*Despatches.—Reduction in Number of Naval Cadet Nominations—Termination of Treaties with Honduras.*

Colonial Secretary's Office,  
Wellington, 1st September, 1880.

**T**HE following despatches, received from Her Majesty's Principal Secretary of State for the Colonies, are published for general information.

THOMAS DICK.

Downing Street, 2nd June, 1880.

**SIR**,—I have the honor to inform you, with reference to the Earl of Carnarvon's circular despatch of the 19th February, 1875, that the Lords Commissioners of the Admiralty have found themselves obliged to reduce, from seven to four, the number of nominations to naval cadetships placed annually at the disposal of the Secretary of State for the Colonies.

2. I am informed by the Lords Commissioners that when the seven nominations were first offered to the colonies the total annual number of cadets entered for the navy was over 180, and that even last year there were as many as 83 entries; but, in order to prevent the lists of sub-lieutenants and lieutenants from exceeding the number required by the service, their Lordships have now been compelled to limit the future entry to 55 cadets annually.

3. As a part of the arrangements necessary to effect this reduction, it has been decided to deprive naval officers of most of the privileges hitherto awarded them, and it has become necessary to diminish the number of nominations given to the colonies; but, if the total number of cadets should again be increased, I should hope to obtain the proportion of nominations allotted to the colonies increased also.

4. I have to add that, as the number of nominations at my disposal will be so much reduced, you should be extremely careful to warn the friends of any candidate you may recommend that your application is necessarily made without any assurance that the Secretary of State will be able to give effect to your recommendation.

I have, &c.,  
KIMBERLEY.

The Officer Administering the  
Government of New Zealand.

Downing Street, 17th June, 1880.

**SIR**,—I have the honor to inform you that, in pursuance of a notice given by the President of the Republic of Honduras, the following treaties between that country and Great Britain expired on the under-mentioned dates.

1. That of the 6th January, 1874, relating to Extradition, on the 28th February, 1878.

2. That of the 27th August, 1856, one of Friendship, Commerce, and Navigation, on the 28th August, 1878.

I regret that, through an oversight, this information was only communicated to the West Indian Colonies; and I have now to request that you will

cause the termination of the treaties in question to be made known in the colony under your Government.

I have, &c.,  
KIMBERLEY.

The Officer Administering the  
Government of New Zealand.

*Notice of Petition for certain Land to be added to the Borough of South Invercargill.*

*Notice to Mariners.—No. 36 of 1880.*

Marine Department,  
Wellington, 30th August, 1880.

THE following Notice to Mariners, received from the Portmaster, Brisbane, is published for general information.

H. A. ATKINSON.

**INNER ANCHORAGE, FLAT-TOP ISLAND.**

Two white beacons are now placed on East Point, which, when kept in line, lead clear of the reef running out to the northward of Flat-top Island. Two similar beacons are also placed on the S.W. end of Flat-top Island, which, when in line, lead clear of, and to the westward of, the reef off Flat-top. These beacons will be lit up at night when necessary.

*Directions by Day.*—Masters of vessels intending to anchor to the westward of Flat-top should bring the white beacons on East Point in line bearing W.  $\frac{1}{2}$  S.; steer with these in line until two other beacons on Flat-top are also brought in line bearing S.  $\frac{1}{4}$  E, then haul up and steer S. by W., until the lighthouse on Flat-top bears S.E.; a vessel can then anchor in not less than 18 feet at low-water springs. Coasters or steamers of light draught can proceed a little closer in, where they will get better shelter during S.E. gales.

*By Night.*—Bring the two lights on East Point in line, and keep them in that position, until a light on the S.W. end of Flat-top Island opens out, then proceed as by day.

H. W. WYBORN,  
Acting Portmaster.
