SUPPLEMENT

TO THE

NEW ZEALAND GAZETTE

OF THURSDAY, JUNE 26, 1879.

Published by Authority.

WELLINGTON, WEDNESDAY, JULY 2, 1879.

Teachers holding Certificates or Licenses under "The Education Act, 1877."

Education Department,
Wellington, 30th June, 1879.

IN accordance with section sixteen of an Order in Council, under "The Education Act, 1877," dated the 24th September, 1878, the following list of teachers entitled to hold certificates or licenses to teach, under the provisions of the said Order in Council, is published. The status here assigned to each teacher is that which is due at this date, after taking into account additional service or higher marks given by an Inspector since the teacher received the first notice of classification. The certificates will be sent to the teachers in the course of a few weeks, and in future years the annual lists will set forth the reason of any promotion by which those certificates may be affected. An asterisk denotes that a certificate is provisional, or that the issue of the certificate is deferred. Teachers who have been offered classification and refused it, or not signified their intention to accept it, are not included in the list. Some teachers who have proved their claims to certificates are not yet classified, because their status cannot be defined until Inspectors' marks have been assigned, as required by the Order in Council.
