ORDER IN COUNCIL.

At the Government House at Wellington, this fourth day of September, 1882.

Present:

HIS EXCELLENCY THE ADMINISTRATOR OF THE GOVERNMENT IN COUNCIL.

WHEREAS by the sixteenth section of "The Harbours Act, 1878," it is enacted that in any harbour where no Harbour Board is in existence the Governor in Council may authorize any person to construct harbour works (other than the reclamation of land from the sea, or any harbour, or the construction of any graving dock, dock, or break-water in any harbour or in the sea), and to use and occupy such part of the foreshore, or of any tidal land or tidal waters, as may be necessary for the construction or use of such harbour works in any harbour where no Harbour Board is in existence: And whereas by the seventeenth section of the said Act it is also enacted that every such Order in Council shall be made upon such terms and conditions as the Governor in Council thinks fit, and the rights thereby conferred shall only be granted for a limited period, not exceeding in any case fourteen years, and may at any time be altered, modified, or revoked:

And whereas Messrs. Lane and Brown, of Whangaroa, desire to build a wharf, for the use, benefit, and convenience of the public, in Whangaroa Harbour, a place where no Harbour Board is in existence, and the said Messrs. Lane and Brown have applied to the Governor in Council for the issue of this order:

And whereas the said Messrs. Lane and Brown have deposited a plan of the said wharf (marked M.D. 674) at the office of the Marine Department at Wellington, in the manner prescribed by the one hundred and fifty-sixth section of the said Act, and, it having been made to appear to the Administrator of the Government in Council that the proposed work will not be or tend to the injury of navigation, the Administrator of the Government in Council hath this day approved of the said deposited plan, subject to the conditions set forth in this Order in Council:

Now, therefore, the Administrator of the Government of the Colony of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and by and with the advice and consent of the Executive Council of the said colony, doth hereby authorize the said Messrs. Lane and Brown to build, in Tane Tane Bay, Whangaroa Harbour, abutting on section three, for the use, benefit, and convenience of the public, a wharf, in

accordance with the said plan marked M.D. 674, and to use and occupy such portion of the foreshore or of any tidal land or tidal water as may be necessary for the construction and use of such wharf, subject to the following conditions, that is to say,—

1. That all persons shall, at all reasonable times, either in the daytime or at night, have free and full liberty to use the above-mentioned wharf, after the same shall have been completed in accordance with the said plan, and to have ingress to and upon the said wharf, and egress therefrom, and regress thereto, as occasion may require.

2. That Messrs. Lane and Brown shall maintain and keep the above-mentioned wharf and all erections thereon in good order and repair, and shall at all times permit to be erected and exhibited therefrom any lights for the guidance of vessels, and shall maintain at their own cost any such lights: Provided that no light shall be exhibited until after it has been approved of by the Minister.

3. That any person authorized by the Minister may at all reasonable times enter upon the said wharf and any buildings erected thereon, and view the state of repairs thereof; and that, upon such Minister leaving at or posting to the last known address of Messrs.
