(New Zealand, No. 48.)

Downing Street, 22nd July, 1885.

SIR,—In reply to your Despatch No. 42, of the 28th March last, I have the honour to transmit to you, for communication to your Government, an Order in Council directing that the Colonial Attorneys Relief Act shall, subject to the qualifications enacted by "The Colonial Attorneys Relief Act Amendment Act, 1884," come into operation as to the Colony of New Zealand.

I have, &c.,

Governor Sir W. F. D. Jervois,
G.C.M.G., C.B., &c.

At the Court at Windsor, the 24th day of June, 1885.

Present:

THE QUEEN'S MOST EXCELLENT MAJESTY,
His Royal Highness the Prince of Wales, Lord Chancellor, Lord President, Lord Privy Seal, Marquis of Hartington, Earl of Derby, Earl Granville, Earl of Kimberley, Secretary Sir William Vernon Harcourt, Mr. Chancellor of the Exchequer, Mr. Trevelyan, Sir Henry James.

WHEREAS by "The Colonial Attorneys Relief Act," passed in the twenty-first year of the reign of Her Majesty Queen Victoria, it is enacted that Her Majesty may from time to time, by Order in Council, direct that Act to come into operation as to any one or more of Her Majesty's colonies or dependencies, and thereupon, but not otherwise, the provisions of the Act shall apply to persons duly admitted as attorneys and solicitors in the superior Courts of law and equity in such colonies or dependencies, but no such Order in Council shall be made in respect of any colony, except upon application made by the Governor or person exercising the functions of Governor of such colony or dependency, and until it shall be shown to the satisfaction of Her

Majesty's Principal Secretary of State for the Colonies that the system of jurisprudence as administered in such colony or dependency, and the qualification for admission as an attorney or solicitor in the superior Courts of law and equity in such colony or dependency, answer to and fulfil the conditions specified in section three of the said Act, and also that the attorneys or solicitors of the superior Courts of law or equity in England are admitted as attorneys and solicitors in the superior Courts of law and equity of such colony or dependency on production of their certificates of admission in the English Courts, without service or examination in the colony or dependency:

And whereas by "The Colonial Attorneys Relief Act Amendment Act, 1884," it is enacted that, upon application made by the Governor or person exercising the functions of Governor of any of Her Majesty's colonies or dependencies, and after it has been shown to the satisfaction of Her Majesty's Principal Secretary of State for the Colonies that the system of jurisprudence as administered in such colony or dependency answers to and fulfils the conditions specified in section three of the Colonial Attorneys Relief Act; and also that the attorneys and solicitors of the superior Courts of law or equity in England are admitted as attorneys and solicitors in the superior Courts of law and equity of such colony or dependency on production of their certificates of admission in the English Courts, without service in the colony or dependency, or examination, except in the laws of the colony or dependency in so far as they differ from the laws of England, Her Majesty may from time to time, by Order in Council, direct the Colonial Attorneys Relief Act to come into operation as to such colony or dependency, although persons may in certain cases be admitted as attorneys or solicitors in such colony or dependency without possessing all the qualifications for admission, or having fulfilled the conditions specified in the said section three, and thereupon, but not otherwise, the provisions of the Colonial Attorneys Relief Act shall apply to persons duly admitted as attorneys and solicitors in such colony or dependency after service and examination, that is to say, no attorney or solicitor of any such colony or dependency shall be admitted as a solicitor of the Supreme Court in England unless, in addition to the requirements of the Colonial Attorneys Relief Act, he prove by affidavit that he has served for five years under articles of clerkship to a solicitor or attorney-at-law in such colony or dependency; and passed an examination to test his fitness and capacity before he was admitted an attorney or solicitor in such colony or dependency; and, further, that he has since been in actual practice as attorney or solicitor in such colony or dependency for the period of seven years at the least:

And whereas application has been made by Sir William Drummond Jervois, G.C.M.G., C.B., Governor of the Colony of New Zealand, that the Colonial Attorneys Relief Acts may be directed to come into operation within the said colony:

And whereas it has been shown to the satisfaction of the Earl of Derby, Her Majesty's Principal Secretary of State for the Colonies, that the system of jurisprudence as administered in the Colony of New Zealand answers to and fulfils the conditions specified in section three of the said Act, and also that the attorneys or solicitors of the superior courts of law or equity in England are admitted as attorneys and solicitors in the superior Courts of law and equity of New Zealand on production of their certificates of admission in the English Courts, without service or examination in New Zealand, except in the laws of the colony in so far as they differ from the laws of England:

Now, therefore, in pursuance of the above-recited Acts, and in execution of the powers thereby in Her Majesty vested, Her Majesty is pleased, with the advice of Her Most Honourable Privy Council, to order, and it is hereby ordered, that, from and after the date of the publication of this Order in Council by the Officer Administering the Government of the Colony, the Colonial Attorneys Relief Act shall, subject to the qualifications enacted by "The Colonial Attorneys Relief Act Amendment Act, 1884," come into operation as to the Colony of New Zealand, although persons may, in certain cases, be admitted as attorneys or solicitors in the said colony without possessing all the qualifications for admission, or having fulfilled the conditions specified in section three of the said Act.

And the Right Honourable Her Majesty's Principal Secretary of State for the Colonies is to give the necessary instructions herein accordingly.

W. J. M. LARNACH,
Minister of Mines.

AMENDED CONDITIONS.

New Zealand Industrial Exhibition, 1885.

PRIZE ESSAYS.

Wellington, 29th December, 1884.

ONE gold medal and twenty guineas, one silver medal and ten guineas, and one bronze medal and five guineas will be awarded for essays on the present condition and future prospects of the industrial resources of New Zealand, and the best means for fostering their development.

In judging of the merits of the essays preference will be given to those which are of a practical character, rather than to mere abstract or theoretical disquisitions. The essays must be sent in to the Secretary of the Exhibition, signed with a motto and accompanied by a sealed envelope containing the author's name and address, on or before the 1st day of December, 1885. This late date is fixed to enable the essayists, if they desire to do so, to utilize the information which the Exhibition itself will supply.

The essays will be submitted to a Board of three persons, to be hereafter appointed, on whose decision respecting the merits of the essays the above prizes will be awarded; provided the essays reach a sufficiently-deserving standard of excellence.

The following remarks apply only to the four principal boroughs:—

The births in August were 287, against 317 in July, a decrease of 30. The deaths in August were 105, against 112 in July, a decrease of 7.

There were 11 deaths of persons of 65 years and upwards: three males of 85, 74, and 68, and three females of 80, 67, and 65, died at Auckland; a male of 73 and a female of 73 at Wellington; a male of 71 at Christchurch; and a male of 76 and a female of 81 at Dunedin.

Zymotic Diseases.—The mortality from these diseases was again low in August. Four of the 10 deaths were attributed to syphilis, 2 having been those of young children. There were 2 deaths from diphtheria: 1 in Auckland and 1 in Wellington.

Dietic Diseases.—The 3 deaths in this class were all from alcoholism.

Constitutional Diseases.—The deaths from these diseases were 20 in August, against 21 in July. Of these, the deaths from cancer were 6 in August and 4 in July; phthisis caused 11 deaths in each month.

Local Diseases.—These diseases were slightly more fatal in August, the deaths having been 61 in that month, against 58 in July; but, while diseases of the nervous system caused fewer deaths (15 in August, against 19 in July), diseases of the respiratory organs were more prevalent, the deaths having been 14 in July and 20 in August.

Violent Deaths.—There were no deaths registered as in this class during the past month: an exceptional feature in the monthly report.

The subjoined table shows the mortality for the last two months at each of these four boroughs from six principal specific febrile or zymotic diseases, and also the deaths from certain inflammatory diseases of the lungs. These causes of death have been distinguished from the others of the classes to which they belong, as being the most important special diseases which give rise to sudden increases in the death-rates of towns, and the prevalence of which is closely connected with sanitary condition and climatic influence of the season on health.

A RETURN

GIVING the Names, Addresses, and Occupations of Owners of Land within the Colony, together with the Area and Value in Counties, and the Value in Boroughs and Town Districts, compiled from the Assessment Rolls of the Property-Tax Department as at the 1st October, 1882.

The names of Freeholders are printed in alphabetical order; and all land owned by them, in whatever part of the colony, appears opposite their respective names, thus enabling the total capital value of each person's freehold property to be seen at a glance.

The book also contains a Return of the Lands held by Banks, Insurance Companies, and Companies registered as Corporations with Limited Liability.

As a Directory the book will be found of great value, as it contains the most complete and reliable information, and includes the names of over 71,000 colonists.
