8. The Manager shall see that all the provisions contained in this Act as to the employment of boys and male young persons are strictly enforced.

9. The Manager shall see that all places not in actual use are properly fenced across the whole width, so as to prevent persons inadvertently entering the same.

10. The Manager shall see that all the provisions contained in the Act relating to the use of gunpowder and other explosive substances used in the mine are strictly enforced.

11. The Manager shall see that proper man-holes and signals which are made or provided are kept in good order according to the provisions of the Act.

12. The Manager shall withdraw men from working-places which are in any way unsafe.

14. No miner shall use or allow to be used any gunpowder, except in conformity with General Rules 2.

15. In addition to the examination by the under-viewer, or other officer, each work-person must examine his working-place before commencing work, and from time to time during his shift, and withdraw in case of danger.

16. Any person discovering any stoppage or derangement of the ventilation, injury to air-crossings, doors, stoppings, brattices, or air-pipes, or observing any obstruction in an air-course, a weakness in the roof, or deficiency of timber, or accumulation of gas or water, shall immediately give notice to the men and boys in that part of the mine, and to the Manager or underviewer.

17. Any person passing through a door must instantly close it; and no person shall injure a door or leave it open, break down or interfere with a stopping or a brattice, obstruct or damage an air-course, air-crossing, or air-pipe, or remove a caution-board or danger-signal, or do anything to interfere with the proper working of the mine, without an order from the Manager. No door must be propped or fastened back whilst on its hinges. All doors must be kept in good repair, and hung so that they will fall to of themselves.

19. Shots must be rammed with soft material not likely to strike fire, and no person shall fire shots without authority from the Manager.

20. When a shot has missed fire it shall not be unrammed, but shall be reported to the Manager, and the place shall not be approached without the permission of the Manager.
