[Extract from the *London Gazette* of Friday, 17th  
December, 1880.]

At the Court at Windsor, the 16th day of  
December, 1880.

Present:

THE QUEEN'S MOST EXCELLENT MAJESTY, LORD  
PRESIDENT, LORD CHAMBERLAIN, SECRETARY SIR  
WILLIAM VERNON HARCOURT, MR. GLADSTONE.

WHEREAS by the Extradition Acts of 1870 and 1873, it was, amongst other things, enacted that where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, Her Majesty may, by Order in Council, direct that the said Acts shall apply in the case of such foreign State; and that Her Majesty may, by the same or any subsequent order, limit the operation of the order, and restrict the same to fugitive criminals who are in or suspected of being in the part of Her Majesty's dominions specified in the order, and render the operation thereof subject to such conditions, exceptions, and qualifications as may be deemed expedient:

And whereas a treaty was concluded on the thirty-first day of March, one thousand eight hundred and seventy-four, between Her Majesty and the Swiss Confederation, for the mutual extradition of fugitive criminals, which treaty is in the terms following:—

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, and the Swiss Confederation, having judged it expedient, with a view to the better administration of justice and to the prevention of crime within their respective territories and jurisdictions, that persons charged with, or convicted of, the crimes hereinafter enumerated, and being fugitives from justice, should, under certain circumstances, be reciprocally delivered up, have named as their Plenipotentiaries to conclude a treaty for this purpose, that is to say,—

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland: Alfred Guthrie Graham Bonar, Esquire, Her Envoy Extraordinary and Minister Plenipotentiary to the Swiss Confederation;

And the Federal Council of the Swiss Confederation: Joseph Martin Knüsel, Member of the Swiss Federal Council;

Who, after having communicated to each other their respective full powers, found in good and due form, have agreed upon and concluded the following articles:—

## ARTICLE I.

The high contracting parties engage to deliver up to each other those persons who, being accused or convicted of a crime committed in the territory of the one party, shall be found within the territory of the other party under the circumstances and conditions stated in the present treaty.

## ARTICLE II.

The crimes for which the extradition is to be granted are the following:—

1. Murder (including infanticide) and attempt to murder.
2. Manslaughter.
3. Counterfeiting or altering money, uttering or bringing into circulation counterfeit or altered money.

4. Forgery, or counterfeiting, or altering, or uttering what is forged, or counterfeited, or altered; comprehending the crimes designated in the penal codes of either State as counterfeiting or falsification of paper money, bank-notes, or other securities, forgery or other falsification of other public or private documents, likewise the uttering or bringing into circulation or wilfully using such counterfeited, forged, or falsified papers.

5. Embezzlement or larceny.

6. Obtaining money or goods by false pretences.

7. Crimes against bankruptcy law.

8. Fraud committed by a bailee, banker, agent, factor, trustee, or director, or member or public officer of any company made criminal by any law for the time being in force.

9. Rape.

10. Abduction of minors.

11. Child-stealing or kidnapping.

12. False imprisonment.

13. Burglary, or housebreaking, with criminal intent.

14. Arson.

15. Robbery with violence.

16. Threats by letter or otherwise with intent to extort.

17. Perjury or subornation of perjury.

18. Malicious injury to property, if the offence be indictable.

The extradition is also to take place for participation in any of the aforesaid crimes, as an accessory before or after the fact.

#### ARTICLE III.

No Swiss shall be delivered up by Switzerland to the Government of the United Kingdom, and no subject of the United Kingdom shall be delivered up by the Government thereof to Switzerland.

#### ARTICLE IV.

The extradition shall not take place if the person claimed on the part of the Government of the United Kingdom, or the person claimed on the part of the Swiss Government, has already been tried and discharged or punished, or is still under trial, in one of the Swiss Cantons or in the United Kingdom respectively, for the crime for which his extradition is demanded.

If the person claimed on the part of the Government of the United Kingdom, or if the person claimed on the part of the Swiss Government, should be under examination or have been condemned for any other crime, in one of the Swiss Cantons or in the United Kingdom respectively, his extradition may be deferred until he shall have been set at liberty in due course of law.

In case such individual should be proceeded against or detained in the country in which he has taken refuge, on account of obligations contracted towards private individuals, his extradition shall nevertheless take place; the injured party retaining his right to prosecute his claims before the competent authority.

#### ARTICLE V.

The extradition shall not take place if, subsequently to the commission of the crime, or the institution of the penal prosecution, or the conviction thereon, exemption from prosecution or punishment has been acquired by lapse of time, according to the laws of the State applied to.

#### ARTICLE VI.

If the individual claimed by one of the two contracting parties in pursuance of the present treaty should be also claimed by one or several other powers, on account of other crimes committed upon their respective territories, his surrender shall be granted

to that State whose demand is earliest in date; unless any other arrangement should be made between the Governments which have claimed him, either on account of the gravity of the crimes committed, or for any other reason.

#### ARTICLE VII.

A fugitive criminal shall not be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or is connected with a crime of that nature, or if he prove that the requisition for his surrender has, in fact, been made with a view to try and punish him for an offence of a political character.

#### ARTICLE VIII.

A person surrendered can in no case be kept in prison, or be brought to trial in the State to which the surrender has been made, for any other crime or on account of any other matters than those for which the extradition shall have taken place.

This stipulation does not apply to crimes committed after the extradition.

#### ARTICLE IX.

The requisition for extradition must always be made by the way of diplomacy, and, to wit, in Switzerland by the British Minister to the President of the Confederation, and in the United Kingdom to the Secretary of State for Foreign Affairs by the Consul-General of Switzerland, who, for the purposes of this treaty, is hereby recognized by Her Majesty as a diplomatic representative of Switzerland.

The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

If the requisition relates to a person already convicted, it must be accompanied by the sentence of condemnation passed against the convicted person by the competent Court of the State that makes the requisition for extradition.

A requisition for extradition cannot be founded on sentences passed *in contumaciam*.

#### ARTICLE X.

A fugitive criminal may, however, be apprehended under a warrant issued by any Police Magistrate, Justice of the Peace, or other competent authority, in either country, on such information or complaint, together with such evidence or after such judicial proceedings, as would in the opinion of the officer issuing the warrant justify its issue if the crime had been committed in that part of the dominions of the two contracting parties in which he exercises jurisdiction. Provided, however, that in the United Kingdom the accused shall in such case be sent as speedily as possible before a Police Magistrate in London. Such requisition may be made by means of the post or by telegraph.

The accused shall, however, be discharged if, within such reasonable time as, with reference to the circumstances of the case, the Police Magistrate may fix, the requisition shall not have been made according to the stipulations contained in Article IX.

#### ARTICLE XI.

The extradition shall not take place before the expiration of fifteen days from the apprehension, and then only if the evidence be found sufficient, according to the laws of the State applied to, either to justify the committal of the prisoner for trial in case the crime had been committed in the territory of the said State, or to prove that the prisoner is the identical person convicted by the Courts of the State which makes the requisition.

## ARTICLE XII.

In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the State applied to shall admit as entirely valid evidence the sworn depositions or statement of witnesses taken in the other State, or copies thereof, and likewise the warrants and sentences issued therein, provided such documents are signed or certified by a Judge, Magistrate, or officer of such State, and are authenticated by the oath of some witness, or by being sealed with the official seal of a British Secretary of State, or of the Chancellor of the Swiss Confederation.

## ARTICLE XIII.

If sufficient evidence for the extradition be not produced within two months from the date of the apprehension of the fugitive, he shall be set at liberty.

## ARTICLE XIV.

All articles seized, which were in the possession of the person to be surrendered at the time of his apprehension, shall, if the competent authority of the State applied to for the extradition has ordered the delivery thereof, be given up when the extradition takes place, and the said delivery shall extend not merely to the stolen articles, but to everything that may serve as a proof of the crime.

## ARTICLE XV.

The contracting parties renounce any claim for the reimbursement of the expenses incurred by them in the arrest and maintenance of the person to be surrendered, and his conveyance to the frontiers of the State from which he is required: they reciprocally agree to bear such expenses themselves.

## ARTICLE XVI.

The stipulations of the present treaty shall be applicable to the colonies and foreign possessions of Her Britannic Majesty.

The requisition for the arrest and surrender of a fugitive criminal who has taken refuge in any of such colonies or foreign possessions shall be made through the Swiss Consul-General in London to the Secretary of State for Foreign Affairs, who shall proceed in conformity with the provisions of the present treaty and the laws of the land.

Her Britannic Majesty shall, however, be at liberty to make special arrangements in the British colonies and foreign possessions for the surrender of such individuals as shall have committed in Switzerland any of the crimes hereinafore mentioned, who may take refuge within such colonies and foreign possessions, on the basis as nearly as may be of the provisions of the present treaty.

The requisition for the surrender of a fugitive criminal from any colony or foreign possession of Her Britannic Majesty shall be governed by the rules laid down in the preceding articles of the present treaty.

## ARTICLE XVII.

The present treaty shall come into force ten days after its publication in conformity with the forms prescribed by the laws of the high contracting parties. It may be terminated by either of the high contracting parties, but shall remain in force for six months after notice has been given for its termination.

The treaty shall be ratified and the ratification shall be exchanged at Berne in four weeks, or sooner if possible.

In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seal of their arms.

Done at Berne, the thirty-first day of March, in the year of our Lord one thousand eight hundred and seventy-four.

(L.S.) A. G. G. BONAR.  
(L.S.) J. M. KNÜSEL.

And whereas a protocol amending Article XVI. of the aforesaid treaty was signed by the Plenipotentiaries of Her Majesty and of the Swiss Confederation on the twenty-eighth day of November, one thousand eight hundred and seventy-four, which protocol is in the following terms:—

The undersigned Plenipotentiaries of Her Majesty the Queen of the United Kingdom of Great Britain and Ireland and the Federal Council of the Swiss Confederation, having met in conference, have taken into their consideration the following subject:—

They have directed their attention to the fact that the second paragraph of Article XVI. of the treaty, which stipulates that the requisition for the arrest of a fugitive criminal who has taken refuge in any of the colonies or foreign possessions of Her Britannic Majesty shall be made through the Swiss Consul-General in London to the Secretary of State for Foreign Affairs, was not in accordance with the law of England, and they have consequently resolved to declare that the second paragraph of that article beginning—

“The requisition for the arrest,” and concluding with “and the laws of the land,” shall be null and void, and in lieu thereof the following words shall be substituted:—

“The requisition for the surrender of a fugitive criminal who has taken refuge in any of such colonies or foreign possessions shall be made to the Governor or to the supreme authority of such colony or possession through the Swiss Consul, or, in case there should be no Swiss Consul, through the Consular Agent of another State charged for the occasion with the Swiss interests in the colony or possession in question.

“The Governor or supreme authority above mentioned shall decide with regard to such requisitions as nearly as possible in accordance with the provisions of the present treaty. He will, however, be at liberty either to consent to the extradition or report the case to his Government.”

The other provisions of Article XVI. remain in force as they have been agreed upon in the treaty.

This protocol shall be regarded and acted upon as forming part of the treaty in question.

In witness whereof the undersigned have signed this protocol, and have hereunto affixed their seals.

Done in duplicate, at Berne, the twenty-eighth day of November, in the year of grace one thousand eight hundred and seventy-four.

The Plenipotentiary of Great Britain—  
(L.S.) EDWIN CORBETT.

And whereas the ratifications of the said treaty and protocol were exchanged at Berne on the thirty-first day of December, one thousand eight hundred and seventy-four:

And whereas, under and by virtue of the powers in and by Article XVII. of the said treaty reserved and contained, the Swiss Confederation did, on the twenty-second day of December, one thousand eight hundred and seventy-seven, give notice to Her Majesty's Government of the termination of the said treaty, subject to the provisions in the said article contained that the same should remain in force for six months after notice should be given for its termination:

*Notice to Mariners.—No. 13 of 1881.*

Marine Department,  
Wellington, 6th April, 1881.

THE following Notice to Mariners, received from the Commodore Commanding the Australian Station, is published for general information.

JOHN HALL,  
(Minister acting for the Minister having charge of the Marine Department.)

## SOLOMON ISLANDS.

By H.M.S. "Emerald."

*Savo Island.*—Admiralty Chart No. 214. Referred to position of Ferguson Island, Marau Sound. (No. 880.) Savo is placed 2' to the southward and 7' to the westward of its actual position.

*Florida Group: Barranago Harbour.*—No. 214, and rough plan by late J. St. C. Bower. This anchorage is only fit for small craft, and, as the tides run very strong, and there is no shelter from westerly winds (north-west monsoon), and can be very little in the south-east trade, it cannot be called a desirable one under any circumstances.

*Florida Group: Rock awash.*—S. 73° E., one mile and nine-twentieths from south point of Barranago Island. No. 214, and rough plan by late J. St. C. Bower. Always visible, and breaks even in fine weather.

*Florida Group: Nogu Island.*—9° 11' 30" S., 160° 15' E. (approximate). No. 214. \*Nogu Island is about 70 feet high, about one mile long in an east and west direction, and half a mile wide, surrounded by reefs which extend 2 or 3 cables on its south side, but for fully a mile on its west side.

*Florida Group: Village of Raita.*—No. 214. The Village of Raita is about two miles and a half east of Nogu Island. The coast in this vicinity may be approached within half a mile. There is a flat-topped rock about that distance north-west of village, which is steep-to.

\* Supposed to be Sesarga Island marked on the Admiralty chart.

*Florida Group: Passage round North of Ditto.*—No. 214. The "reported good passage," as shown in Chart No. 214, was used. It is much narrower, and there is a rock awash about mid-channel. The "Emerald" passed north of this rock, midway between it and the two small islands south of Buena Vista. The tide rips are very strong, showing right across the channel.

*Florida Group: East Side of 7-fathom Patch.*—East Pt., S. 39° E.; East Island, S. 65° E. No. 214. A vessel keeping a mile outside a line from Tree Island to East Island will be in deep water. After passing East Island the small islets which front the shore to the westward of the Ass's Ears may all be approached within from 1 to 5 cables.

*Marau Sound: 6½-fathom Patch.*—N.E. extreme of Beagle Island, N. 3½ W.; south point of Kamachu Island, S. 76½ W. No. 880. The ship anchored in 17 fathoms, and used to swing over this patch, which was the least water found, with the northerly stream. The position was verified by angles.

*Coolambangra Island: Blakett Strait.*—No. 214. Apparently free from any danger. The small islet at eastern entrance had better be left on the north hand.

*Coolambangra Island: Ariel Cove.*—8° S., 156° 57' E. (approximately). No. 214. Ariel Cove (as recognized by "Sandfly's" sketch) is on the west coast, and not on the south as marked in chart, nor could any similar cove be seen on the south side of the island.

*Choiseul Island.*—No. 214. Made the south coast of Choiseul Island in 157° E. (Chart No. 214), and steered to the north-westward, from four to five miles off shore, for about three miles, when shoal water was observed ahead. There is a chain of coral patches (some awash) with deep water between, from three to six miles off shore. Fifteen of these patches were counted in all to abreast Bambatani. An extensive reef was seen about ten miles off shore. There is apparently a clear passage two or three miles off shore as far as Bambatani, only one shoal spot seen in this passage, which can be passed on either hand. "Emerald" passed between it and the shore. Bambatani consists of three villages, close together in one bay, viz. :—

Village.	Chief's Name.
Keelangota (west) ...	... Osumansa.
Rumaseu (centre) ...	... Ramboowhy.
Coovuee (east) ...	... Serrakikola.

*Choiseul Island: Bambatani.*—7° 7' S., 156° 40' E. (approximate). No. 214. The King's name (of Bambatani District) is Sickasecka, who speaks a little English, and is "friendly." Good anchorage was found at the west end of the bay in 12 fathoms (crl. s.). Anchor bearings: Shortland Island (native name "Soondah"), N. 80° W.; Vella Lavelly (the 3,000-foot peak), S. 1° W.

*Choiseul Island.*—No. 214. Between Bambatina and Choiseul Bay the reefs extend about ten miles off shore, with no deep-water passage inside. The south-west portion of Choiseul Island does not exist, Cape Alexander being only about twelve miles from the passage used by the "Emerald" between the islets forming Choiseul Bay. The sketch of Choiseul Bay (No. 209) is very incorrect, though still of use as a guide. The south entrance is narrowed to about a cable by the reefs on either hand. Good anchorage was found in 12 fathoms (crl. s.). Anchor bearings: first or southernmost islet, S. 21° W.; second islet, N. 69° W.; islet in centre of bay, N. 2° E.; Choiseul Point, S. 14° N.

*Choiseul Bay.*—No. 214. The whole of the bay to the northward of the centre islet is thickly studded with shoals. There is a (and I believe the only one) deep-water channel between the third and fourth

islets. The centre islet should be passed on its west side. There is a "spur-shaped" reef extending south-west from this islet, but apparently has plenty of water on it at a cable distance. From Cape Alexander to the eastward the chart appears to be correct.

*Village of Kangopassu.*—6° 40' S., 156° 33' E. (approximate). No. 214. Kangopassu, the place where the "Zephyr" massacre took place, is situated between two small islands, and by Chart No. 214 is in 156° 33' E. The chief's name is Koka. Our boats reported apparently good anchorage in the lagoon formed by outer reefs.

*Bouganville Island: Noumanouma.*—5° 54' S., 155° 9' E. (approximate). No. 214. The reefs appear to extend about six miles from the east coast. Mount Balbi kept on a S.W. by W. ½ W. bearing leads in clear of reefs, and a ship bound to Noumanouma can then coast along to the southward, until abreast the village. Anchorage was obtained in centre of small bay off the north end of the huts. The beach here is very steep and has no fringe reef.

*Ahloo Island.*—No. 214. Is situated about six miles west of Shortland Island (Soondah). King's name is Gori; said by the traders to be friendly.

LOUISIADÉ ARCHIPELAGO.

*Two Islets South-west of East Island.*—Nos. 2123 and 2764. Consider these to be placed too far to the southward, the eastern one by five miles and the western by two miles.

*Shoal, 7 fathoms.*—10° 36' 50" S., 151° 35' 30" E., from chart. Bearings: Hastings Island, N. 38½° E.; Dawson Island, N. 43 W.; Hummock Island, S. 82° W. Nos. 2123 and 2764. The depth of 7 fathoms was struck in what appeared to be the bight of an extensive reef, one portion extending from this position in a N.N.W. direction about four miles, and the other in an easterly direction for probably a much greater distance. The tide rips prevented the limits of the reef being clearly defined, but just to the westward of the 7 fathoms it appeared to be nearly awash.

*Teste Island.*—Anchorage off south side Teste Island: North-east Island—N.N.W., West Island N. 82° W. Nos. 2123 and 2764. Anchored on the south-west edge of a large flat with from 8 to 9 fathoms on it; 14 fathoms was obtained in the chains at the same time, with coral mud bottom. The tides from the anchorage run in a N.N.E. and S.S.W. direction about four knots (springs). The reefs off the island extend further to the eastward than shown on Chart No. 2123, and East Island about one-third of a mile east of its position (relatively with Teste Island). Coming from the southward, East Island bearing N.N.W. ¼ W., appears under the highest peak at east end of Teste, and leads to the anchorage. A missionary teacher resides here, who speaks a little English.

*Mewstone Island.*—Anchor bearings: Mewstone, N. 58° E.; N. 69° W. No. 2124. Good anchorage on south side of island, in 15 fathoms (crl. s.), about a mile from the shore. The reefs in the bay extend for more than half that distance from the latter.

*Shoal.*—11° 8' S., 152° 33' 30" E. (from Chart 2124). No. 2124. About half a mile in extent, and from its appearance probably has 3 to 4 fathoms on it.

Notice to Mariners.—No. 14 of 1881.

REPORTED DANGER OFF CAPE KIDNAPPERS, EAST COAST OF NORTH ISLAND.

Marine Department,  
Wellington, 7th April, 1881.

NOTICE is hereby given that Captain Thomas Mosey, of the barque "Mercia," reports that in rounding Cape Kidnappers his vessel slightly took

the ground, Cape Kidnappers at the time bearing N. 70° W. (magnetic), distant about one mile, the lead just before showing 7 fathoms water. As the position of this danger is only approximate, vessels are recommended not to approach Cape Kidnappers nearer than two miles.

JOHN HALL,  
(Minister acting for the Minister having charge of the Marine Department.)

*Examination of Teachers.*

Education Department,  
Wellington, 12th April, 1881.

THE following lists contain statements of the principal results of the examination held at the end of January, 1881, so far as relates to the examination for Class C and to candidates in the Education District of Otago. It must be understood that the granting of a certificate depends only in part upon the result of an examination, and that candidates who have not had the experience required by the regulations, or who do not receive the necessary marks from a School Inspector, have no claim to a certificate.

The first name is that of a successful candidate for Class C. The first of the lists referring to the Otago District contains the names of the successful candidates at the examination for Class D. The second supplies similar information with regard to Class E. The third and fourth lists give the names of candidates who will be allowed to qualify for Classes D and E respectively, by passing at the next examination in those subjects only in which they have this year been unsuccessful. The fifth is the list of candidates whose status before the examination was "provisional," and who have now passed in the additional subjects necessary for a full certificate.

Every candidate will receive a private intimation of his success or failure, and those whose names are in the third and fourth lists will be advised as to the subjects in which they will require to be examined again.

An asterisk against a name signifies that the candidate is too young to hold a full certificate.

*Description of the Land.*—These sections are inland of the Waimate Plains and to the west of the Wainongoro Stream. They adjoin the continuous belt of Native reserves.

From Manaia and Okaiawa, on the open plains, roads are now being opened up to this land, and other roadways are being cleared to give access to the railway-line from Waitara and New Plymouth, which is now open to the Eltham Station, within about a mile of the block.

The continuation of the railway to Hawera is now under construction; it skirts the land for three miles, and when completed the distance by rail to Hawera will be about ten miles.

With the exception of a few rata the bush consists mainly of soft woods and other light timber, and can easily be cleared. The country is well watered, and is admirably adapted for conversion into grass lands.

Twenty-two sections, scattered over the block, have been disposed of at good prices on the deferred-payment system, and one-third of the proceeds will, under the provisions of "The Land Act, 1877," Part III., be spent on roads within or to open up the block for the benefit of the selectors.

*Terms of Payment.*—The terms of payment are: One-fourth cash to accompany the application, and the remaining three-fourths within one month after the applicant has been declared the purchaser. The Crown grant fee to be paid with the balance of the purchase-money.

Commissioner of Crown Lands.
