WM. F. DRUMMOND JERVOIS,
Governor.

ORDER IN COUNCIL.

At the Government House, at Wellington, this twenty-third day of March, 1886.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by the one hundred and sixty-third section of "The Land Act, 1885," it is enacted that the Governor in Council may from time to time make, alter, and repeal regulations for fixing the terms and conditions upon which the lands in any special settlement shall be disposed of, and the mode of payment for the same:

And whereas it is desirable to make regulations for the occupation of the block of land set apart by Proclamation dated the first day of January, one thousand eight hundred and eighty-six, in terms of the one hundred and sixty-second section of the said Act, as a special settlement for non-commissioned officers and members of the Police and Armed Constabulary Force who may retire for the purpose of settling thereon, or who may have been discharged on reduction of that force since the first day of January, one thousand eight hundred and eighty-two, or who, with permission of the Defence Minister, are permitted to continue to serve, with the intention of settling thereon:

And whereas it is desirable to revoke the regulations which were made by Order in Council issued on the twenty-ninth day of December, one thousand eight hundred and eighty-five, and to make new regulations in lieu thereof:

Now, therefore, I, William Francis Drummond Jervois, the Governor of the Colony of New Zealand, in pursuance and exercise of the power and authority conferred upon me by the hereinbefore in part recited Act, and by and with the advice and consent of the Executive Council of the said colony, do hereby revoke the Order in Council of the said twenty-ninth day of December, one thousand eight hundred and eighty-five, and do hereby fix the following terms and conditions as those upon which the special-settlement block shall be disposed of to members of the said force, and the mode of payment for the same,

REGULATIONS.

1. In the construction of these regulations, unless the context shall otherwise require, the following expressions shall have the meanings hereby assigned to them:—

"Land" shall mean the block of land set apart for a special settlement for occupation under these regulations:

"Settler" shall mean any member of the Police or Armed Constabulary Force who may lease land under these regulations:

"Minister" shall mean the Minister of Lands for the time being, or any member of the Executive acting for him:

"Commissioner" means the Commissioner of Crown Lands for the land district.

2. The allotments shall not exceed 200 acres each, and shall be held exclusively on perpetual lease.

3. All surveys shall be executed at the cost of the Government.

4. Such portions of the land as may be required for the purposes of the Government of the colony, or for educational, recreation, or other public purposes, and as shall be approved by the Minister, shall not be open for allotment under these regulations.

5. The allotment of sections shall be made according to priority of application to the Commissioner. Should more than one application be made for the same section on the same day, the right to occupy the same shall be determined by lot amongst the applicants.

6. Every lease shall be for a term fixed so as to expire on the thirtieth day of June which shall first ensue after the expiration of thirty years from the date of the commencement of the term, and shall be renewable from time to time as provided by "The Land Act, 1885," without right to the settler to acquire the freehold.

The lessee shall pay the rent reserved by his lease to the Receiver of Land Revenue of the district wherein the land leased by him is situate, by equal half-yearly instalments, in advance, on the first day of the months of January and July in each year; and the half-year's rent, which must be paid at the time of tendering, shall be in discharge of the half-year's rent due on the first day of January or the first day of July which shall first ensue after the commencement of the term.

7. The land shall be disposed of at a rental of not less than 1s. an acre for the first term, and thereafter at such rental as may be assessed in manner provided by Part IV. of "The Land Act, 1885."

8. One-third of the rents paid from time to time shall, for the first fifteen years, be repaid to the local body of the district for expenditure on roads in or leading to the block.

9. Each settler shall, within two years from the date of his selection, bring into cultivation not less than one-tenth of the land selected by him.

(a.) Each settler shall, within four years from the date of his selection, bring into cultivation not less than one-fifth of the land selected by him.

(b.) Each settler shall, within six years from the date of his selection, in addition to the cultivation of one-fifth of the land, have put substantial improvements of a permanent character on the land to the value of £1 for every acre of such land.

10. The expression "substantial improvements of a permanent character" shall, for all purposes of these regulations, mean and include reclamation from swamps, clearing of bush or scrub, cultivation, planting with trees or live hedges, the laying-out and cultivating of gardens, fencing, draining, making roads, sinking wells or water-tanks, constructing water-races, in any way improving the character or fertility of the soil, or the erection of any building.

11. Cultivation shall mean—

- (1.) Fencing the land with timber or other durable materials, not being a brush fence;
- (2.) Breaking up and laying down the same in English or other cultivated grass; or
- (3.) Breaking up and planting or sowing root or other crops therein; and, in case of bush lands, the felling and clearing of timber and sowing of grass.

12. In the event of the death of a settler, his interest in the allotment will revert to his legal representatives, who may dispose of it to a *bonâ fide* settler approved by the Commissioner; and the purchaser shall be deemed to stand in the position of the original settler.

13. Should any settler be compelled to leave the district previous to his completing the requisite term of occupation, it shall be competent for the Commissioner to permit such settler to transfer his rights, title, and interest in the land selected to another *bonâ fide* settler, who shall be deemed to occupy the position of the original occupant: Provided always that no settler shall be allowed to hold more than 200 acres under these regulations.

14. No person shall be entitled to hold land under these regulations unless he shall have served at least five years in the Police and Armed Constabulary Force, and shall have retired for the purpose of settling on the said land, or shall have been discharged on reduction since the first day of January, 1882, or who, with permission of the Defence Minister, is permitted to serve with the intention of settling thereon; and in every case he must have received a good character on discharge, or at the time of receiving permission from the Defence Minister as above.

15. In case any doubt shall arise as to the construction of these terms and conditions, with reference to the selection and occupation or clearing of any land, or otherwise arising thereunder, the same shall be settled by the Commissioner.

Clerk of the Executive Council.

Making Additional Regulations for the Examination of Masters and Mates.

Marine Department,
Wellington, 13th March, 1886.

IN pursuance of the power vested in me by sections 24 and 25 of "The Shipping and Seamen's Act, 1877," I do hereby make the following additional regulations for the examination of masters and mates, the same being similar to additional regulations issued by the Board of Trade; and do hereby order that they shall come into force on the 1st day of April next.

W. J. M. LARNACH.

COLOUR TESTS.

1. EXAMINATIONS in colour are open to any person serving or about to serve in the mercantile marine.
2. Any person, including the holders of certificates of competency, or persons about to apply for certificates of competency, if desirous of being examined in colours only, must make application to a Superintendent of a Mercantile Marine Office (Customhouse), and pay a fee of 2s. 6d.
3. He must attend for examination at the Examiner's office, and if he passes he will receive a certificate to that effect.
4. If he fails, it will be open to him to be examined again in colours as often as he pleases, on payment of the fee of 2s. 6d. at each fresh attempt.
5. The application of a candidate who is presenting himself for examination for a master's or mate's certificate must be made on Form Exn. 2. Such examination will commence with the colour test; and if the candidate does not, at the time of making application, hold a certificate of competency of any grade, and should fail to distinguish correctly any one of the colours used in the test, he will not be allowed to proceed with the examination in navigation and seamanship.
6. The fee he has paid for examination for a certificate of competency will include the fee for the colour test, and, with the exception of 2s. 6d., will, in such event, be returned to him.
7. A candidate for examination for a certificate of competency who, at the time of making application, does not possess a certificate, and who fails to pass the colour test, may not be re-examined until after the lapse of three months from the date of his first failure. If he fails a second time, he will be allowed a third trial at the expiration of another three months from the date of his second failure. A fresh fee must be paid at each succeeding examination.
8. It is therefore obviously to the advantage of candidates for certificates of competency to apply in the first instance to be examined in colours only.
9. A candidate who holds a certificate of competency, and who, on presenting himself for examination for a certificate of a higher grade, is unable to pass the colour test, will, notwithstanding, be permitted to proceed with the examination in navigation and seamanship for the certificate of the higher grade.
10. Should he pass this examination, the following statement will be written on the face of the higher certificate which may be granted to him—namely, "This officer has failed to pass the examination in colours."
11. Should he fail to pass the examination in navigation and seamanship, a like statement, relating to his being colour-blind, will be made on his inferior certificate before it is returned to him.

Description.

Waihua and Taramarama Districts: Hilly pastoral country. Soil light, overlying a calcareous marl or papa formation. The vegetation consists of fern on the hills and slopes, with grass on some of the hill-tops, and scrub and light bush in the gullies. The land can be brought into good pasture by surface-sowing and subdividing. Distance by road from Clyde, the county-town, thirteen miles. The Wairoa County Council has in hand the formation of a road through these blocks. There is regular steam communication between Napier and Clyde.

Mohaka and Moeangiangi Districts: These runs are generally of the same description as the above. There are convenient shipping-places at the mouths of the Mohaka and Waikare Rivers. The distance from the sea-coast to these blocks varies from three to ten miles.

Block I., Maungaharuru District: Fern hills and spurs on the western slopes of the Maungaharuru, a limestone range. Situated five miles to the north of the Napier-Taupo coach-road, and forty miles from Napier.

Terms and Conditions.

The leases will be for an absolute term of twenty-one years, renewable for a further term of twenty-one years, in accordance with section 209 of "The Land Act, 1885."

Improvements equal in value to one year's rent must be effected in each year for the first two years, and before the end of the sixth year an additional amount, equal to two years' rent, must also be expended.

Valuations for permanent improvements, as described in sections 210 and 214 of "The Land Act, 1885," will be paid at the expiry of the leases to the outgoing tenants.

No person can take up more than one run. No person who owns freehold land under lease or license from the Crown which in all would exceed 6,000 acres, or who is incapable of making the declaration prescribed by section 200 of "The Land Act, 1885," can become a lessee.

Every lessee will have to reside on the land he leases within twelve months from the commencement of his lease, and thereafter for a period of six consecutive years. But the Land Board may relax this condition in the case of any lessee who is actually residing on any freehold or leasehold land of his own which is situated within ten miles of the run leased by him.

For a period of fourteen years from the date of the lease one-fourth of the rents will be handed over to the County Council or Road Board of the district, to be expended in the maintenance or construction of the roads leading to and opening up the land.

Intending purchasers must be prepared to hand to the auctioneer, on the fall of the hammer, a declaration, signed and witnessed by a Justice of the Peace, as required by section 200 of "The Land Act, 1885." In event of any purchaser failing to produce the required declaration, the lot will be put up again and resold.

The first half-year's rent, from the 1st September, 1886, to the 1st March, 1887, together with a fee of £1 1s. for the lease, must be paid at the sale.
