WM. F. DRUMMOND JERVOIS,  
Governor.

IN pursuance and exercise of the powers and authorities vested in him by "The Arms Act, 1880," His Excellency the Governor of the Colony of New Zealand, by and with the advice and consent of the Executive Council of the said Colony, doth hereby suspend, as from the date of the publication hereof in the *New Zealand Gazette*, the operation of all the provisions of the said Act in so far as they relate to the sale or purchase by any European or Europeans of arms, ammunition, gunpowder, lead, caps, or shot, for mining, sporting, or any useful or harmless purpose, in the district contained within the North Island and the adjacent smaller islands; and doth hereby further declare that from and after the date aforesaid the fee of one pound, payable in respect of a dealer's license in the Form B in the First Schedule to the said Act shall no longer be chargeable: And in exercise of the like powers, and with the like advice and consent as aforesaid, His Excellency doth hereby make and prescribe the regulations set forth in the Schedule hereto as those upon which ammunition for the purposes aforesaid may henceforth be obtained by aboriginal natives within the district aforesaid.

Failing in any of these particulars, the dealer shall refuse to deliver to the purchaser any of the ammunition, and shall refund any money paid for the same.

6. If any such dealer shall sell or dispose of any ammunition, with or without price or reward, to any other person, without taking such receipt, or shall within any one month sell or dispose of to the same person any quantity of ammunition exceeding the quantity mentioned in Regulation 1 hereof, the Governor may thereupon exercise his power of cancelling or withdrawing the license of such dealer.

7. Every such receipt as aforesaid shall be given by the purchaser, on receiving the ammunition, to the dealer, who shall keep the same.

*Extract from the London Gazette No. 25482, of Friday, 19th June, 1885.*

Downing Street, 18th June, 1885.

The following arrangement has been agreed upon between the Governments of Great Britain and Germany as to the boundaries of the possessions of the two countries in New Guinea: The point on the north-east coast of New Guinea where the 8th parallel of south latitude cuts the coast, forms the boundary on the coast, and a line described as under determines the boundaries inland of the respective territories:—

Starting from the coast in the neighbourhood of Mitre Rock on the 8th parallel of south latitude, and following this parallel to the point where it is cut by the 147th degree of east longitude; then in a straight line in a north-westerly direction to the point where the 6th parallel of south latitude cuts the 144th degree of east longitude; and continuing in a west-north-westerly direction to the point of intersection of the 5th parallel of south latitude and of the 141st degree of east longitude.

The British possessions lie to the south of the line thus defined, the German to the north. The British possessions will not include Long Island or Rook Island, or any islands adjacent to New Guinea to the northward of the 8th parallel of south latitude.

*PRIZE ESSAYS.*

Wellington, 29th December, 1884.
