At the Government House, at Wellington, this fourteenth day of August, 1886.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by "The Harbours Act Amendment Act, 1883" (hereinafter called "the said Act"), it is, among other things, enacted that, where the foreshore has been legally vested in any Harbour Board or other local governing body, it may from time to time, subject to the provisions of the one hundred and fifty-sixth section of "The Harbours Act, 1878," license and permit any part of the foreshore to be used or occupied, *inter alia*, for the erection and use of any landing-place or wharf: And whereas by the said Act it is also provided that every licensee shall, subject to the provisions of the said Act, have power to make and construct any necessary reclamation for the purpose of erecting on the foreshore comprised in his license, or upon any land below low-water mark immediately contiguous to such foreshore which shall be specified in such license, any building, structure, erection, or other works to enable him to obtain the full benefit of such license: And whereas by the said Act it is further provided that every such license shall be in writing under the seal of the Board or body granting the same, and may be for any period not exceeding fourteen years from the date thereof, and may prescribe a sum of money to be payable either at stated periods or on or before the granting thereof for the use of the foreshore so granted, and may prescribe any other terms or conditions, general or particular, to be observed or performed by the person to whom the same is granted: And whereas by the said Act it is also enacted that, in any case where there is no Harbour Board, or no Harbour Board empowered to grant any such license as aforesaid, the Governor in Council may in his discretion grant and issue a license for all or any of the purposes hereinbefore mentioned, and all the provisions of the said Act in respect of such licenses shall, *mutatis mutandis*, apply accordingly: And whereas the Hokianga County Council (hereinafter called "the Council") has applied for a license under the said Act to occupy a part of the foreshore and the land below low-water mark at Kohukohu, in Hokianga Harbour, in order to erect and maintain thereon a wharf; and, in accordance with the one hundred and fifty-sixth section of "The Harbours Act, 1878," has deposited plans in the office of the Marine Department, at Wellington (marked M.D. 1222 and 1223), showing the manner in which it is proposed to construct such wharf, the place in the said harbour where it is intended to erect the same, and the area of foreshore or land below low-water mark intended to be occupied for such purpose: And whereas it has been made to appear to the Governor in Council that the proposed work will not be or tend to the injury of navigation; and the said plans have, prior to the making of this Order in Council, been approved by the Governor in Council: And whereas there is no Harbour Board having jurisdiction in the said harbour, and it is expedient that a license should be granted and issued to

the Council under the said Act, for the purpose aforesaid on the terms and conditions hereinafter expressed:

Now, therefore, the Governor of the Colony of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and with the advice and consent of the Executive Council of the said colony, doth hereby approve of the purpose or object for which the said license is required by the Council as aforesaid; and in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, doth hereby license and permit the Council to use and occupy that part of the foreshore and of the land below low-water mark which is particularly shown and delineated on the plans so deposited as aforesaid, for the purpose of constructing or erecting thereon a wharf, such license to be held and enjoyed by the Council upon and subject to the following terms and conditions, that is to say,—

1. The concessions and privileges conferred by this Order in Council shall extend and apply only to the parts of the foreshore and of the land below low-water mark necessary for the erection of such wharf, which are shown on the said plans marked M.D. 1222 and 1223.

2. That all Her Majesty's subjects shall at all reasonable times, upon payment of the proper dues, have free and full liberty to use the wharf, and of ingress and egress thereon.

3. That Her Majesty, or the Governor, and all officers in the Government service, acting in the execution of their duty, shall at all times have free ingress, passage, and egress into, through, and out of the wharf without payment.

4. The Council shall maintain the above-mentioned wharf in good order and repair; and shall at all times exhibit therefrom, and maintain at its own cost, suitable and necessary lights for the guidance of vessels: Provided that no light shall be exhibited until after it has been approved of by the Minister.

5. Any person authorized by the Minister may, at all reasonable times, enter upon the said wharf and view the state of repairs thereof; and that upon such Minister leaving at or posting to the last known address of the Council a notice in writing of any defect or want of repair in such wharf, requiring it, within a reasonable time to be therein prescribed, to repair the same, it shall with all convenient speed cause such defect to be removed or such repairs to be made.

6. That nothing herein contained shall authorize the Council to do or cause to be done anything repugnant to or inconsistent with any law relating to the Customs, or any regulation of the Commissioner of Trade and Customs, or with any provisions of "The Harbours Act, 1878," or its amendments, or any regulations made thereunder, and that are now or may hereafter be in force.

7. That the ballast of all vessels loading at the said wharf shall be taken away by the Council and deposited above high-water mark, or at such place as may be approved of by the Minister or by the Harbourmaster at Hokianga.

8. That the rights, powers, and privileges conferred by this Order in Council shall continue in force for fourteen years computed from the date of this Order in Council, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority; and the Council shall not assign, charge, or part with any such right, power, or privilege without the previous written consent of the Minister first obtained.

9. That the said rights, powers, and privileges may be at any time resumed by the Governor, without payment of any compensation whatever, on giving to the Council six calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister, and delivered at or posted to the last known address of the Council.

10. The Council shall be liable for any injury which the said wharf may cause any vessel or boat to sustain through any default or neglect on its part.

11. In case the Council shall—

(1.) Commit or suffer a breach of the conditions hereinbefore set forth, or any of them; or

(2.) Cease to use or occupy the said wharf;

then and in either of the said cases this Order in Council, and every right, power, or privilege, may be revoked and determined by the Governor in Council without any notice to the Council or other proceeding whatsoever, and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the Council, and to all persons concerned or interested, that this Order in Council, and the rights and privileges thereby conferred, have been revoked and determined.

12. In these conditions the term "Minister" means the Minister having charge of the Marine Department, as defined by "The Shipping and Seamen's Act, 1877," and includes any officer, person, or authority acting by or under the direction of such Minister.

REGULATIONS.

1. The land to be selected under these regulations shall be held on perpetual lease for the first term of thirty years, and for subsequent terms of twenty-one years, without any right of acquiring the freehold.

2. The rental shall be based on the capital value of the land, which shall in no case be less than 20s. an acre.

3. No charge will be made for the lease beyond the sum of 10s. for registering the same in the Land Transfer Department.

5. Married men will have preference as selectors under these regulations.

6. No greater area than fifty acres will be allotted to any one applicant.

7. Subject to such conditions as the Steward of Village Settlements may prescribe, and within the first five years of the date of the selection, an advance of a sum not exceeding £20 will be made to assist a selector in the erection of a house on his selection; and in bush lands a further sum not exceeding £2 10s. an acre up to but not exceeding an area of 20 acres will be advanced for bush-felling and for grassing from such sums as may be appropriated by Parliament for these purposes.

8. The annual rent shall be 5 per cent. on the capital value of the land, together with 5 per cent. on such sums as may be advanced in terms of clause 7, payable half-yearly, on the 1st day of January or July next ensuing after the lapse of six months from the dates of the selection and advances respectively.

13. Selectors shall not subdivide or sublet their holdings; but, with the consent of the Commissioner of Crown Lands for the district, they may transfer them, provided that all the conditions of these regulations have been fulfilled to date of application to transfer. No person who has an interest in any land in the colony shall be eligible as a selector under these regulations.

14. No selector shall take up more than one allotment under these regulations, which shall be held for his sole use and benefit, and not for the use or benefit of any other person whomsoever.

15. Any selector who shall fail to comply with these regulations in any respect shall, upon sufficient proof thereof to the satisfaction of the Commissioner, forfeit his interest in the land selected.

16. In case any doubt shall arise as to the construction of these terms and conditions with reference to the selection and occupation or clearing of any land, or otherwise arising thereunder, the same shall be settled by the Commissioner.

The following remarks apply only to the four principal boroughs:—

The births in July were 800 against 227 in June, an increase of 573. The deaths in July were 117 against 97 in June, an increase of 20.

There were 15 deaths of persons of 65 years and upwards: 3 males of 78, 71, and 65, and 2 females of 79 and 65, died at Auckland; 4 males of 77, 74, 73, and 69, and a female of 77, at Wellington; a male of 91, and a female of 77, at Christchurch; and 3 females of 85, 72, and 71 at Dunedin.

Specific Febrile or Zymotic Diseases.—These diseases caused a much greater mortality in July than in the previous month, the deaths having been 21 in July against 9 in June. Measles and rubeola (or German measles) caused 7 deaths in July, viz., 5 in Wellington and 2 in Christchurch, all of young children, against 3 in June. The mortality from whooping-cough increased from 2 deaths in June to 7 in July; these deaths in July having been confined to Dunedin. Typhoid fever caused 3 deaths in July against 1 in June. Of these, 2 occurred in Wellington and 1 in Christchurch.

Constitutional Diseases.—There was an increase in the number of deaths in this class from 13 in June to 19 in July. Of the latter, cancer caused 4 deaths, and phthisis 10.

Local Diseases.—Of the diseases in this class, those of the respiratory system caused 22 deaths in July against 15 in June; but the deaths from diseases of the nervous system were not quite so numerous in July. The full number of deaths in this class amounted to 53 in July, and 52 in June.

The subjoined table shows the mortality for the last two months at each of these four boroughs from six principal specific febrile or zymotic diseases, and also the deaths from certain inflammatory diseases of the lungs. These causes of death have been distinguished from the others of the classes to which they belong, as being the most important special diseases which give rise to sudden increases in the death-rates of towns, and the prevalence of which is closely connected with sanitary condition and climatic influence of the season on health.
