Part II.—Sheep Reports for Year ended 31st December, 1878.

NOTICE No. 19.

Colonial Secretary's Office,  
Wellington, 10th December, 1879.

THE following reports from the Inspectors of Sheep for the Sheep Districts of Wellington (part) and Nelson, for the year 1878, are published for general information.

JOHN HALL.

Sheep Inspector's Office, Masterton.

SIR,—I have the honor to forward the annual report on the state of the sheep in the North Wairarapa Subdivision of Wellington District, for the year ending 31st December, 1878. The number of sheep on which the assessment has been paid is 278,294, being an increase of 27,780 over 1877. The assessment paid amounts to £579 15s. 7d. I very much regret to have to state that scab still exists in several flocks in my subdivision, although to only a slight extent; but I trust, through the increased exertions of the owners, and the operation of "The Sheep Act, 1878," the subdivision will be declared clean next report.

I have, &c.,

JOHN DRUMMOND,  
Inspector of Sheep, Wairarapa North.

The Hon. the Colonial Secretary.

RETURN of SHEEP in the North Wairarapa Subdivision of Wellington District over Six Months old, for the Year ended 31st December, 1878.
