WELLINGTON, MONDAY, APRIL 4, 1881.

"The Education Act, 1877." Examination of Pupil-teachers in Drawing.

ARTHUR H. GORDON, Governor.
ORDER IN COUNCIL.

At the Government House, at Wellington, this twenty-ninth day of March 1881.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

IN exercise and pursuance of the powers and authorities vested in him by "The Education Act, 1877," the Governor, with the advice and consent of the Executive Council of the colony, doth make the regulation hereto annexed respecting the examination of pupil-teachers in drawing; and, with the like advice and consent, doth prescribe that this order shall take effect from the date hereof.

REGULATION.

AT any examination of candidates for teachers' certificates, pupil-teachers in the service of any Education Board may present themselves for examination in drawing. Of four divisions of the subject, viz., (1) freehand, (2) geometrical, (3) perspective, and (4) model drawing, they may take up any one or more at one examination, or at successive examinations, and in any order; and their success in one or more of the four divisions will render them so far exempt from examination in drawing when they become candidates for certificates.

FORSTER GORING,
Clerk of the Executive Council.

Examination of Teachers.

Education Department,
Wellington, 31st March, 1881.

THE following lists contain statements of the principal results of the examination held at the end of January, 1881, except so far as relates to candidates in the Education District of Otago. It must be understood that the granting of a certificate depends only in part upon the result of an examination, and that candidates who have not had the experience required by the regulations, or who do not receive the necessary marks from a School Inspector, have no claim to a certificate.

The first list contains the names of the successful candidates at the examination for Class D. The second supplies similar information with regard to Class E. The third and fourth lists give the names of candidates who will be allowed to qualify for Classes D and E respectively, by passing at the next examination in those subjects only in which they have this year been unsuccessful. The fifth is the list of candidates whose status before the examination was "provisional," and who have now passed in the additional subjects necessary for a full certificate.

Every candidate will receive a private intimation of his success or failure, and those whose names are in the third and fourth lists will be advised as to the subjects in which they will require to be examined again.

An asterisk against a name signifies that the candidate is too young to hold a full certificate.

The lists for the Otago District will be published in a few days.
