TO THE

NEW ZEALAND GAZETTE

OF THURSDAY, JULY 15, 1880.

Published by Authority.

WELLINGTON, FRIDAY, JULY 16, 1880.

Regulations for the Examination of Teachers.

(L.S.) HERCULES ROBINSON, Governor.

ORDER IN COUNCIL.

At the Government House, at Wellington, this seventh day of July, 1880.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

BY virtue of the powers and authorities vested in me by "The Education Act, 1877," I, Sir Hercules George Robert Robinson, the Governor of the Colony of New Zealand, by and with the advice and consent of the Executive Council of the said colony, do hereby make the following regulations for the examination of teachers, that is to say,—

1. Notwithstanding anything to the contrary contained in an Order in Council of the twenty-fourth day of September, one thousand eight hundred and seventy-eight, the annual examination of candidates for teachers' certificates shall be held in the last week in January of every year, and not in the month of March, and candidates for any class must give written notice, accompanied by all necessary testimonials and declarations, not later than the first day of November immediately before the examination.

2. Every candidate for examination, with the exception of candidates who apply to be examined in elementary science or domestic economy only, and of candidates who having been partially successful at a former examination present themselves for examination in those subjects only in which they were at that former examination unsuccessful, shall, at the time of giving notice of intention to be present at the examination, pay to the credit of the Public Account at any branch of the Bank of New Zealand, the sum of one pound sterling as a contribution

towards defraying the expenses of the examination, and shall forward the bank receipt to the Minister of Education, with the notice of intention to sit at the examination.

3. No application for examination will be received unless it be accompanied by a certificate, signed by a public school inspector, and setting forth that the candidate has passed before such inspector a satisfactory examination in reading, spelling, dictation, and writing; but this regulation shall not apply to candidates who already hold certificates granted to them by the Minister of Education, nor to candidates who present themselves in those subjects only in which at a former examination they were unsuccessful.

4. These regulations shall come into force upon the date hereof.

FORSTER GORING,
Clerk of the Executive Council.

Teachers holding Certificates or Licenses under "The Education Act, 1877."

Education Department,
Wellington, 30th June, 1880.

THE following list of teachers is issued in accordance with the sixteenth section of an Order in Council dated the 24th of September, 1878. In the column setting forth the reason of the promotion of certain teachers, the letter M stands for Inspector's marks, the letter S for length of service, the letter E for examination, and the letter F for further evidence of qualifications or further consideration of the same. An asterisk denotes that a certificate is provisional, or that the issue of the certificate is deferred.

WM. ROLLESTON,
