ORDER IN COUNCIL.

At the Government Buildings, at Wellington, this twenty-fifth day of April, 1884.

Present:

THE HONOURABLE THE MINISTER FOR NATIVE AFFAIRS
PRESIDING IN COUNCIL.

WHEREAS by "The Harbours Act Amendment Act, 1883" (hereinafter called the "said Act"), it is, among other things, enacted that, where the foreshore has been legally vested in any Harbour Board or other local governing body, it may from time to time, subject to the provisions of the one hundred and fifty-sixth section of "The Harbours Act, 1878," license and permit any part of the foreshore to be used or occupied, *inter alia*, for the erection and use of any landing-place or wharf: And whereas by the said Act it is also provided that every licensee shall, subject to the provisions of the said Act, have power to make and construct any necessary reclamation for the purpose of erecting on the foreshore comprised in his license, or upon any land below low-water mark immediately contiguous to such foreshore which shall be specified in such license, any building, structure, erection, or other works to enable him to obtain the full benefit of such license: And whereas by the said Act it is further provided that every such license shall be in writing under the seal of the Board or body granting the same, and may be for any period not exceeding fourteen years from the date thereof, and may prescribe a sum of money to be payable either at stated periods or on or before the granting thereof for the use of the foreshore so granted, and may prescribe any other terms or conditions, general or particular, to be observed or performed by the person to whom the same is granted: And whereas by the said Act it is also enacted that, in any case where there is no Harbour Board, or no Harbour Board empowered to grant any such license as aforesaid, the Governor in Council may in his discretion grant and issue a license for all or any of the purposes hereinbefore mentioned, and all the provisions of the said Act in respect of such licenses shall, *mutatis mutandis*, apply accordingly: And whereas John Logan Campbell, of Auckland, has applied for a license under the said Act to occupy a part of the foreshore and land below low-water mark at Te Koporu, on the Wairoa River, Kaipara Harbour, in order to erect and maintain thereon a reclamation wharf; and, in accordance with the one hundred and fifty-sixth section of "The Harbours Act, 1878," has deposited plans in the office of the Marine Department at Wellington (marked M.D. 857 and 892), showing the manner in which it is proposed to construct such wharf, the place in the said river where it is intended to erect the same, and the area of foreshore or land below low-water mark intended to be occupied for such purpose: And whereas it has been made to appear to the Governor in Council that the proposed work will not be or tend to the injury of navigation; and the said plans have, prior to the making of this Order in Council, been approved by the Governor in Council: And whereas there is no Harbour Board having jurisdiction in the said harbour, and it is expedient that a license should be granted and issued to the said John Logan Campbell under the said Act, for the purposes aforesaid, on the terms and conditions hereinafter expressed:

Now, therefore, the Governor of the Colony of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and with the advice and consent of the Executive Council of the said colony, doth hereby approve of the purpose or object for which the said license is required by the said John Logan Campbell as aforesaid; and in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, doth hereby license and permit the said John Logan Campbell to use and occupy that part of the foreshore and of the land below low-water mark which is particularly shown and delineated on the plans so deposited as aforesaid, for the purpose of constructing or erecting thereon a reclamation wharf, such license to be held and enjoyed by him upon and subject to the following terms and conditions, that is to say,—

1. The concessions and privileges conferred by this Order in Council shall extend and apply only to the parts of the foreshore and of the land below low-water-mark necessary for the erection of such wharf, which are shown on the said plans marked M.D. 857 and 892.

2. In consideration of the concessions and privileges granted by this Order in Council, the said John Logan Campbell shall, on being supplied with a copy thereof, pay to the Minister the sum of five pounds, and thereafter an annual sum of five pounds, to be paid in two half-yearly instalments on the thirtieth day of June and the thirty-first

day of December, the first of such half-yearly payments to be made on the thirtieth day of June next ensuing.

3. The said John Logan Campbell shall maintain the above-mentioned wharf in good order and repair; and shall at all times exhibit therefrom, and maintain at his own cost, suitable and necessary lights for the guidance of vessels: Provided that no light shall be exhibited until after it has been approved of by the Minister.

4. Any person authorized by the Minister may, at all reasonable times, enter upon the said wharf and view the state of repairs thereof; and that upon such Minister leaving at or posting to the last known address of the said John Logan Campbell a notice in writing of any defect or want of repair in such wharf, requiring him, within a reasonable time to be therein prescribed, to repair the same, he shall with all convenient speed cause such defect to be removed or such repairs to be made.

5. That nothing herein contained shall authorize the said John Logan Campbell to do or cause to be done anything repugnant to or inconsistent with any law relating to the Customs, or any regulation of the Commissioner of Trade and Customs, or with any provisions of "The Harbours Act, 1878," or its amendments, or any regulations made thereunder, and that are now or may hereafter be in force.

6. That the ballast of all vessels loading at the said wharf shall be taken away by the said John Logan Campbell and deposited above high-water mark, or at such place as may be approved of by the Minister, or by the Harbourmaster at Kaipara.

7. That the rights, powers, and privileges conferred by this Order in Council shall continue in force for fourteen years, computed from the date of this Order in Council, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority; and the said John Logan Campbell shall not assign, charge, or part with any such right, power, or privilege without the previous written consent of the Minister first obtained.

8. That the said rights, powers, and privileges may be at any time resumed by the Governor, without payment of any compensation whatever, on giving to the said John Logan Campbell six calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister, and delivered at the last known address of the said John Logan Campbell.

9. The said John Logan Campbell shall be liable for any injury which the said wharf may cause any vessel or boat to sustain through any default or neglect on his part.

10. In case the said John Logan Campbell shall—

- (1.) Commit or suffer a breach of the conditions hereinbefore set forth, or any of them;
- (2.) Cease to use or occupy the said wharf;
- (3.) Fail to pay the sum specified in clause two of these conditions; or
- (4.) Become bankrupt or be in any manner brought under the operation of any Act for the time being in force relating to bankruptcy;

then and in any of the said cases this Order in Council and every right, power, or privilege may be revoked and determined by the Governor in Council without any notice to the said John Logan Campbell or other proceeding whatsoever, and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the said John Logan Campbell, and to all persons concerned or interested, that this Order in Council and the rights and privileges thereby conferred have been revoked and determined.

11. In these conditions the term "Minister" means the Minister having charge of the Marine Department, as defined by "The Shipping and Seamen's Act, 1877," and includes any officer, person, or authority acting by or under the direction of such Minister.

Notice to Mariners, No. 16 of 1884.

WAIROA BRANCH, KAIPARA HARBOUR.

Marine Department,
Wellington, N.Z., 7th May, 1884.

THE Harbourmaster at Kaipara reports that a bank is forming at the junction of Five-fathom and Inshore Channels, a little below Tauhara Creek, with only 9 feet on its shallowest part at low-water springs, on the lower eastern corner of which a black buoy has been placed in three fathoms.

Masters of vessels are therefore requested to pay attention to the lead when in this vicinity, and not approach the buoy from a north-west or westerly direction below Tauhara Creek, as the shallowest water is to the westward of the buoy and extends a considerable distance up stream. Vessels of over 9-feet draught, when proceeding up or down by the Inshore Channel, should keep the land well aboard when between the buoy and Tauhara Creek, and if bound up Five-fathom Channel the black buoys should be kept on the port hand.

Description.—Block IX., Takapau Survey District: The sections fronting the Makotoku Railway Station reserve have been partly cleared of timber; the rest of the block is green bush of first quality, containing totara and other pines. The soil is of an average quality; that on which the totara is growing is of a light description, overlying gravel; the rest consists of loamy and heavy clay lands. The greater portion of the block is flat, but the sections adjoining the native reserve and those fronting the Mangatewainui Stream contain some undulating and broken country. The road-lines radiate from the Makotoku Railway Station, in the centre of the block. Three miles of the road-lines have been cleared through the block, and several sections have frontages to the coach-road. Block V., Takapau District, and Block VI., Norsewood Survey District: These lands, which front the coach-road, are situated from two to four miles from the Makotoku Railway Station. Block V.: Undulating bush land, will make excellent grazing country. Block VI.: Bush-covered level land, soil light. The forest consists of mixed timbers, such as pines and other indigenous trees.
