NORMANBY, Governor.

ORDER IN COUNCIL.

At the Government House, at Wellington, this first day of February, 1877.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by the fourth section of "The Forest Trees Planting Encouragement Act, 1871,"

(hereinafter called "the said Act,") it is, among other things, enacted that the Governor in Council may from time to time make regulations for defining the number and description of trees to be planted on each acre, and the other terms and conditions to be fulfilled by persons claiming a free grant of land under the provisions of the said Act: And whereas by certain Proclamations made by the Governor the said Act was proclaimed and declared to be in operation in the then existing Provinces of Canterbury and Otago as and from the dates in the said Proclamations respectively mentioned: And whereas, by Orders in Council made under the said Act and "The Forest Trees Planting Encouragement Act Amendment Act, 1872," certain regulations have been made and prescribed to take effect in the said provinces: And whereas by the last-mentioned Act it is, among other things, enacted that the regulations which are authorized to be made under the fourth section of the said Act may be made to apply generally throughout the colony, and that the regulations aforesaid may be altered or revoked by the Governor in Council: And whereas, by a Proclamation bearing date the thirty-first of January, one thousand eight hundred and seventy-seven, the said Act was proclaimed and declared to be in operation in the remaining provincial districts of the colony as from the first day of February, one thousand eight hundred and seventy-seven: And whereas, for the purpose of giving effect to the firstly hereinbefore recited provision of the said Act, it is expedient to make uniform regulations to be in force in all the provincial districts, as hereinafter set forth:

Now, therefore, His Excellency the Governor of the Colony of New Zealand, in pursuance and exercise of the powers and authorities vested in him by the said Act, and of all other powers and authorities enabling him in that behalf, and by and with the advice and consent of the Executive Council of the said colony, doth hereby make the following Regulations for the several purposes in the said in part recited Act mentioned—such Regulations to take effect within the several provincial districts of the Colony of New Zealand as and from the said first day of February, one thousand eight hundred and seventy-seven:

And in further pursuance and exercise of the said powers and authorities, and by and with the like advice and consent as aforesaid, doth hereby revoke all regulations heretofore made under the said Act or any Act amending the same, and now in force in the Provincial Districts of Canterbury and Otago, such revocation to take effect from the said first day of February, one thousand eight hundred and seventy-seven: Provided that such revocation shall not affect the rights of any person who before the taking effect hereof shall have planted trees in accordance with the Regulations hereby revoked.

Regulations under "The Forest Trees Planting Encouragement Act, 1871," and "The Forest Trees Planting Encouragement Act Amendment Act, 1872."

1. The planting in respect of which a grant of land under the Act is claimed need not be in one block, but may be in several blocks on the same property.

2. The land planted must be securely fenced, and must have been devoted to planting for at least two years.

3. The trees must be in a vigorous and healthy state when the grant of land is applied for.

4. The trees may be of any description, and the number planted must be at the rate of not less than five hundred per acre.

5. The trees must be of an average height of two

feet, except in the case of gum, wattle, poplar, or willow, which must be of an average height of four feet.

6. As soon as the land is fenced and the trees planted, a report must be sent to the Commissioner for Crown Lands for the provincial district in which the lands are situate, who will cause inspection of the same to be made, from the date of which, if duly certified, the two years will be calculated.

7. The amount of the land order to be issued under authority of section four of "The Forest Trees Planting Encouragement Act Amendment Act, 1872," in respect of every acre of land planted, shall be four pounds.

8. The fulfilment of the conditions above prescribed shall be ascertained and shall be certified in the form annexed by an officer appointed by the Governor, who shall forward the same to the Secretary for Crown Lands. Upon the receipt of such certificate, the Governor may either issue his own certificate to the Waste Lands Board, or he may, if he think fit, cause further inquiry to be made into the facts of the case.

9. No person shall be entitled to receive a land order under "The Forest Trees Planting Encouragement Act Amendment Act, 1872," unless he shall, at the time he makes a claim therefor, produce to and deposit with the Commissioner of Crown Lands for the provincial district in which the lands are situate a plan of the land planted with trees in respect of which he claims such land order, showing the marks or numbers by which such land is known on the record maps in the Crown Lands Office of the land district. The applicant shall also produce and leave with such officer a statutory declaration made by him, that to the best of his belief the boundaries and dimensions of such land are correctly delineated on such plan, and that no land order has been previously granted to any person in respect of the planting the land described in such plan with trees.

I, A.B., do hereby certify, after personal inspections of plantation made by C.D., that _____ acres of land have been planted by him, in accordance with the statements contained in the application of _____, 187____; that the conditions imposed under the Regulations issued under "The Forest Trees Planting Encouragement Act, 1871," have been faithfully complied with; and that he is entitled, under the provisions of the said Act, to receive a land order to the amount of _____ pounds.
