WHEREAS by "The Counties Act, 1876" (herein referred to as "the said Act"), it is, amongst other things, enacted that, in all cases in which no provision, or no sufficient provision, is, in the opinion of the Governor, made by the said Act, it shall be lawful for the Governor from time to time, for the purpose of facilitating or more effectually carrying into execution any of the objects of the said Act, to make and prescribe all such regulations and orders,

either general or applicable to particular cases only, as he shall think fit, and such regulations and orders from time to time to revoke or alter as to the Governor shall appear to be requisite:

And whereas, in my opinion, no provision or no sufficient provision is made by the said Act for the following matters and things, that is to say,—

- (1.) For the preparation of an electors' roll for the purposes of elections occurring in any county before a roll is made up in accordance with the Third Part of the said Act;
- (2.) For the preparation and revision of such rolls, where the number or boundaries of ridings have been in any manner altered; or
- (3.) Where any portion of the county has been incorporated in a borough, or where a borough or any part thereof has become united with a county;
- (4.) For correcting errors in describing the boundaries of any riding:

And whereas it is expedient to make general regulations and orders applicable to the said cases:

Now, therefore, I, George Augustus Constantine, Marquis of Normanby, the Governor of the Colony of New Zealand, in exercise and pursuance of the powers and authorities vested in me by "The Counties Act, 1876," and for the purposes hereinbefore mentioned, do hereby make the following regulations, and do order as follows, that is to say,—

1. Whenever it shall be necessary to prepare an electors' roll for the purposes of elections occurring in any county in which the said Act is in operation, and before any roll has been formed in such county, the Clerk of the County Council (herein referred to as "the Clerk") shall, on or before such day as the Council may appoint, do and perform all things directed by the forty-second section of the said Act.

2. The forty-fifth section of the said Act shall apply to the roll prepared hereunder.

3. The persons appointed by the Council, as provided by section forty-three of the said Act, shall do and perform all things mentioned in that section, on or before the day appointed by the Council as hereinbefore provided.

4. A copy of the rolls for the several ridings shall be kept and public notice given, and such rolls shall be open to public inspection, as directed by the forty-sixth section of the said Act, between such days as the Council may appoint; and persons aggrieved may do all things directed by the forty-seventh section on or before such day as may be appointed as aforesaid.

5. The Resident Magistrate of the Resident Magistrate's Court in the riding, or if there is no such Court, or more than one in the riding, the Resident Magistrate of the Resident Magistrate's Court appointed by the Governor, pursuant to section forty-seven of the said Act, shall by public notice appoint a time and place, on or after a day to be fixed by the County Council, at which to hear applications as directed by the forty-eighth section of the said Act; and all things may be done and performed thereat which might be done at a sitting held in accordance with the said forty-eighth section.

6. The Resident Magistrate may adjourn such Court from time to time, but such Court shall not sit on any day later than one month from the date on or before which the Clerk shall have prepared rolls under the first of these regulations.

7. The said roll so corrected shall be signed by the Clerk, and shall come into force on the day fixed for a general election of the Council and not previously, and shall be the electors' roll for the several ridings in force until a fresh roll is made, as by the said Act provided.

8. Whenever, by reason of any alteration in the number of the ridings in a county in which the said Act is in operation, it shall be necessary to prepare new rolls before a general election of the Council, the following provisions shall have effect:—

- (1.) Upon such alteration taking effect, the Clerk shall, as soon as conveniently may be, make up from the electors' roll or rolls in force a new roll for such new or altered ridings, and shall place on the roll of each such riding the name of each voter who appears from the existing electors' rolls to be entitled to vote in such new or altered riding, and shall assign to each the number of votes to which he is entitled.
- (2.) Such new rolls, when corrected by the Council and signed by the Chairman and any two Councillors, shall be the electors' rolls for such new ridings until new rolls are made up in accordance with the said Act.
- (3.) The new rolls so formed shall come into force on the day fixed for a general election of the Council, and not previously.

9. Where a borough has been dissolved and included within a county under any law authorizing the same, a new electors' roll shall be made up, as soon as conveniently may be, by adding thereto the names of all persons who at the time of such dissolution were entitled to vote in the borough.

10. Such names shall be inserted upon the roll of the riding or ridings of which the former borough then forms part, and shall be added thereto by the Clerk, who shall place on such roll or rolls the names of each person who was entitled to vote in the borough according to the burgess roll in force at the time of such dissolution, and shall assign to each the number of votes to which he was entitled under such last-mentioned roll.

11. Where any portion of a county is added to a borough, then the existing roll or rolls in force in any riding or ridings affected thereby shall be altered, as soon as conveniently may be, by the Clerk omitting therefrom the names of all persons who appear in the existing electors' rolls to be entitled to vote in the portion so added to the borough.

12. When a new roll or rolls shall have been made under the Regulations 9, 10, and 11, the same, when corrected by the Council, and signed by the Chairman and any two Councillors, shall be the electors' rolls in the riding or ridings to which they relate until new rolls are made up in accordance with the said Act. The rolls made under the said regulations shall come into force when corrected and signed as aforesaid.

13. For the purposes of these regulations the term "borough" means any borough constituted under "The Municipal Corporations Act, 1876," and includes any Municipal Corporation constituted under any other Act or Ordinance.

14. Any copy of an electors' roll made or altered under these regulations, signed by the Clerk, shall be evidence that the said roll has been duly made under the provisions of the said Act, unless the contrary is proved; and no defect in the title to office of any person making or signing such roll shall invalidate such roll.

15. In any case where the Governor shall be satisfied that by inadvertence any error has occurred in describing the boundaries of a riding, whether such error has occurred prior to the making of these regulations or subsequent thereto, or that any omission has been made in such description, the Governor may cause such error to be rectified by a notification in the *New Zealand Gazette* and in at least one news-
