Annual Elections of Native Assessors for Native Licensing Districts.

JAMES PRENDERGAST,
Administrator of the Government.

IN pursuance and in exercise of the provisions of "The Licensing Act, 1881," and "The Licensing Act Amendment Act, 1882," His Excellency the Administrator of the Government doth make the following regulations for the annual elections of Native Assessors for the Native licensing districts in the colony:—

REGULATIONS.

1. "Assessor" means an Assessor for the purposes of the Acts hereinafove mentioned.

"District" means a Native licensing district constituted under the aforesaid Acts.

"Publicly notify," or "public notice," means the publication in a newspaper commonly circulating in the district; and if there is no such newspaper, the publication by means of notices posted in such public places as shall be thought desirable by the Returning Officer.

Notices affecting Natives shall be published in the Maori and English languages.

2. There shall be one Returning Officer for each Native licensing district, to be appointed by the Governor; and the said Returning Officer shall have power to appoint, on the occasion of any election of Assessors as aforesaid, such Deputy Returning Officers and Registration Officers as he may deem necessary; and if, owing to illness or other misadventure, such officer shall be unable personally to attend on such occasion, he shall be empowered to appoint a substitute to act in his stead.

3. Every annual election of Assessors to be held in the month of February shall be held by the Returning Officer without the necessity of any writ or other document requiring him to hold any such election.

4. One Assessor shall be elected for each Licensing Committee of an ordinary licensing district having jurisdiction within the boundaries of a Native licensing district; but any Assessor may be elected for more than one of such Committees; and the election of all or of any such Assessors in any district may be held on the same day, or on separate days, as the Returning Officer shall think it most convenient in each case.

5. The Returning Officer shall appoint the day and place of nomination, and the day on which the poll, if necessary, shall take place, and shall give not less than ten clear days' public notice thereof previous to the day of nomination.

6. Polling-places shall be appointed in each district by the Returning Officer, who shall give not less than two clear days' notice previous to the day of polling of every place so appointed.

7. The voters at the election shall be only such Maoris usually resident in the district as are qualified to vote for Maori representatives in Parliament. A candidate for election must be a Maori qualified to vote as aforesaid in some part of the colony, but need not be resident in the district, nor need he have a vote in the particular district in which he is a candidate for election.

8. On the day of nomination, so to be fixed as aforesaid, the Returning Officer shall preside at a meeting to be held at noon at the appointed place, and shall declare the purpose for which the meeting is held. It shall be competent to the Returning Officer to declare the meeting adjourned from day to day till the election is completed.

9. Every candidate shall be proposed by word of mouth by one and seconded by another elector, who shall each previously obtain from the Returning Officer a certificate that he is qualified to vote at the election; and, if no more than one candidate shall be so proposed and seconded, the Returning Officer shall declare such candidate duly elected, and shall publicly notify the same.

10. In the event of there being more candidates than one proposed and seconded, the Returning Officer shall call for a show of hands, separately, in favour of each candidate, and after such show shall declare the person in whose favour the show of hands shall appear to have been largest; and if thereupon a poll be not demanded by one of the candidates, or by some elector, duly certified as such, on his behalf, the Returning Officer shall declare such person to be duly elected, and publicly notify the same.

11. If a poll be demanded as aforesaid, the Returning Officer shall then declare the day on which the same shall be taken, being the day fixed as aforesaid, and on that day the poll shall be open, at the places appointed as aforesaid, from nine a.m. to

four p.m. of the same day, unless otherwise ordered by the Returning Officer.

12. If a poll be demanded, the Returning Officer shall immediately make arrangements for the issue, by the Registration Officer or officers at each polling-place, of voting papers to electors, which shall be in the Form A at the end hereof, and shall be signed by the Registration Officer at the place indicated in the said form, thus forming the certificate of the right of the elector mentioned therein to vote at such election, and such papers may be issued at any time or times appointed by the Returning Officer until the close of the poll.

13. On the day of the poll the electors shall enter one by one the polling-booth, and shall each present his voting paper, and, when requested to do so, shall state the name of the candidate for whom he intends to vote, and his own name. The Returning Officer or his deputy shall thereupon write the name of such candidate on the voting paper, and sign the same, and pass it to a Maori, to be appointed by him, to be associated with him for this purpose, who shall place his initials or name on such voting paper as witness.

14. The Returning Officer shall, as soon as convenient, immediately after the closing of the poll, ascertain the numbers polled for each candidate, and shall, on a day to be appointed by him, declare the person found to have the greatest number of votes to be duly elected, and shall publicly notify the same.

15. The Returning Officer or his deputy shall have power to appoint a sufficient number of officers to keep order, and to make and enforce such other regulations for insuring the orderly, effective, and impartial conduct of the election as may not be at variance with any Act for the time being in force regulating the conduct of elections of members of the House of Representatives.

16. In any case not provided for in these regulations the Returning Officer or his deputy or substitute shall, as far as possible, be guided by the law and practice which obtains in relation to election of members for the House of Representatives of other electoral districts than Maori districts.

17. Where any accidental or unavoidable impediment or omission shall have happened, the Governor may, by warrant under his hand, take all such measures as may be necessary for removing such impediment, or rectifying such misfeasance or omission, or may declare all or any of the proceedings at or for any election held under the said Acts valid as to and notwithstanding such impediment, misfeasance, or omission. Every warrant issued under this regulation shall be published in the *Kahiti* and *New Zealand Gazette*, and shall state specifically the nature of the impediment, misfeasance, or omission.

18. The provisions contained in these regulations relating to the election of Assessors for Native licensing districts, and to all matters incident to any such elections, and all other provisions of these regulations, *mutatis mutandis*, may be applied from time to time, as occasion may require, in every case of a vacancy occurring in the office of any such Assessor.

Native School Site at Kirikiri.

Education Department,
Wellington, 17th January, 1883

THE following report of the person appointed by the Administrator of the Government, under the provisions of "The Native Schools Sites Act, 1880," to ascertain the title of certain Natives to land at Kirikiri, in the Thames District, appropriated by them for the site of a school, having been adopted by the Administrator of the Government, is published in accordance with the said Act.

THOMAS DICK.

REPORT UNDER "THE NATIVE SCHOOLS SITES ACT, 1880."

HIS Excellency the Administrator of the Government having been pleased, in pursuance of the above-recited Act, to appoint me to ascertain the title of certain Natives to land known as Mataiwetu, at Te Kirikiri, Thames District, proposed to be appropriated by them as a school site for that district, I beg leave respectfully to report:—

1. I caused notice both in the English and Maori languages to be inserted in the *Thames Advertiser* that I would hold an inquiry at the Native Office, Grey Street, Shortland, on Wednesday, the 3rd day of January, 1883. I also had circulars to the same effect printed in English and Maori, which I caused to be circulated amongst the Natives of the Thames District.

2. On Wednesday, the said 3rd day of January, I held an inquiry at the place before mentioned, at which representatives from the Ngatimaru, Ngatihauauru, Ngutiteaute, and Ngatiwhanaunga tribes were present. The plan of the land proposed to be given for a school site was produced, and the provisions of the Act were explained by me.

3. The Natives unanimously agreed that the land shown on the plan produced as aforesaid was a portion of the Mataiwetu Block, and that such portion belonged to Wirepe Hotereni Taipari, Hoani Nahe, and Hori Matene; and the said Wirepe Hotereni Taipari, Hoani Nahe, and Hori Matene thereupon declared their consent to the appropriation of such land as a school site for the Kirikiri or Mataiwetu Native School in and for the district before mentioned, in accordance with the above-recited Act.

Description of Land above referred to.

All that piece or parcel of land containing by admeasurement 4 acres 1 rood, more or less, being called or known as the Mataiwetu Block, situated in Block VIII, Thames Survey District, in the Provincial District of Auckland. Bounded towards the North-west by a line, 856'3 links; towards the North-east by a line, 566'3 links; towards the South-east by a line, 874'6 links; and towards the South-west by a line, 432'9 links, to the point of commencement: be all the aforesaid linkages more or less.

Given under my hand at Auckland, this 8th day of January, 1883.

GEORGE T. WILKINSON.

WM. R. E. BROWN,
Registrar-General.

* It is not unlikely that in some instances the places given under the heading "Residence" are not the present places of abode of the respective persons. They have been copied, however, as they stand in the General Register; and if they are inaccurate in any case it is because the changes of residence have not been officially notified to the Registrar-General, as it is obviously desirable that all such changes should be.—WM.
