Despatches.—Allocation of one Cadetship at Royal Military College to each Colonial University—“Territorial Waters Jurisdiction Act, 1878.”

Colonial Secretary's Office,
Wellington, 22nd April, 1880.

THE following despatches (two) from Her Majesty's Principal Secretary of State for the Colonies are published for general information.

JOHN HALL,

(in absence of the Colonial Secretary.)

(No. 11.)

Downing Street,
25th February, 1880.

SIR,—I have the honor to transmit to you, for the information of your Government, a copy of a letter,

with its enclosures, from the War Office, stating that, after consultation with His Royal Highness the Field Marshal Commanding in Chief, Colonel Stanley has consented to allow the allocation of one cadetship per annum at the Royal Military College to students of each of the colonial Universities to which a charter by letters patent has been granted, the nomination to be made in the manner specified.

I have, &c.,

M. E. HICKS BEACH.

Governor Sir Hercules Robinson, G.C.M.G.

The War Office to the Colonial Office.

War Office, 11th February, 1880.

SIR,—I am directed by the Secretary of State for War to acquaint you that he has had under his consideration your letter of the 29th October last, with its accompanying copies of despatches from the Governors of Victoria and Tasmania, suggesting that additional facilities should be conceded, with a view of enabling the sons of colonists in Australia to become candidates for commissions in Her Majesty's service.

In reply, I am to acquaint you, for the information of the Secretary of State for the Colonies, that, having conferred with His Royal Highness the Field Marshal Commanding in Chief, Colonel Stanley has no objection to the allocation of one cadetship per annum at the Royal Military College to students of each of the colonial Universities to which a charter by letters patent has been granted; and he is of opinion that it should be left to each University to make the nomination, after testing the candidates in such a manner as may seem to be the most satisfactory.

I am to enclose a copy of the regulations respecting the admission of candidates to the Royal Military College, by which Sir Michael Hicks Beach will learn the subjects of study in that establishment, upon a successful examination in which the ultimate reward of a commission is dependent.

I have, &c.,

RALPH THOMPSON.

The Under Secretary of State,
Colonial Office.

REGULATIONS RESPECTING EXAMINATIONS FOR ADMISSION TO THE ROYAL MILITARY COLLEGE AND FOR FIRST APPOINTMENTS THEREFROM TO THE ARMY.

(These regulations will come into force on 1st December, 1876.)

I. OBJECT OF THE ROYAL MILITARY COLLEGE.

1. The Royal Military College is maintained for the purpose of affording a special military education to candidates for commissions in the cavalry and infantry.

2. Candidates for first appointments to the army will, with the exception of lieutenants of militia and non-commissioned officers recommended for promotion, be required in future to pass through a course of instruction as cadets at the Royal Military College.

*II. REGULATIONS FOR ADMISSION.**1. General Instructions.*

3. Admission to the Royal Military College as cadets will be granted—

(a.) To a successful candidate at a competitive examination in general subjects, to be held under such regulations as may be issued from time to time;

(b.) To a graduate in Arts at the Universities of Oxford, Cambridge, Durham, London, Dublin, Edinburgh, St. Andrew's, Glasgow, Aberdeen, and the Queen's University, Ireland, or to a student who has passed "Moderations" at Oxford, the "previous

examination" at Cambridge, the "final examination of the senior freshman year" at Dublin, "the first year's examination" at Durham, "the first University examination in arts or in engineering" at Queen's University, Ireland, the "examination for candidates for the army" at Scotch Universities, and the "first examination" for the degrees of B.A., LL.B., B. Sc., or M.B., at London University; subject in each case to the competitive examination prescribed by paragraph 22:

(c.) To cadets styled "Queen's cadets," "honorary Queen's cadets," "Indian cadets," and to pages of honor.

4. The number of cadets admitted to the College will vary according to the requirements of the service.

5. The dates of admission will be the 10th February and the 1st September in each year.

6. The examinations of candidates for admission to the Royal Military College as cadets will be conducted by the Civil Service Commissioners, and will take place twice a year, in the months of December and July.

7. Notice will be given from time to time of the day and place of the examinations, and of the number of vacancies open to competition at each periodical examination.

8. The number of trials allowed will not exceed two in the case of University candidates, and three in that of other candidates.

9. All candidates will be inspected by a Medical Board, and no candidate will be considered eligible for a commission unless certified by the Board to be free from any bodily defects or ailments, and in all respects, as to height and physical qualities, fit for Her Majesty's service. Cases of exceptional shortness of stature will be referred to the War Office for special consideration.

10. The limits of age for candidates for admission to the Royal Military College by competition for Queen's cadets, Queen's honorary cadets, Indian cadets, and pages of honor, will be from seventeen to twenty; for students of the Universities, who shall have passed the interim examination as specified in paragraph 3 (b), from seventeen to twenty-one; and for graduates of the Universities, who shall have passed the examination for the degree of B.A. or M.A., from seventeen to twenty-two.

11. Competitors who desire to obtain commissions in West India regiments may be admitted up to the age of twenty-four. This extension of the limit of age will not apply to University candidates.

12. Candidates must be within the prescribed limits of age on the following dates:—

Candidates for admission by competition, Queen's cadets, Queen's honorary cadets, Indian cadets, and pages of honor, on the 1st January next following the winter examination, and on the 1st July for the midsummer examination.

Graduates and students from the Universities, as specified in paragraph 21.

2. Examination of Candidates for Admission by open Competition.

13. A candidate for admission by competition at the December or July examination must send to the Military Secretary, not later than the 15th October or the 15th May respectively, an application to be examined, accompanied by the following papers:—

(a.) An extract from the register of his birth; or, in default, a declaration, made by one of his parents or guardians before a magistrate, giving his exact age:

(b.) A certificate of good moral character, signed by the tutors or heads of the schools or colleges at which he has received his education from his twelfth

year to the date of application, or some other satisfactory proof of good moral character.

14. When a candidate who has once been examined applies to be examined again, he will only be required to forward a certificate as to his moral character for the interval between the two examinations.

15. A candidate will be required to satisfy the Civil Service Commissioners in the following subjects:—

(1.) Mathematics, viz., (a) arithmetic, including vulgar and decimal fractions, proportion, and simple interest; (b) geometry, not beyond the standard of the first book of Euclid:

(2.) French, German, or some other modern language; the examination being limited to a translation from the language, and grammatical questions:

(3.) Writing English correctly, and in a good legible hand, from dictation:

(4.) The elements of geometrical drawing; including the construction of scales, and the use of simple mathematical instruments:

(5.) Geography.

16. No marks will be allotted for the above preliminary examination, excepting for geometrical drawing, the maximum number for which will be 300. The preliminary examination will be dispensed with in the case of candidates who have passed it at previous examinations, but they may again take up geometrical drawing if they wish to obtain marks in that subject.

17. The "further examination" will be proceeded with immediately on the conclusion of the "preliminary examination." Candidates who fail in the preliminary examination will be informed of their failure as soon as possible, and they will then be released from further attendance.

18. The subjects of the further examination, and the maximum number of marks obtainable for each subject, will be as follow:—

	Marks.
(1.) Mathematics, viz., algebra, up to and including quadratic equations; the theory and use of logarithms; geometry; plane trigonometry; and mensuration	3,000
(2.) English composition, tested by the power of writing an essay, letter, or précis; English literature, limited to specified authors; and English history, limited to certain fixed periods: the authors and periods being notified beforehand	3,000
(3.) Latin	3,000
(4.) Greek	2,000
(5.) French; the examination to be partly colloquial	2,000
(6.) German; the examination to be partly colloquial	2,000
* (7.) Experimental sciences, viz., (a) chemistry and heat; or (b) electricity and magnetism	2,000
(8.) General and physical geography, and geology	2,000
(9.) Drawing, free-hand	1,000

Of these nine subjects candidates will not be allowed to take up more than four nor less than two, exclusive of drawing.

19. In order to secure a proper proficiency in all the subjects taken up by a candidate, a certain number will be deducted from the marks gained by the candidate in each subject.

20. The following will be the mode of selecting the successful candidates at the opening competitive examination. After the proper deduction (in accord-

* Subjects (a) and (b) are alternative; a candidate will not be allowed to take up both.

ance with paragraph 19) has been made from the number of marks gained by each candidate in the several subjects in which he has been examined, the remainders will be summed up, and the marks gained by the candidate in geometrical drawing at the preliminary examination will be added thereto. The resulting total will determine the place of the candidate in the competitive list; the successful candidates being those who stand at the head of the list up to the number of cadetships competed for.

3. *Examination of University Candidates.*

21. A graduate or student of one of the Universities specified in paragraph 3, who, having obtained his University qualification while within the maximum limit of age specified in paragraph 10, is desirous of becoming a candidate for a cadetship at the Royal Military College, must send an application to the Military Secretary in the month of May or October, with a view to his appointment under the provisions of paragraph 22; but no such application can be admitted before the candidate has actually attained the age of seventeen, nor later than the 31st May or 31st October next following the date of his attaining the maximum limits of age prescribed for graduates and students respectively in paragraph 10. The application must be accompanied by papers (a) and (b), described in paragraph 13, and by a certificate from the proper authority that he has taken his degree in Arts, or has passed the University examination specified in paragraph 3 (b).

22. Notice will be given from time to time of the number of cadetships which will be allotted half-yearly to University candidates. In case there should be more candidates than vacancies, the required number will be selected by competition among the said candidates at the ensuing July or December examination, but without a preliminary examination, except in geometrical drawing, which is obligatory. University candidates who may have been unsuccessful at their first examination will be allowed a second opportunity of competing, provided that "students" shall not have exceeded their twenty-second year, and that "graduates" shall not have exceeded their twenty-third year at the time of such second examination. These limits of age will be ruled by the 1st July for the summer, and by the 1st January for the winter examinations.

4. *Examination of Queen's and Indian Cadets and Pages of Honor.*

23. Queen's cadets are sons of officers of the army, Royal navy, and Royal marines who have fallen in action, or died of wounds received in action, or of disease contracted on service abroad, and who have left their families in reduced circumstances. They are appointed by the Secretary of State on the recommendation of the Commander-in-Chief or First Lord of the Admiralty.

24. Honorary Queen's cadets are sons of officers of the army, Royal navy, and Royal marines who were killed in action, or who had died of wounds received in action within six months of such wounds having been received, or of illness brought on by fatigue, privation, or exposure incident to active operations in the field before an enemy, within six months after their having been first certified to be ill. (See article 5 of the Royal Warrant of 27th November, 1873, clause 151, Army Circulars, 1873.)

25. Applications for Queen's cadetships and honorary Queen's cadetships should be addressed to the Military Secretary if the candidate is the son of an officer of the army, or to the Secretary of the Admiralty if the candidate is the son of an officer of the Royal navy or Royal marines.

26. Indian cadets are the sons of persons who have served in India in the military or civil service

of Her Majesty, or of the East India Company, and are nominated by the Secretary of State for India in Council, under the provisions of 21 and 22 Vict., c. 106, and 23 and 24 Vict., c. 100. Applications for Indian cadetships should be addressed to the Military Secretary, India Office.

27. A Queen's cadet, honorary Queen's cadet, Indian cadet, or page of honor, when ready for examination, will apply in the manner directed by paragraph 13 or 14.

28. Queen's cadets, honorary Queen's cadets, Indian cadets, and pages of honor, before admission to the Royal Military College, will be required to pass a qualifying entrance examination only, *i.e.*, after having passed the preliminary examination under paragraph 15, they must obtain under paragraphs 18 and 19 such an aggregate of marks as may indicate, in the judgment of the Civil Service Commissioners, a competent amount of general proficiency.

29. A Queen's cadet, honorary Queen's cadet, Indian cadet, or page of honor, who can produce a University certificate, as prescribed in paragraph 3 (b), will be exempted from the qualifying entrance examination described in the preceding paragraph.

III. TERMS OF PAYMENT.

30. The terms of payment for cadets of the Royal Military College are regulated by the following articles of the Royal Warrant of the 30th October, 1876 (clause 161, Army Circulars, 1876):—

(b.) Officers who have sold their commissions shall be regarded as private gentlemen:

(c.) Officers on retired full or half-pay after twenty-five years' service, or officers of less than twenty-five years' service if placed on half-pay by reduction of establishment or on account of ill-health, shall pay in accordance with their last substantive regimental rank. The cases of officers voluntarily retiring to half-pay before completing twenty-five years' service shall be specially considered:

(d.) Officers of the departments of our army and navy, according to their relative rank, of the perma-

ment staff of the militia, adjutants of the volunteer force, as well as officers of our Indian military and naval forces, shall be treated on the same terms as military or naval officers:

(f.) Any change which may take place by promotion or retirement in the rank of the father of a cadet shall be notified to our Commander-in-Chief, and the contribution paid to the College on account of such cadet shall be regulated accordingly.

(9.) If a cadet be absent a whole term in consequence of sickness or rustication, a payment of £10 shall be required for the privilege of his name being kept on the rolls of the establishment, and for a vacancy being kept open at the commencement of the next term.

(10.) In the case of a cadet who is an orphan, whose annual contribution is only £20, the amount to be paid when absence extends over a whole term shall be determined by our Secretary of State.

(11.) The pay of a cadet shall be 3s. a day. It is issued to cover the expenses of regimental clothing, messing, washing, and other contingencies. All other necessary expenses which cannot be covered by his pay shall be chargeable to his parent or guardian in addition to the regulated contribution.

(12.) If a cadet be absent, from sickness, during a portion of the term, his pay shall continue to be issued and credited to his account; but no refund of the contribution shall be permitted.

(13.) If a cadet be rusticated or removed during a term, his daily pay shall cease from the date on which he is sent away, and the contribution made for the half-year shall be forfeited.

(14.) Each cadet, other than a Queen's or India cadet, on first joining shall be required to pay, in addition to the regulated contribution, a sum of £25 to cover the expense of uniform, books, &c., and to bring with him the articles of clothing of which he will receive notice, and which must afterwards be kept up at his own expense. He shall also be required to pay the regulated contribution in advance, for each half-year of the time during which he remains under instruction; and a deposit of £5 on account, for contingent expenses, which latter sum he shall be required to make up on returning to the Royal Military College after each vacation, to cover any expense that may be incurred on his account during the ensuing half-year.

IV. GOVERNMENT AND ORGANIZATION.

31. The Commander-in-Chief will be the President of the Royal Military College.

32. An independent inspection by a Board of Visitors, appointed by the Secretary of State for War, and reporting to him, will be made once a year. Such Visitors will not be a permanent body, but will not be all changed at the same time. The report of this Board will be presented to Parliament.

33. The College will be under the control of a Governor, appointed by and responsible to the Secretary of State for War through the Commander-in-Chief.

34. He will be assisted in the arrangement of the studies by a Board, composed of the Commandant and the professors or senior instructors of the different branches. The head of each branch will have the general power of supervision and inspection over the studies in his department, with the duty of reporting on them to the Governor.

35. The Governor will be assisted by a staff officer, who will be responsible in his temporary absence for the charge of the establishment. This officer will

have the custody of the records and correspondence of the College, and will give the Governor such assistance as he may require.

V. DISCIPLINE.

36. The cadets will be subject to such rules and regulations as are, or may be from time to time, established for the maintenance of good order and discipline.

37. The Governor will have the power of rustication and removal from the College, reporting the circumstances to the Commander-in-Chief.

38. In cases requiring more serious notice, cadets will be liable, on the report of the Governor to the Commander-in-Chief, to be removed from the list of candidates for commissions.

39. The name of any cadet expelled for misconduct will be recorded in the department of the Commander-in-Chief, and will be made known to the First Lord of the Admiralty, and to the Secretary of State for India, in order to prevent his being admitted into Her Majesty's naval, military, or Indian service.

40. The cadets will be distributed in divisions of not less than twenty-five, each division being under the immediate charge of one of the professors or instructors selected by the Governor.

41. The officers of divisions will be the channel of communication on all subjects between the cadets and the Governor. They will reside in the College, and will exercise a strict superintendence over their divisions, for which they will be responsible to the Governor. They and the unmarried officers will mess with the cadets.

42. During the hours of study the cadets will be under the charge of the professors and instructors, to whose orders they will be required to pay implicit obedience.

43. The cadets will salute all officers, professors, and instructors belonging to the College, whether in or out of uniform, and all other officers when in uniform.

44. The professors and instructors will have certain limited powers of punishment, within and without the halls of study, at the discretion of the Governor, to whom they will report all punishments which they may inflict.

45. No professor or instructor will be permitted to give private instruction to a cadet, either during the vacation or at any other time, or be allowed to prepare candidates for admission to the College.

46. The cadets will be required to appear at all times in uniform, except when on leave of absence, or when otherwise exempted by the Governor.

47. The study undress may be worn at all times when cadets are under instruction, with the exception of riding or parade, when they will wear their uniform. The forage cap will be worn with the study undress.

VI. COURSE OF INSTRUCTION.

48. Candidates for first appointments in the army who are successful in the examinations specified in the foregoing regulations will join the Royal Military College as cadets for one year, to be divided into two terms, during which the course of instruction will last. The College terms will be—

(a.) From the 10th February to the 15th July, with suspension of study during a fortnight at Easter:

(b.) From the 1st September to the 20th December. The intermediate periods will constitute the vacations.

49. The following subjects will form the ordinary course of obligatory studies:—

(a.) Queen's regulations and orders for the army, regimental interior economy, accounts, and correspondence:

- (b.) Military law :
 (c.) The elements of tactics :
 (d.) Field fortification, and the elements of permanent fortification :
 (e.) Military topography, and reconnaissance :
 (f.) Infantry and field artillery drill, riding, and gymnastics.

VII. EXAMINATIONS FOR COMMISSIONS.

50. At the end of the course the cadets will be required to pass an examination in the field and on paper, and those who pass a satisfactory examination will, as provided in the Royal Warrant of 30th October, 1876 (clause 161, Army Circulars, 1876), become entitled to commissions in the army as second lieutenants, and will be gazetted to regiments in the order in which they pass.

51. Marks will be allotted to the obligatory subjects in the following proportions:—

Queen's regulations, &c.	1½
Military law	2
Elements of tactics	3
Fortification	3
Military topography and reconnaissance	3
Drill, gymnastics, and riding (one each)	3

52. In tactics, fortification, and military topography and reconnaissance, one-fourth of the marks will be reserved for notes and drawings done during the course.

53. The standard of qualification for a commission will be decided upon from time to time by the Secretary of State for War, and announced to the cadets at the commencement of the course.

54. In order to insure due diligence during the whole period of residence, there will, at the end of the first term, be a probationary examination in the work of that term. A cadet failing to pass satisfactorily through the probationary examination at the end of his first term will lose a term and not get class promotion. No cadet will be permitted to reside for more than one year at the College, except in cases of failure at the probationary examination, protracted illness, or long absence from any unavoidable cause, or of his being prevented by unavoidable cause from undergoing the final examination. In these cases an extra term will, if specially recommended by the Governor, be allowed.

VIII. INTERIOR ECONOMY, MESSING, ETC.

55. The dining-halls, halls of study, reading- and recreation-rooms, and quarters of the cadets will be furnished in all essentials by the Government.

IX. GENERAL REGULATIONS.

56. A cadet will be removed from the Royal Military College for moral or physical unfitness.

57. A cadet who fails to pass his examination at the end of his second term of residence will not be permitted to return to the Royal Military College, but will be allowed to be re-examined once at the next ensuing examination.

58. A failure at this re-examination will disqualify a cadet for a commission in the army, and his name will be at once removed from the list.

59. No person whatever belonging to the Royal Military College is to receive a present from any cadet, or from the relations or friends of any cadet.

The following General Order (69 of 1877) modifies paragraphs 13 to 17 of the regulations issued with General Order 88 of 1876:—

G.O. 69. EXAMINATION FOR ADMISSION TO THE ROYAL MILITARY COLLEGE.

I. After the examination in July, 1878, the "preliminary" will be separated from the "further" or

competitive portion of the examination for admission to the Royal Military College.

II. Special preliminary examinations will be held in the spring and autumn of each year by the Civil Service Commissioners, to whom intending candidates should apply.

III. The further examinations will be held half-yearly, in the months of July and December, as at present; and candidates for those examinations are to apply to the Military Secretary, as prescribed by existing regulations.

IV. No candidate will be allowed to attend the "further" until he has passed the "preliminary" examination, or can produce a certificate as laid down in paragraph V.

V. Candidates will be exempted from the "preliminary" examination in all subjects except geometrical drawing, if they can produce the certificate of the Oxford and Cambridge Schools Examination Board, provided it embraces mathematics. If it does not include that subject, they will be required also to undergo an examination therein.

NOTE.—Paragraph V. of the above General Order comes into operation at once, but the other paragraphs will not apply until after July, 1878.

AN ACT to regulate the Law relating to the Trial of Offences committed on the Sea within a certain distance of the Coasts of Her Majesty's Dominions.

[16th August, 1878.]

WHEREAS the rightful jurisdiction of Her Majesty, her heirs and successors, extends and has always extended over the open seas adjacent to the coasts of the United Kingdom and of all other parts of Her Majesty's dominions to such a distance as is necessary for the defence and security of such dominions:

And whereas it is expedient that all offences committed on the open sea within a certain distance of the coasts of the United Kingdom and of all other parts of Her Majesty's dominions, by whomsoever committed, should be dealt with according to law:

Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

1. This Act may be cited as "The Territorial Waters Jurisdiction Act, 1878."

2. An offence committed by a person, whether he is or is not a subject of Her Majesty, on the open sea within the territorial waters of Her Majesty's dominions, is an offence within the jurisdiction of the Admiral, although it may have been committed on board or by means of a foreign ship, and the person who committed such offence may be arrested, tried, and punished accordingly.

3. Proceedings for the trial and punishment of a person who is not a subject of Her Majesty, and who is charged with any such offence as is declared by this Act to be within the jurisdiction of the Admiral, shall not be instituted in any Court of the United Kingdom, except with the consent of one of Her Majesty's Principal Secretaries of State, and on his certificate that the institution of such proceedings is

in his opinion expedient, and shall not be instituted in any of the dominions of Her Majesty out of the United Kingdom, except with the leave of the Governor of the part of the dominions in which such proceedings are proposed to be instituted, and on his certificate that it is expedient that such proceedings should be instituted.

4. On the trial of any person who is not a subject of Her Majesty, for an offence declared by this Act to be within the jurisdiction of the Admiral, it shall not be necessary to aver in any indictment or information on such trial that such consent or certificate of the Secretary of State or Governor as is required by this Act has been given, and the fact of the same having been given shall be presumed unless disputed by the defendant at the trial; and the production of a document purporting to be signed by one of Her Majesty's Principal Secretaries of State as respects the United Kingdom, and by the Governor as respects any other part of Her Majesty's dominions, and containing such consent and certificate, shall be sufficient evidence for all the purposes of this Act of the consent and certificate required by this Act.

Proceedings before a Justice of the Peace or other Magistrate previous to the committal of an offender for trial, or to the determination of the Justice or Magistrate that the offender is to be put upon his trial, shall not be deemed proceedings for the trial of the offence committed by such offender for the purposes of the said consent and certificate under this Act.

5. Nothing in this Act contained shall be construed to be in derogation of any rightful jurisdiction of Her Majesty, her heirs or successors, under the law of nations, or to affect or prejudice any jurisdiction conferred by Act of Parliament or now by law existing in relation to foreign ships, or in relation to persons on board such ships.

6. This Act shall not prejudice or affect the trial in manner heretofore in use of any act of piracy as defined by the law of nations, or affect or prejudice any law relating thereto; and where any act of piracy as defined by the law of nations is also any such offence as is declared by this Act to be within the jurisdiction of the Admiral, such offence may be tried in pursuance of this Act, or in pursuance of any other Act of Parliament, law, or custom relating thereto.

7. In this Act, unless there is something inconsistent in the context, the following expressions shall respectively have the meanings hereinafter assigned to them, that is to say,—

“The jurisdiction of the Admiral,” as used in this Act, includes the jurisdiction of the Admiralty of England and Ireland, or either of such jurisdictions as used in any Act of Parliament; and for the purpose of arresting any person charged with an offence declared by this Act to be within the jurisdiction of the Admiral, the territorial waters adjacent to the United Kingdom, or any other part of Her Majesty's dominions, shall be deemed to be within the jurisdiction of any Judge, Magistrate, or officer having power within such United Kingdom, or other part of Her Majesty's dominions, to issue warrants for arresting or to arrest persons charged with offences committed within the jurisdiction of such Judge, Magistrate, or officer:

“United Kingdom” includes the Isle of Man, the Channel Islands, and other adjacent islands:

“The territorial waters of Her Majesty's dominions,” in reference to the sea, means such part of the sea adjacent to the coast of the United Kingdom, or the coasts of some other

part of Her Majesty's dominions, as is deemed by international law to be within the territorial sovereignty of Her Majesty; and for the purpose of any offence declared by this Act to be within the jurisdiction of the Admiral, any part of the open sea within one marine league of the coast measured from low-water mark shall be deemed to be open sea within the territorial waters of Her Majesty's dominions:

“Governor,” as respects India, means the Governor-General or the Governor of any Presidency; and where a British possession consists of several constituent colonies, means the Governor-General of the whole possession, or the Governor of any of the constituent colonies; and as respects any other British possession, means the Officer for the time being Administering the Government of such possession; also any person acting for or in the capacity of Governor shall be included under the term “Governor:”

“Offence” as used in this Act means an act, neglect, or default of such a description as would, if committed within the body of a county in England, be punishable on indictment according to the law of England for the time being in force:

“Ship” includes every description of ship, boat, or other floating craft:

“Foreign ship” means any ship which is not a British ship.
