Australian International Exhibition.

Colonial Secretary's Office,
Wellington, 20th January, 1879.

DEFERRING to the notice published in the *New Zealand Gazette* No. 36, of the 26th of April, 1878, relative to the Australian International Exhibition to be held in Sydney, New South Wales, in August, 1879, it is hereby further notified that the Government of New Zealand will be prepared to receive and to forward to Sydney any articles for exhibition which may be prepared by persons resident in this colony.

A Royal Commission will be appointed immediately, who will prepare and publish regulations under which they will receive exhibits for transmission.

As articles for exhibition should be shipped from Wellington not later than June next, persons wishing to exhibit are invited to communicate with Dr. Hector, the Chairman of the Royal Commission, without delay.

All expenses of transmitting and exhibiting approved articles will be defrayed by the Government; but, as experience has proved that in exhibitions of this kind the best effect is produced by a few well-displayed objects of considerable size, and as the space allowed to the colony for exhibition will be limited, a careful selection will have to be made, so that the representation may be complete.

The Collectors of Customs at the various ports have been instructed to receive exhibits, and to forward them to the Chairman of the Exhibition Commission at Wellington, by whom they will be collected and transmitted to Sydney; but no exhibits can be received later than the 30th June, 1879.

After the Exhibition is closed, the exhibits will be either returned to exhibitors free of expense, or sold or otherwise disposed of in Sydney, at the desire of the exhibitors; but the Government undertakes no responsibility for loss or damage, either in transit or during exhibition, or in regard to the price to be realized if sold, nor will they guarantee the safe remittance of the money.

NOTICE TO MARINERS.

No. 13 of 1879.

Marine Department,
Wellington, 21st March, 1879.

THE following Notice to Mariners, received from the Portmaster, Brisbane, is published for general information.

J. BALLANCE.

SOUTH ENTRANCE TO MORETON BAY.

WITH the leading beacons in line, there is now not more than 11 feet at low-water springs on the bar at the South Entrance.

With the beacons open to the northward about five times their own width, the bar may be crossed with 15 feet at low water, but, immediately the outer ridge is crossed, a vessel entering should—to clear a spit

extending off the north bank—haul up to the south-westward for the northern shoulder of the high land near Amity Point, until the beacons are not more than one width apart. A course may then be steered up the channel, gradually opening the beacons to the southward as the north break is neared.

On the southern portion of the spit referred to there is not more than 11 feet at low water.

As the channel has begun to change, probably further alterations will take place, necessitating due caution before taking the bar.

2. There shall be a Standing Committee, to consist of five members, to be called the "Local Bills Committee," to which shall stand referred, after their first reading, all Bills which may appear to the Speaker to come within the description given in the preceding Order. (L.S.) HERCULES ROBINSON,
 Administrator of the Government.

A PROCLAMATION.

WHEREAS by the seventeenth section of "The Waste Lands Administration Act, 1876," it is enacted that, whenever the Governor is satisfied that any lands purchased out of the sums authorized under "The Immigration and Public Works Act, 1870," and any Act amending the same, to be issued and expended in the purchase of lands in the North Island of New Zealand, are free from Native claims and all difficulties in connection therewith, he shall, by Proclamation, declare such lands to be waste lands of the Crown, subject, except as thereafter in the said Act provided, to be sold and dealt with according to the provisions of the laws regulating the sale and disposal of waste lands of the Crown for the time being in force in the land district in which such land is situated; and thereupon such land so proclaimed shall become subject to such provisions:

And whereas the lands described in the Schedule hereto have been purchased out of the sums authorized under "The Immigration and Public Works Act, 1870," and Acts amending the same, and it is expedient that the said lands should be declared to be waste lands of the Crown:

Now, therefore, I, Sir Hercules George Robert Robinson, the Administrator of the Government of the Colony of New Zealand, being satisfied that the lands described in the Schedule hereto are free from Native claims and all difficulties in connection therewith, in pursuance and exercise of the power and authority vested in me by "The Waste Lands Administration Act, 1876," do hereby proclaim and declare the said lands to be waste lands of the Crown, subject to be sold and dealt with according to the provisions of the laws regulating the sale and disposal of waste lands of the Crown in force in the Land District of Auckland.
