Manawatu Land Orders.

NOTICE is hereby given that on the 30th day of November, 1877, an Act was passed by the General Assembly of New Zealand, intituled "An Act to provide for the satisfaction of certain Land Orders issued by the New Zealand Company, and theretofore exercised in the Manawatu or Horowhenua Districts, within the aforesaid Company's settlement at Wellington."

The attention of every person claiming under such land orders as aforesaid is drawn to the provisions of the said Act next following, that is to say,—

Every person claiming land within the Provincial District of Wellington under any land order originally issued by the New Zealand Company, and which has been exercised in the Manawatu or Horowhenua Districts, must within twelve months from the 30th November, 1877, if he be a resident in the colony, and within two years from such date if he be resident elsewhere, give notice in writing, by himself or his agent, to the Commissioner appointed for the District of Wellington, under the Ordinance of the Legislative Council of the Islands of New Zealand, Session XI., No. 15, for the hearing and decision of his claim under the provisions of the said Act; and, at the time of making his application for the satisfaction of his claim, must lodge with the Commissioner the original land order under which he claims to be entitled to select any section of land, unless such land order shall previously have been lodged with the Commissioner. No claim can be heard and determined until such original land order is lodged, or proof of the loss given to the satisfaction of the Commissioner.

The Commissioner will report to the Governor the name of the person found to be entitled to land under any particular land order, the particular number thereof, the fact of such land order having been lodged with him or of his having received satisfactory proof of the loss thereof, and the amount in value stated in such land order: such report is to be considered and approved by the Governor in Council and forthwith published in the *New Zealand Gazette*, with the date of the approval attached thereto. Notification of the Governor's approval is a sufficient warrant to the Commissioner to issue, to the persons named in such approved report as being entitled to land, scrip for the amount of money originally paid

for the land order under which any such persons have been found to be entitled, together with compensation to the amount of one pound for every one pound sterling represented by such land order added thereto; so that every person found entitled shall receive two pounds in value for every twenty shillings in value to which he shall have been found entitled, except in cases of lost land orders, in which case proceedings must be taken under "The Lost Land Orders Act, 1861."

No scrip can be delivered by the Commissioner until the land order in satisfaction of which such scrip is issued has been cancelled by him.

Upon the receipt of scrip all the right, title, interest, claim, and demand of the person to whom the same is issued, and of all other persons whatsoever, to the land in respect of which scrip shall have been issued, is extinguished. And the issue of such scrip is, both at law and in equity, a full and complete performance by the Crown, on behalf of the New Zealand Company, of the contract or obligation of the Company in respect of which such scrip shall have been issued.

All such scrip to be issued under the authority of the said Act is transferable, and is receivable as cash by the Receiver of Land Revenue in or towards the purchase of waste lands of the Crown in any part of the Provincial District of Wellington, but not elsewhere, and must be exercised within five years from the date of its issue. Claims for the exercise of scrip not made within such period of five years are barred.

The Commissioner cannot entertain or investigate any claims in which the claimant shall not have notified his intention to have his claim heard and decided under the provisions of the said Act, within the time limited for making such application. All claimants failing to avail themselves of the provisions of the said Act are barred, and their claim extinguished by reason of such default.

Claimants not resident within the Colony of New Zealand should forthwith appoint a duly authorized agent to do and perform whatever may be requisite to obtain the benefit of the said Act.

Dated at Wellington, this fourth day of January, 1878.

DAVID LEWIS,
A Commissioner for the purposes of the
above-referred-to Act.
