WM. F. DRUMMOND JERVOIS,
Governor.

ORDER IN COUNCIL.

At the Government House, at Wellington, this twenty-seventh day of August, 1883.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by the sixteenth section of "The Harbours Act, 1878," it is enacted that, in any harbour where no Harbour Board is in existence, the Governor in Council may authorize any person to construct harbour works (other than the reclamation of land from the sea, or any harbour, or the construction of any graving-dock, dock, or breakwater in any harbour or in the sea), and to use and occupy such part of the foreshore, or of any tidal land or tidal waters, as may be necessary for the construction or use of such harbour works in any harbour where no Harbour Board is in existence: And whereas by the seventeenth section of the said Act it is also enacted that every such Order in Council shall be made upon such terms and conditions as the Governor in Council thinks fit, and the rights thereby conferred shall only be granted for a limited period not exceeding in any case fourteen years, and may at any time be altered, modified, or revoked:

And whereas the Mercury Bay Timber Company (Limited), of Auckland, hereinafter called "the company," desires to construct a boom across the Kaimarama Creek, Mercury Bay, a place where no Harbour Board is in existence, and the company has applied to the Governor in Council for the issue of an order to authorize the construction of such boom, and has deposited a plan thereof (marked M.D. 836) at the Office of the Marine Department, Wellington, in the manner prescribed by the one hundred and fifty-sixth section of the said Act, and it having been made to appear to the Governor in Council that the proposed work will not be or tend to the injury of navigation, the Governor in Council hath this day approved of the said deposited plan without any modification or addition, and subject to the conditions set forth in this Order in Council:

Now, therefore, the Governor of the Colony of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and by and with the advice and consent of the Executive Council of the said colony, doth hereby authorize the company to construct a boom across the Kaimarama Creek, in accordance with and in the position shown on the said plan marked M.D. 836, and to use and occupy such portion of the foreshore or of any tidal land or tidal water as may be necessary for the construction and use of such boom, subject to the following conditions, namely:—

1. That the rights, powers, and privileges conferred by this Order in Council shall continue in force for fourteen years, computed from the date of this Order in Council, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority.

2. That the said rights, powers, and privileges may be at any time resumed by the Governor, and the company may be required to remove the boom from the Kaimarama Creek and the bed thereof at their own cost, without payment of any compensation whatever, on giving to the company six calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister, and delivered at the last-known address of the company.

3. On the master or owner of any vessel or boat notifying to the company, or its agent, manager, or representative at Mercury Bay, that he desires to take his vessel or boat past

the boom, the company shall forthwith provide, free of expense to the vessel or boat, a sufficient number of men to work the moveable part of the boom, so that the vessel or boat may pass through without delay.

4. Should it at any time become necessary for the convenience of the traffic on the Kaimarama Creek that the opening in the boom should be wider than shown on the plan marked M.D. 836, the Minister may, by a notice in writing left at the last-known address of the company, require the company to provide an opening of the width specified in such notice, and the company shall thereupon, with all convenient speed, cause such opening to be made.

5. Nothing contained in this Order in Council shall be deemed to prevent its revocation at any time and without any notice, in case the company shall—

- (1.) Commit or suffer a breach of the conditions hereinbefore set forth, or any of them;
- (2.) Cease to use or occupy the said boom; or,
- (3.) Be in any manner wound up or dissolved.

And publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the company, and to all persons concerned or interested in the said boom, that this Order in Council and the rights and privileges thereby conferred have been revoked and determined.

6. In these conditions the term "Minister" means the Minister having charge of the Marine Department, as defined by "The Shipping and Seamen's Act, 1877," and includes any officer, person, or authority acting by or under the direction of such Minister.

2. That every person, authority, or thing exempt from harbour dues under the one hundred and thirty-second section of the said Act shall also be exempt from all dues or payments in respect of the said wharf or the use thereof.

3. That the Company shall maintain and keep the above-mentioned wharf and all erections thereon in good order and repair, and shall at all times permit to be erected and exhibited therefrom any lights for the guidance of vessels, and shall maintain at its own cost any such lights: Provided that no light shall be exhibited until after it has been approved of by the Minister.

4. That any person authorized by the Minister may, at all reasonable times, enter upon the said wharf and any buildings erected thereon, and view the state of repairs thereof; and that, upon such Minister leaving at the last known address of the Company a notice in writing of any defect or want of repair in such wharf or buildings, requiring the Company, within a reasonable time to be therein prescribed, to repair the same, the Company shall, with all convenient speed, cause such defect to be removed or such repairs to be made.

5. That the Company shall not erect or suffer to be erected on the said wharf any building or structure whatever, except with the consent of the Minister.

6. That nothing herein contained shall authorize the Company to do or cause to be done anything repugnant to or inconsistent with any law relating to the Customs, or any regulation of the Commissioner of Trade and Customs, or with any provisions of "The Harbours Act, 1878," or its amendments, or any regulations made thereunder, and that are now or may hereafter be in force.

7. That the ballast of all vessels loading at the said wharf shall be taken away by the Company, and deposited above high-water mark, or at such place as may be approved of by the Auckland Harbour Board.

The above land, designated the Opunake South Block, is situated near the township. It is well opened up with roads, and consists of open as well as fairly level bush-country; soil good and well-watered.

CONDITIONS AS TO OCCUPATION AND IMPROVEMENTS.

The maximum quantity any lessee can hold is 640 acres of rural land.

Each lessee shall, within two years from the date of his lease, bring into cultivation not less than one-tenth of the land leased by him, and within four years of the said date, not less than one-fifth of the said land, and within six years from the date of his lease, in addition to the cultivation of one-fifth of the land, shall place on such land substantial improvements of a permanent character to the value of £1 for every acre of such land.

Improvements to be suitable to and consistent with the extent and character of the holdings, and none shall be

allowed for in any valuation in excess of £5 for every acre of rural land.

The lease will contain an arbitration clause to enable, at the end of the term, the value of improvements to be determined for which an outgoing lessee should be paid by an incoming lessee. It will also provide that, in the event of there being no accepted tenderer for the new lease, the old lessee shall have the option of accepting a fresh lease for the same period and on the same conditions as his first lease, at a rental to be fixed by arbitration, minus the value of the improvements, which is also to be fixed by arbitration.

Tenderers may offer for any number of sections, but no tender will be accepted for more than 640 acres in the aggregate. Such sections must, however, be contiguous.

A deposit of one half-year's rent must be made at the time of tendering, the amount to be calculated on the highest amount offered by any tenderer for an aggregate area of 640 acres or any less quantity; but no deposit will be required for any quantity of land tendered for beyond the 640 acres.

Coloured lithographic plans of the above sections are on view at the several land offices throughout the colony.
