In the matter of an intended Bill to incorporate the Members of the Wellington Racing Club, and to be intituled "The Wellington Racing Club Act, 1880."

NOTICE is hereby given that the members of the Wellington Racing Club intend to present a petition to the General Assembly of New Zealand, at its next ensuing session, for leave to introduce a Bill to be intituled "The Wellington Racing Club Act, 1880," to effect the following objects:—

1. To repeal an Act of the Provincial Council of the Province of Wellington, Session IV., No. 7, intituled "An Act to provide for the Management of a Public Racecourse in the Hutt District," and an Act of the same Council, Session XIV., No. 1, intituled "The Hutt Park and Racecourse Act, 1866."

2. To incorporate by the name of "The Wellington Racing Club" the members of an association known by that name, and to empower the proposed incorporated association to make, revoke, and vary by-laws for the government thereof, and of the members, property, affairs, and concerns thereof; and to provide who shall be the first committee of management of the proposed incorporated association.

3. To vest in the proposed incorporated association the lands described in the Schedule hereto, and all other real and personal estate (if any) now vested in a certain body now called "The Hutt Park and Race-

course Board," and to authorize persons holding any real or personal estate in trust for or for the benefit of the said Board to transfer the same to the proposed incorporated association. To hold such lands and real and personal estate, subject to all mortgages, leases, and contracts affecting the same, upon trust, to maintain a public racecourse at the Hutt.

4. To dissolve the said Hutt Park and Racecourse Board, and to transfer the obligations, debts, and liabilities of that body to the proposed incorporated association, with power to enforce such obligations, debts, and liabilities against the proposed incorporated association as fully and effectually as they could be enforced against the Hutt Park and Racecourse Board, and to exonerate and discharge the latter body and the trustees and officers thereof from such obligations, debts, and liabilities.

5. To provide for the disallowance and repeal of by-laws of the proposed incorporated association by the Governor in Council.

6. To provide for offences against the by-laws of the proposed incorporated association by the imposition of penalties not exceeding £5, and to provide against wilful obstructions to the officers, servants, or agents of the proposed incorporated association, or the committee thereof, in the execution of their duty on the lands of the proposed incorporated association, or upon or in any building or premises connected therewith against wilful trespass on such land, buildings, or premises, or wilful removal or injury to any building, enclosure, post, tree, or shrub, on such lands, by the imposition of a penalty not exceeding £10.

7. To provide for the summary detention and handing over to a police officer of any offender against the provisions of the proposed Bill or by-laws of the proposed incorporated association who shall refuse to give his name and residence when required, and that the liability to a penalty under the provisions of the proposed Bill or by-laws shall not relieve from other liabilities.

8. To authorize the proposed incorporated association, subject to certain limitations and restrictions, to mortgage, lease, sell, or exchange the lands described in the Schedule hereto, or any other real or personal estate acquired by gift, purchase, or otherwise, by the proposed incorporated association, and the manner in which the mortgage and sale moneys shall be applied.

9. To provide for the application of the rents, profits, and annual income of the proposed incorporated association, and to provide generally for the government and management, of the proposed incorporated association, and the members, property, affairs, and concerns thereof.
