Native School Site at Kawakawa.

Education Department,
Wellington, 4th December, 1882.

THE following report of the person appointed by the Administrator of the Government, under the provisions of "The Native Schools Sites Act, 1880," to ascertain the title of certain Natives to land at Kawakawa, in the County of Cook, appropriated by them for the site of a school, having been adopted by the Administrator of the Government, is published in accordance with the said Act.

THOMAS DICK.

REPORT UNDER "THE NATIVE SCHOOLS SITES ACT, 1880."

HIS Excellency the Administrator of the Government having been pleased, in pursuance of the above-recited Act, to appoint me to ascertain the title of certain Natives to land at Kawakawa, in the East Coast District, in the Provincial District of Auckland, appropriated by them as a school site, I beg leave respectfully to report:—

1. I gave notice in the *Poverty Bay Herald* newspaper that I would hold an inquiry in the building known as the Native Schoolhouse, at Kawakawa aforesaid, on Friday, the 10th day of November, 1882. I also had circulars to the same effect printed in English and Maori, which I caused to be circulated in Poverty Bay and the East Coast District.

2. On Friday, the 10th day of November, I opened an inquiry at the Native School-house at Kawakawa in accordance with the public notifications, and then, at the unanimous request of the Natives, adjourned the meeting to the Native Runanga House at the same place, when there were present the chiefs and a number of the members of Te Whanau Tuwhakairiora Tribe, when the plan of the proposed site was produced, and I explained to them the provisions of the above-recited Act.

3. The meeting was unanimous in agreeing that the land the boundaries of which are set forth hereunder was the property of Te Hatiwira Hokamau and Hare Paihia, as the principal representatives of Te Whanau Tuwhakairiora Tribe, and that it should be set apart for a school site; and I certify that I am satisfied as to the ownership of the land, and that the owners assent to set it apart for a school site, in accordance with the above-recited Act.

Description of Land.

All that parcel of land containing 3 acres 2 roods, more or less, situated in the East Cape Survey District, County of Cook, and numbered 842 (in blue) on the plan deposited in the Survey Office, Auckland. Bounded as hereunder: Commencing at peg 1, distant from Harakeke Major Trig. Station 40418 links, bearing 264° 14' 30" in a north-east direction by a line, 350 links; thence in a north-west direction by a line, 1,000 links; thence in a south-west direction by a line, 350 links; thence in a south-east direction by line, 1,000 links, to the point of commencement: be all the aforesaid linkages more or less.

Given under my hand at Gisborne, this 22nd day of November, 1882.

JOHN BROOKING.

Sale of Pastoral Leases of Crown Lands.—Preliminary Notice.

General Crown Lands Office,
Wellington, 20th September, 1882.

ONE million seven hundred and fifty thousand acres of Crown lands will shortly be open for pastoral lease in the Provincial District of Otago, New Zealand.

This country is at present held under lease in forty-six runs until the 1st March, 1884, and will again be offered in runs suitable to the nature of the country; but no lessee will be allowed to take up more than will carry twenty thousand sheep or four thousand head of cattle.

The leases will be for a term of years to be hereafter determined; but in no case will any lease be for a period exceeding twenty-one years.

Compensation for improvement up to three years' rental will be allowed at the end of the lease.

In order to give new pastoral lessees time to make arrangements, the licenses will, in terms of the Land Acts, be sold by public auction, at the Land Office, Dunedin, in the latter end of February, 1883, twelve months before possession is to be given. One year's rent will be payable in advance on the license at the time of sale.

The country has been occupied for upwards of twenty years. It is well grassed, well watered, sound, and healthy.

Distance from port by good roads and railways part of the way, from thirty to one hundred and fifty miles.

Maps and further particulars will be obtainable shortly at the Land Offices of New Zealand, and at places in the Australian Colonies, to be named in future advertisements.

Dated the 15th day of September, 1882.

By order.

The following is a copy of the by-law:—

A BY-LAW AFFECTING TRAMWAYS WITHIN THE BOROUGH OF INVERCARGILL.

In pursuance of the powers and provisions contained in sections 47 and 49 of "The Tramways Act, 1872," and of all other powers hereunto enabling them, the Council of the Borough of Invercargill ordains as follows, that is to say,—

From and immediately after the day upon which this by-law shall come into operation, the following provisions shall apply to all tramways within the said borough:—

Interpretation.

1. The word "tramcar," whenever used in this by-law, shall mean any carriage being used or intended to be used in connection with any tramway within the said borough. The words "the said borough" shall mean the Borough of Invercargill, and the word "promoter" shall mean the promoter within the meaning of "The Tramways Act, 1872."

2. No tramcar shall be used on any tramway within the said borough unless such tramcar shall be at all times duly licensed by the said Council as herein-after mentioned.

Tramcars in Good Order.

3. No license shall be issued for any tramcar unless such tramcar is safely constructed, in thorough repair, properly ventilated, and enclosed with doors, and glazed to the satisfaction of the said Council or of their Inspector duly authorized in that behalf.

Licenses.

4. Tramcar licenses may be granted by the Town Clerk of the said borough, and shall contain such particulars as the said Council shall direct; but no charge shall be made for any such license.

Number of Passengers.

5. In every such license there shall be specified the number of the license, the name of the promoter or company to whom the license is granted, also the

maximum number of persons to be carried at one time in and by the tramcar to which such license shall apply.

Duration of License.

6. Such licenses shall continue in force for the space of twelve months, and no longer, but on the expiration of such term such licenses may be renewed from time to time for a similar term if the respective tramcars for which renewed licenses are required shall, in the opinion of the said Inspector, be certified in writing under his hand, be then in a fit and proper condition within the meaning of clause 3 of this by-law: Provided always that it shall be lawful for the said Council at any time to revoke and make void any such license or licenses in case they shall be satisfied, and shall by resolution declare, that the tramcar or tramcars in respect of which such license or licenses shall have been issued is or are not in such fit and proper condition as aforesaid; and in case the promoter shall continue to use on any tramway any tramcar the license for which shall have been so revoked as aforesaid after he shall have received written notice of such revocation under the hand of the Town Clerk, he shall be guilty of an offence under this by-law: Provided always that such notice may be served on the promoter personally, or left at his usual or last known residence, office, or place of business, or sent to him through the post office.

Notice Inside Tramcar.

7. In every tramcar the promoter or owner thereof shall at all times cause to be kept fixed in a conspicuous position a statement showing the number of the tramcar specified in the license for the same, and the number of passengers which such tramcar is licensed to carry both inside and outside on the platforms.

It shall be lawful, however, for such promoter or conductor to permit such additional number of passengers, and no more, to be carried on the platform outside the body of such tramcar as shall be specified in that behalf in each license.

Tramcars not to remain standing on Lines.

10. No tramcar shall be allowed to remain stationary upon any tram-line, save for the time necessary to take up or put down any passenger, except at some duly-authorized terminus or stand, and there not for a longer period than fifteen minutes.

Disorderly Passengers.

11. No promoter or conductor of any tramcar shall permit any intoxicated or disorderly person to be carried in or upon the same.
