ORDER IN COUNCIL.

At Christchurch, this seventeenth day of January, 1885.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by "The Harbours Act Amendment Act, 1883" (hereinafter called "the said Act"), it is, among other things, enacted that, where the foreshore has been legally vested in any Harbour Board or other local governing body, it may from time to time, subject to the provisions of the one hundred and fifty-sixth section of "The Harbours Act, 1878," license and permit any part of the foreshore to be used or occupied, *inter alia*, for the erection and use of any landing-place or wharf: And whereas by the said Act it is also provided that every licensee shall, subject to the provisions of the said Act, have power to make and construct any necessary reclamation for the purpose of erecting on the foreshore comprised in his license, or upon any land below low-water mark immediately contiguous to such foreshore which shall be specified in such license, any building, structure, erection, or other works to enable him to obtain the full benefit of such license: And whereas by the said Act it is further provided that every such license shall be in writing under the seal of the Board or body granting the same, and may be for any period not exceeding fourteen years from the date thereof, and may prescribe a sum of money to be payable either at stated periods or on or before the granting thereof for the use of the foreshore so granted, and may prescribe any other terms or conditions, general or particular, to be observed or performed by the person to whom the same is granted: And whereas by the said Act it is also enacted that, in any case where there is no Harbour

Board, or no Harbour Board empowered to grant any such license as aforesaid, the Governor in Council may in his discretion grant and issue a license for all or any of the purposes hereinbefore mentioned, and all the provisions of the said Act in respect of such licenses shall, *mutatis mutandis*, apply accordingly: And whereas William Brownlee, of Havelock, has applied for a license under the said Act to occupy a part of the foreshore and the land below low-water mark on the Pelorus River, Havelock Harbour, in order to erect and maintain thereon a wharf; and, in accordance with the one hundred and fifty-sixth section of "The Harbours Act, 1878," has deposited plans in the office of the Marine Department, at Wellington (marked M.D. 988 and 989), showing the manner in which it is proposed to construct such wharf, the place in the said river where it is intended to erect the same, and the area of foreshore or land below low-water mark intended to be occupied for such purpose: And whereas it has been made to appear to the Governor in Council that the proposed work will not be or tend to the injury of navigation; and the said plans have, prior to the making of this Order in Council, been approved by the Governor in Council: And whereas there is no Harbour Board having jurisdiction in the said harbour, and it is expedient that a license should be granted and issued to the said William Brownlee under the said Act, for the purpose aforesaid, on the terms and conditions hereinafter expressed:

Now, therefore, the Governor of the Colony of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and with the advice and consent of the Executive Council of the said colony, doth hereby approve of the purpose or object for which the said license is required by the said William Brownlee as aforesaid; and in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, doth hereby license and permit the said William Brownlee to use and occupy that part of the foreshore and of the land below low-water mark which is particularly shown and delineated on the plans so deposited as aforesaid, for the purpose of constructing or erecting thereon a wharf, such license to be held and enjoyed by him upon and subject to the following terms and conditions, that is to say,—

1. The concessions and privileges conferred by this Order in Council shall extend and apply only to the parts of the foreshore and of the land below low-water mark necessary for the erection of such wharf, which are shown on the said plans marked M.D. 988 and 989.

2. In consideration of the concessions and privileges granted by this Order in Council, the said William Brownlee shall, on being supplied with a copy thereof, pay to the Minister the sum of five pounds, and thereafter an annual sum of one pound, dating from the thirty-first day of December, one thousand eight hundred and eighty-four, the first of such yearly payments to be made on a copy of this Order in Council being supplied to the said William Brownlee, and thereafter such annual payments to be made on the thirty-first day of December.

3. The said William Brownlee shall maintain the above-mentioned wharf in good order and repair; and shall at all times exhibit therefrom, and maintain at his own cost, suitable and necessary lights for the guidance of vessels: Provided that no light shall be exhibited until after it has been approved of by the Minister.

4. Any person authorized by the Minister may, at all reasonable times, enter upon the said wharf and view the state of repairs thereof; and that upon such Minister leaving at or posting to the last known address of the said William Brownlee a notice in writing of any defect or want of repair in such wharf, requiring him, within a reasonable time to be therein prescribed, to repair the same, he shall with all convenient speed cause such defect to be removed or such repairs to be made.

5. That nothing herein contained shall authorize the said William Brownlee to do or cause to be done anything repugnant to or inconsistent with any law relating to the Customs, or any regulation of the Commissioner of Trade and Customs, or with any provisions of "The Harbours Act, 1878," or its amendments, or any regulations made thereunder, and that are now or may hereafter be in force.

6. That the ballast of all vessels loading at the said wharf shall be taken away by the said William Brownlee and deposited above high-water mark, or at such place as may be approved of by the Minister, or by the Harbourmaster at Havelock.

7. That the rights, powers, and privileges conferred by this Order in Council shall continue in force for fourteen years, computed from the date of this Order in Council, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority; and the said William Brownlee shall not assign, charge, or part with any such right, power, or privilege without the previous written consent of the Minister first obtained.

8. That the said rights, powers, and privileges may be at

any time resumed by the Governor, without payment of any compensation whatever, on giving to the said William Brownlee six calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister, and delivered at or posted to the last known address of the said William Brownlee.

9. The said William Brownlee shall be liable for any injury which the said wharf may cause any vessel or boat to sustain through any default or neglect on his part.

10. In case the said William Brownlee shall—

- (1.) Commit or suffer a breach of the conditions hereinbefore set forth, or any of them;
- (2.) Cease to use or occupy the said wharf;
- (3.) Fail to pay the sum specified in clause two of these conditions; or
- (4.) Become bankrupt or be in any manner brought under the operation of any Act for the time being in force relating to bankruptcy;

then and in any of the said cases this Order in Council, and every right, power, or privilege, may be revoked and determined by the Governor in Council without any notice to the said William Brownlee or other proceeding whatsoever, and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the said William Brownlee, and to all persons concerned or interested, that this Order in Council, and the rights and privileges thereby conferred, have been revoked and determined.

11. In these conditions the term "Minister" means the Minister having charge of the Marine Department, as defined by "The Shipping and Seamen's Act, 1877," and includes any officer, person, or authority acting by or under the direction of such Minister.

PRIZE ESSAYS.

Wellington, 29th December, 1884.

ONE gold medal and twenty guineas, one silver medal and ten guineas, and one bronze medal and five guineas will be awarded for essays on the present condition and future prospects of the industrial resources of New Zealand, and the best means for fostering their development.

In judging of the merits of the essays preference will be given to those which are of a practical character, rather than to mere abstract or theoretical disquisitions. The essays must be sent in to the Secretary of the Exhibition, signed with a motto and accompanied by a sealed envelope containing the author's name and address, on or before the 1st day of December, 1885. This late date is fixed to enable the essayists, if they desire to do so, to utilize the information which the Exhibition itself will supply.

The essays will be submitted to a Board of three persons, to be hereafter appointed, on whose decision respecting the merits of the essays the above prizes will be awarded; provided the essays reach a sufficiently-deserving standard of excellence.

*Report of Court of Inquiry into Wreck of "Star of the South" confirmed.*Marine Department,
Wellington, 19th January, 1885.

HIS Excellency the Governor has been pleased to confirm the following report of the Court of Inquiry into the wreck of the steamer "Star of the South," by which the Board of Trade Certificate of Competency, No. 15192, held by the master, Charles Hodge, is suspended for twelve months.

W. J. M. LARNACH.

THE "Star of the South" was lost on the 22nd December instant, when entering the Grey River, by being dashed against the stone protective works on the left bank of the river, after crossing the bar and getting inside the entrance, by which means she became a total wreck.

The evidence shows that there was at the time a strong fresh in the river, and that the harbour signal signifying "Bar dangerous" was exhibited. Notwithstanding this signal, the master of the vessel, Captain Hodge, resolved to take the bar.

This attempt was persisted in notwithstanding that the signal was altered by lowering one of the three balls, leaving two others in position, which constituted the signal "Put to sea;" and that, when the master's intention still to persist in attempting an entrance became manifest, four flags, signifying, according to the commercial code of signals, "No chance," were immediately hoisted. The natural consequence of this attempt took place, and the vessel became a wreck, as before stated, upon the stone bank.

The only justification offered for the attempt to enter the river in the circumstances mentioned is that the signal was supposed to refer to the sea on the bar only, of which the master could judge for himself, and that the circumstances of a flood in the river ought to have been specially signalled. But the Court is of opinion that the circumstance of a flood in the river at the Port of Greymouth ought not to have been absent from the mind of the master when the danger signal was shown, and it was also possible to ascertain the fact for himself by proper observation.

It was also said that it is not unusual for masters of vessels to enter bar harbours, in spite of the danger signal, upon their own responsibility. There is no doubt that this has not unfrequently been done, but in such cases the master chooses to take the risk, and cannot divest himself of the responsibility by the plea that the same thing has been done by others.

The rashness and recklessness of the master in the present case are aggravated by the fact that, in addition to the danger signal, two other signals were successively hoisted, one

directing him to "Put to sea," and the other signifying "No chance." The master's statement that he did not know the meaning of these signals scarcely improves his case, at all events with regard to the former, for it is not easy to say which is the least excusable, on the part of the master entering such a river as the Grey, ignorance of the signal meaning "Put to sea," or recklessness in ignoring it; and, if there was more excuse for failing at the moment to know the meaning of the four flags, they ought at all events to have served as a warning not to come on.

The Court, therefore, is of opinion that this wreck has been caused solely by the culpable rashness of the master, Captain Charles Hodge, in persisting in the attempt to enter the Grey River in reckless disregard of the harbour signals, and it is adjudged that his certificate be suspended for a period of twelve months, and that he pay the costs of this inquiry.

Given under my hand this twenty-seventh day of December, one thousand eight hundred and eighty-four, at Greymouth, New Zealand.

JOSEPH GILES,
Resident Magistrate.

We concur in the above report.

WM. R. E. BROWN,
Registrar-General.

* It is not unlikely that in some instances the places given under the heading "Residence" are not the present places of abode of the respective persons. They have been copied, however, as they stand in the General Register; and if they are inaccurate in any case it is because the changes of residence have not been officially notified to the Registrar-General, as it is obviously desirable that all such changes should be.—WM. THE FREEHOLDERS OF NEW ZEALAND:

A RETURN

GIVING the Names, Addresses, and Occupations of Owners of Land within the Colony, together with the Area and Value in Counties, and the Value in Boroughs and Town Districts, compiled from the Assessment Rolls of the Property-Tax Department as at the 1st October, 1882.

The names of Freeholders are printed in alphabetical order; and all land owned by them, in whatever part of the colony, appears opposite their respective names, thus enabling the total capital value of each person's freehold property to be seen at a glance.

The book also contains a Return of the Lands held by Banks, Insurance Companies, and Companies registered as Corporations with Limited Liability.

As a Directory the book will be found of great value, as it contains the most complete and reliable information, and includes the names of over 71,000 colonists.

The book can be obtained at the Government Stationery Store, Wellington.
