To the Mining Registrar at Naseby, in the Mount Ida District, and to all others whom it may concern.

I HEREBY give notice that I intend to construct a Water-race to divert and use water for irrigation, chaff-cutting, and domestic purposes, commencing at a point in Coal Creek, on Run 205. I also give notice that I intend to construct a dam for the storage of water in connection with my water-race; area,  $\frac{1}{2}$  acre, situate on the hill to the west of Section No. 15, Block II., Township of Hyde. From dam I will cut a race, to use as a by-wash, on to Section No. 18, Block II., Township of Hyde. I also give notice that I intend to construct a race from the said dam to Section No. 14, Block II., 2 feet by 2 feet, to lay down iron piping, and will be covered over when completed. The reservoir is estimated to contain 60,000 gallons of water or thereabouts. I also intend to construct a race from Section No. 14, Block II., to the Hyde Main Gully, and the said race will terminate opposite Sections Nos. 1 and 2, Block III., Township of Hyde.

The length of such race is two miles or thereabouts, and its intended course is north-east.

This race is already surveyed and constructed. The site for the dam is also surveyed.

The mean depth of such race is 1 foot, and the mean breadth is 1 foot; and it is proposed to divert one Government-head of water.

PHILLIP A. CONNOLLY.

Any person objecting to the granting of this application must lodge his objection in writing at the Warden's Office at Naseby on or before the 7th day of November, 1881.

Hearing at 11 o'clock on the 7th November, 1881.

JOHN F. GARVEY,  
Mining Registrar.
