WELLINGTON, FRIDAY, JULY 3, 1885.

Teachers holding Certificates or Licenses under "The Education Act, 1877."

Education Department,
Wellington, 27th June, 1885.

THE following list of teachers is issued in accordance with the sixteenth section of an Order in Council dated the 24th September, 1878. In the column setting forth the reasons of the promotion of certain teachers, the letter M stands for Inspector's marks, the letter S for length of service, the letter E for examination, and the letter F for further evidence of qualifications or further consideration of the same. An asterisk denotes that a certificate is provisional, or that the issue of the certificate is deferred.

Attention is directed to the fact that, in accordance with the provisions of the Order in Council of the 7th May, 1885, the annual examination for certificates is in future to be held between the 14th and the 24th days of December, and candidates must give notice of their wish to be examined not later than the 15th day of September immediately before the examination.
