NOTICE is hereby given that EDWARD WATERS, Patent Agent, of Melbourne, in the Colony of Victoria, has applied, on behalf of WILLIAM CAMERON, ALEXANDER CAMERON, and GEORGE CAMERON, trading together as Tobacco Manufacturers under the name or style of "William Cameron and Brothers," at Petersburg, Virginia, in the United States of America, and under the name or style of "Alexander Cameron and Company," at Richmond, in Virginia aforesaid, and under the name or style of "Cameron Brothers and Company," at Melbourne, in the Colony of Victoria, and at Sydney, in the Colony of New South Wales, hereby apply, under the provisions of "The Trade Marks Act, 1866," to be registered as the proprietors of the following trade marks numbered from 1 to 11, of which the following is a description, viz.:—

*Description of Trade Marks.*

No. 1 is a coloured lithograph representing a woman nude to the loins, having very long and luxuriant tresses, which she is combing with a star. She is surrounded with clouds and stars. A circular border encloses the picture, and is broken at the top by an oblong space on which is the word "Venus," and at the bottom by another space in which are the words "Alexr. Cameron & Co., Richmond, Va." Outside the circular border are four ornamented corner pieces.

No. 2 is also a coloured lithograph representing a North American Indian woman descending to the earth with a bow in her left hand and green tobacco leaves in her right hand, which is uplifted above her head. On the earth, and waiting to receive her, are representations of a Turk, an African, a Chinaman, a

Persian, an Englishman, a Scotchman, an Irishman, a Frenchman, and a German, in various attitudes. In a scroll over the upper part of the picture are the words "The Flower of all Nations," and on a representation of a stone at the right-hand lower corner are the words "Manufactured by Alexander Cameron & Co., Richmond, Va."

No. 3 also consists of a coloured lithograph headed "The Lion Brand," and representing a lion with his right paw resting on the upper edge of a shield, and in the foreground a scarlet cushion bearing a crown. In the upper part of the picture are the words "Manufactured from the choicest James River Leaf by," and in the lower part the words "Wm. Cameron & Co.," or either of our firm's names as set forth in the outset of this application.

No. 4 also consists of a coloured lithograph typical of the constellations of Orion and the Great Bear, in which a warrior is represented standing upon a cloud amidst the stars, holding in one hand a club, and in the other the head of a bear severed from its body; whilst in the upper part of a circular border is the word "Orion," in the lower part of it the words "I shine over both hemispheres," and within the border the words "Manufactured in Australia by Wm. Cameron & Bro., Petersburg, Virginia."

No. 5 is also a coloured lithograph representing a woman nude to the waist, riding on a shell chariot, just entering the water, and drawn by four horses with dolphin hind-quarters, driven by a cupid blowing in a shell horn. The sun is near the horizon, and the words "Queen of the Seas" are printed in the upper part of the lithograph, and the words "Alexr. Cameron & Co., Richmond, Va." near the left-hand corner.

No. 6 also consists of a coloured lithograph headed "St. Andrews," in which the saint of that name is represented in the centre of three arches, embracing a cross with his right hand, and his left held forth as in making an oration. Above his head is a coat of arms. The background is landscape. At the foot of one arch are the words "Manufactured by," "Richmond," and at the foot of another the words "Alex. Cameron & Co., Virginia."

No. 7 is also a coloured lithograph representing Neptune standing in a shell sledge, with a crown on his head and a trident in his right hand, his left hand holding the reins of three horses (with dolphin hinder quarters), which are dragging his sledge over the waters; a water-nymph gliding through the water, holding the sledge with her left hand, and with her right pointing out to sea. On the opposite side of the sledge is another nymph just rising out of the water, and in the distance are three ships firing cannon. In the upper part of the lithograph are inscribed the words "High Admiral of Navies—King of Seas," and underneath the sledge the words "Wm. Cameron & Bro., Virginia."

No. 8 also consists of a coloured lithograph headed "Raven," and is supposed to represent the writer of the poem of that name sitting at his study table in a reverie, with a raven perched on the bust of Pallas, and beside him the words "Quoth the Raven never more." About the centre of the picture is the representation of a vision of a beautiful woman asleep, and attended by good and evil spirits striving for the mastery over her. At the bottom of the lithograph are the words "Wm. Cameron & Bro., Virginia."

No. 9 also consists of a coloured lithograph representing a flag borne on a standard, on which is depicted within a circular border the representation of a young partially-armoured warrior, with sword in one hand and spear in the other, standing with his left foot on the breast of his slain enemy lying at his feet, who is clothed with a full suit of armour. This re-

presentation is headed "Sic Semper Tyrannis." Outside said circular border, and at each corner, are the words "Virginia," "Signet," "Arms and" "Seal." Between these last two words is printed "Alexr. Cameron & Co., Richmond, Va."

No. 10 consists of the representation of a raven on a branch, carrying in its beak a ribbon, on which is inscribed the words "Trade Mark," the whole surrounded by a single circular border, between which and an outer double circular border are the words "The Raven Brand," "William Cameron & Bro." This mark is usually impressed by means of dies or stencils on boxes containing our tobacco.

No. 11 consists of the representation of the Scottish Royal Coat of Arms, surrounded by a circular border, within which, and at the bottom, is the word "Virginia." In the annular space between this border and another outer circular border are the words "St. Andrews," "Fine," at the top, and "18's Twist" at the bottom, together with the name of our firm in one or other of the forms set forth at the outset of this application. In said annular space, at either side, is the representation of a thistle. This mark, like No. 10, is usually impressed by means of dies or stencils on boxes containing our tobacco.

Description of the Land.—This land is situate on the sea-coast, near Cape Egmont, twenty-two to twenty-five miles south of the town of New Plymouth. A good metalled road, being part of the main coast-line from Hawera to New Plymouth, forms the eastern boundary of the block. The land is level and open, well watered, and fertile.

Terms of sale: One-fourth of the purchase-money to be paid on application, and the balance to the

Receiver of Land Revenue at New Plymouth within one calendar month from date of application, otherwise the deposit will be forfeited, and the contract for the sale of the land thenceforth will be null and void. Crown-grant fees to be paid on completion of the purchase. In the event of two or more applications for the same land being made on the same day, the upset price at which such land shall be put up at auction shall be the price stated above.

The above sections have been temporarily withheld from sale, but they are now offered to the public with the unsold sections in Blocks IV. and VIII., which were opened for sale for cash on the 4th of April last.

Coloured lithographic plans of the above sections are on view at the Land Offices throughout the colony.

The Ngamoko Block is sixty-five miles from Napier by railway, and from five to eight miles by road; six and three-quarter miles of the road intersecting the block have been cleared of bush 1 chain wide, two and a quarter miles of which have been formed.

The soil is generally good and suitable for agriculture, more or less covered with red and white pine and other timber; the land is nearly level, with the exception of Sections 20 and 21, Block III., which are broken and soil not so good.

In Block VI.: Section 15 is good, flat, agricultural land, lightly timbered; Section 17, similar land and soil with heavy bush; Sections 19, 21, and 24, light bush, nearly flat.

This block is distant about sixty-three miles from Napier, is intersected by the railway, and situated between the Kopua and Ormondville Stations. In Block V. the ground is undulating, the soil light, and

covered with forest, chiefly red and white pine. Block VI. is of a similar character, except that there are small quantities of totara mixed with other bush. Sections 1 and 2, Block X., are good soil, but hilly. The bush is suitable for mills, and, owing to facilities of communication by railway, the trade in timber is increasing.

The persons on shipboard, and the population of certain islands which do not belong to counties or boroughs, represent the difference. All these are included in Table I., which shows the total for the colony given in provincial districts.
