station and premises of the railway; and no person shall be allowed to loiter about the stations, wharf, or premises, or any part thereof; and if any passenger or other person shall refuse to quit the station, wharf, or premises aforesaid, on being requested so to do by any Station Clerk or any servant attached to the railway or wharf, such passenger or person may be expelled by such Station Clerk or other servant as aforesaid from the railway premises.

9. No gunpowder or other explosive or dangerous material shall be carried by any passenger train.

10. Each passenger, on paying his fare, will be furnished with a ticket, which he is to show whenever required by any Station Clerk or authorized Porter, or by the Guard in charge of the train; and if it be a return ticket, he must allow it to be marked when required; and every ticket (whether single, return, or periodical) must be delivered up on the demand of any porter or servant authorized to collect tickets. Single tickets not used on the day of issue, or a return ticket not used within the prescribed time, shall be deemed to be cancelled. Any person offending against the provisions of this regulation shall be liable to a penalty not exceeding ten pounds.

11. Tickets are not transferable; and any person using or attempting to use a transferred ticket, or a ticket the time for the proper use of which has expired, shall be liable to a penalty not exceeding ten pounds.

12. Any person knowingly, and with intent to defraud, travelling upon the railway in a carriage of a superior class to that for which he is provided with a ticket, or altering a return or other ticket, shall be liable to a penalty not exceeding ten pounds.

13. Tickets, whether single or return, shall be used by passengers only to convey them to the station named thereon, or to a station short of that destination. In no case, however, shall any "cheap excursion" ticket be used for any other station than that for which such ticket is issued. Any person using or attempting to use a ticket in violation of the provisions of this section shall be liable to a penalty not exceeding ten pounds.

14. No person will be allowed to break his journey by stopping at any intermediate station, and thereafter proceeding by a subsequent train with the same ticket, under a penalty not exceeding ten pounds.

15. Any person, not duly authorized by the General Manager, who shall sell or offer for sale any free pass ticket or portion of a return ticket, shall be liable to a penalty not exceeding ten pounds.

16. No male passenger shall be allowed to enter any waiting-room or carriage set apart for the accommodation of females; and any person remaining in any such room or carriage after being warned to leave the same shall be liable to a penalty not exceeding ten pounds.

17. Any person entering a carriage or compartment of a carriage containing the full number of persons which it is constructed to convey, except with the consent of the persons in such carriage or compartment, and refusing to go out when requested by the Guard or other officer of the railway to do so, shall be liable to a penalty not exceeding two pounds.

18. Any person, not being a railway servant, who shall open any carriage for the purpose of entering the same after the tickets have been examined and the carriage doors locked by the person appointed for that purpose, or who shall let himself out of any carriage or truck, or attempt to do so, at any station or at any time during the journey, by the use of a private key or other instrument, shall be liable to a penalty not exceeding ten pounds.

19. No person shall, without the consent of the General Manager or other authorized officer, travel outside a carriage on any railway under any circumstances, or get into or upon or quit any railway carriage when the train is in motion; and any person doing so, or attempting to do so, shall be liable to a penalty not exceeding ten pounds.

20. Loaded firearms are on no account to be taken into or placed upon any carriage, wagon, truck, or other vehicle forming or intended to form a train, or any portion of a train, on the railway; and every person so offending shall be liable to a penalty not exceeding ten pounds.

21. Smoking is strictly prohibited in any of the railway sheds, offices, or waiting-rooms; and any person found so smoking shall be liable to a penalty not exceeding ten pounds.

22. Smoking is strictly prohibited in any railway carriage except those set apart for the purpose; and any person found smoking in a carriage not set apart for the purpose shall forfeit a penalty not exceeding ten pounds, and may be removed from the carriage by any railway servant.

23. Dogs will be conveyed and charged for according to printed conditions, but will not on any account be allowed to accompany passengers in the carriages. Any person persisting in taking a dog into a passenger carriage shall be liable to a penalty not exceeding ten pounds.

24. No gratuity shall be, under any circumstances, allowed to be received by a railway servant, on pain of dismissal. Any person giving or offering a gratuity to any such servant shall be liable to a penalty not exceeding ten pounds.

25. Any person writing any indecent words on any part of a railway, or the premises thereof, shall be liable to a penalty not exceeding ten pounds.

26. Any person making use of insulting or abusive language to any railway officer or servant while in the execution of his duty, or obstructing any such officer while in the execution of his duty, or making use of indecent or blasphemous language in any carriage or upon any railway platform or premises, shall be liable to a penalty not exceeding ten pounds.

27. If any person omit to shut and fasten any gate or slip panel set up at either side of the railway for the accommodation of the owners or occupiers of the adjoining lands, as soon as he and the carriage, cattle, or other animals under his care have passed through the same, he shall forfeit for every such offence any sum not exceeding ten pounds.

28. Any person throwing stones, gravel, timber, or any rubbish on a railway, or at any engine, carriage, or wagon thereon; or causing or allowing any animal to wander on a railway which is fenced on both sides; or doing any act which may obstruct the working of a railway, or may endanger the lives of persons travelling thereon; or driving or attempting to drive any vehicle or animal across a level crossing or elsewhere on a railway when an engine or any carriages or wagons on the railway are approaching and within a mile from such crossing; or moving any part of the rolling stock on any railway, or leaving the same on any part of a railway, not having lawful authority so to do; or attempting to do, or counselling or aiding any other person in doing, any of the things mentioned in this section, shall be liable to a penalty not exceeding fifty pounds, in addition to any penalty to which he may otherwise be liable for doing any of the said things.

29. If any person deface the writings on any boards, or any notices authorized to be maintained on a railway or any station thereof, or any rolling stock thereon, he shall forfeit for every such offence a sum not exceeding ten pounds, and an additional sum equal to the cost incurred in repairing any such damage.

30. Any person trespassing upon any part of a railway, not being a station platform or crossing, or other part to which the public are allowed access by law, shall be liable to a penalty not exceeding ten pounds.

31. The General Manager shall publish the short particulars of the several offences for which any penalty is imposed by these or any other by-laws of the railway, and of the amount of every such penalty, and shall cause such particulars to be painted on a board, or printed upon paper and pasted thereon, and shall cause such board to be hung up or affixed on some conspicuous part of the principal station of the railway; and, where any such penalties are of local application, shall cause such boards to be affixed in some conspicuous place in the immediate neighbourhood to which such penalties are applicable or have reference; and such particulars shall be renewed as often as the same or any part thereof is obliterated or destroyed.

32. 40. Neither Her Majesty the Queen nor the lessee of any railway will be accountable for any articles unless the same be signed for as received by some clerk or agent; nor will they, or any of them, be responsible for the loss of or damage to money in cash, or bills, or promissory notes, or securities for money, or jewellery, trinkets, rings, precious stones, bullion, gold and silver plate, clocks, watches, mirrors, marbles, lace, furs, silks, writings, title-deeds, prints, paintings, maps, or other valuables; nor for damage done to china, glass, musical instruments, furniture, toys, castings, or any other such hazardous or brittle articles, unless they shall have been declared as such, and a special agreement entered into for the same; nor for any loss or damage to any goods in their hands as carriers, or in their warehouse, or on their landing-places, arising from fire (except from their own engine or apparatus), the act of God, civil commotion, or foreign enemies; nor for the loss of or damage done to goods put into boxes or packages described as empties; nor for damage of any goods or packages insufficiently or improperly packed, or containing a variety of articles liable by breaking to damage each other or other articles; nor for leakage, nor for any loss or damage whatsoever by reason of accidental or unavoidable delays in transit or otherwise.
