NOTICE TO MARINERS.

No. 30 of 1879.

Marine Department,
Wellington, 23rd June, 1879.

THE following Notices to Mariners, received from the Portmaster at Brisbane, are published for general information.

G. GREY.

SHIP CHANNEL, MORETON BAY.

IN furtherance of a Notice to Mariners published on the 3rd instant, reporting changes in the Ship Channel, the following information is now given:—

The present position of B Buoy is W. by S. $\frac{1}{2}$ S., 4 cables from that given on the chart of Moreton Bay, 1670a.

N. $\frac{1}{2}$ E., 2 $\frac{1}{2}$ cables from the present position of the buoy, on a ridge running E.S.E. and W.N.W., and extending west-north-westerly across the channel, there is not more than 16 feet at low-water springs.

Also E. $\frac{1}{4}$ S., 5 cables from the buoy, on another ridge lying south-easterly and north-westerly, there is only 15 feet at low water.

Between B Buoy and the shoal edge of the East Banks there is not more than 18 feet at low water.

Vessels entering by this channel must now keep the northern edge of the East Banks on board, and pass to the northwards of B Buoy at a distance not exceeding $\frac{1}{2}$ a cable. By following this course a vessel may carry 20 feet at low water, but, from the radical changes now going on, these directions cannot be depended upon for any time. Any further alterations will be duly notified.

B Buoy, when relaid about two months since, was in 4 $\frac{1}{2}$ fathoms; at this spot there is now only 19 feet at low water.

G. P. HEATH, Commander, R.N.,
Portmaster.

Department of Ports and Harbours,

MIDDLE AND NORTH, OR HOWE CHANNELS, MORETON BAY.

Legislative Council,
1st February, 1879.

IN accordance with a resolution of the Legislative Council, the following Standing Orders relative to Local Bills are published for general information.

L. STOWE,
Clerk of the Legislative Council.

STANDING ORDERS OF THE LEGISLATIVE COUNCIL
RELATIVE TO LOCAL BILLS.

1. Local Bills are those which not being such as require to be introduced as Private Bills, are yet Bills specially affecting local interests and dealing with private rights, or with public reserves for local and municipal purposes; also Bills altering the constitution, election, or powers of local public bodies.

2. There shall be a Standing Committee, to consist of five members, to be called the "Local Bills Committee," to which shall stand referred, after their first reading, all Bills which may appear to the Speaker to come within the description given in the preceding Order. Such Committee shall, in the case of every Bill referred to it, decide whether the same

comes within the definition of a Local Bill; and, if so, whether the conditions laid down in Orders 3, 4, and 5 have been complied with.

3. No Local Bill shall be introduced into the Legislative Council by any member later than two months after the commencement of the session.

4. The member in charge of a Local Bill shall produce to the Local Bills Committee satisfactory evidence that the intention to introduce the Bill and the purport of the same has been made public in the locality whose interests are affected, by advertisement in a local newspaper, at least four times in four successive weeks. When the Bill specially affects the interests of any private individual, evidence shall also be produced that personal notice to the effect above stated has been given to such individual.

5. When a Local Bill refers to an exchange of or other dealing with any Crown lands, or with a public reserve, the member in charge thereof shall also produce a certified map, on a scale of not less than 20 chains to an inch, showing the land or reserve in question, and the mode in which it is proposed to deal with the same. When any Schedule containing a description of any land is attached to such Bill, it shall be accompanied by a certificate of its correctness from an officer of the Survey Department or other duly-authorized surveyor.

NOTICE is hereby given that application is intended to be made at the next session of the General Assembly of New Zealand, by a petition, for leave to bring in a Bill for declaring the purposes for which certain lands are held in trust by the Church Property Trustees within the Diocese of Christchurch, and for the better defining the trusts thereof, and for the conveyance to and vesting in the Church Property Trustees of certain other lands, and for the better regulation and management of all lands now or hereafter to be vested in the said Trustees.

Copies of the Bill will be deposited in the Private Bill Office on or before the commencement of the session.

It is intended to define the trusts upon which certain lands now vested in the Church Property Trustees, constituted a corporation with perpetual succession under that name by an Ordinance of the Superintendent and Provincial Council of the late Province of Canterbury, No. 3, of the second session of the said Council, intituled "The Church Property Trust Ordinance, Session II., No. 3," are held, being the lands commonly known as the Bishopric Estate and the Dean and Chapter Estate, and to apply for powers for the disposal of the income and revenues thereof.

Also that certain lands vested in the late George Augustus, Bishop of New Zealand, as a corporation sole, shall vest in the Church Property Trustees, subject to the trusts thereof.

Also that certain lands within the Diocese of Christchurch, held by the Trustees appointed by the Synod of the said diocese under the authority of "The Religious, Charitable, and Educational Act 1856 Amendment Act, 1865," may be conveyed to

the Church Property Trustees, subject to the trusts thereof.

Also to give power to the Church Property Trustees to deal with all lands now or hereafter to be vested in them as sites for cemeteries.
