Foreshore of the Kirikiri River.*

WM. F. DRUMMOND JERVOIS,  
Governor.

ORDER IN COUNCIL.

At the Government House, at Wellington, this fifth day of July, 1887.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by "The Harbours Act Amendment Act, 1883" (hereinafter called the "said Act"), it is, among other things, enacted that, where the foreshore has been legally vested in any Harbour Board or other local governing body, it may from time to time, subject to the provisions of the one hundred and fifty-sixth section of "The Harbours Act, 1878," license and permit any part of the foreshore to be used or occupied, *inter alia*, for the purpose of any local enterprise or object which the Governor in Council may approve: And whereas by the said Act it is also provided that every licensee shall, subject to the provisions of the said Act, have power to make and construct any necessary reclamation for the purpose of erecting on the foreshore comprised in his license, or upon any land below low-water mark immediately contiguous to such foreshore which shall be specified in such license, any building, structure, erection, or other works to enable him to obtain the full benefit of such license: And whereas by the said Act it is further provided that every such license shall be in writing under the seal of the Board or body granting the same, and may be for any

period not exceeding fourteen years from the date thereof, and may prescribe a sum of money to be payable either at stated periods or on or before the granting thereof for the use of the foreshore so granted, and may prescribe any other terms or conditions, general or particular, to be observed or performed by the person to whom the same is granted: And whereas by the said Act it is also enacted that, in any case where there is no Harbour Board, or no Harbour Board empowered to grant any such license as aforesaid, the Governor in Council may in his discretion grant and issue a license for all or any of the purposes hereinbefore mentioned, and all the provisions of the said Act in respect of such licenses shall, *mutatis mutandis*, apply accordingly: And whereas James Darrow, of the Thames, has applied for a license under the said Act to occupy a part of the foreshore and the land below low-water mark immediately contiguous to such foreshore, in order to erect and maintain thereon a certain boom across the Kirikiri River, Thames, for the purpose of confining floating timber; and, in accordance with the one hundred and fifty-sixth section of "The Harbours Act, 1878," has deposited a plan in the office of the Marine Department, at Wellington (marked M.D. 1837), showing the place in the said river where it is intended to erect such boom, and the area of foreshore or land below low-water mark intended to be occupied for such purposes: And whereas it has been made to appear to the Governor in Council that the proposed work will not be or tend to the injury of navigation; and the said plan has, prior to the making of this Order in Council, been approved by the Governor in Council: And whereas the foreshore of the Kirikiri River has not been legally vested in any Harbour Board, and it is expedient that a license should be granted and issued to the said James Darrow under the said Act, for the purposes aforesaid, on the terms and conditions hereinafter expressed:

Now, therefore, His Excellency the Governor of the Colony of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and with the advice and consent of the Executive Council of the said colony, do hereby approve of the purpose or object for which the said license is required by the said James Darrow as aforesaid; and in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, do hereby license and permit the said James Darrow to use and occupy those parts of the foreshore and of the land below low-water mark immediately contiguous thereto which are particularly shown and delineated on the plan so deposited as aforesaid, for the purpose of constructing or erecting thereon a boom for confining any floating timber of any kind or description whatsoever belonging to or under the control of the said James Darrow, such license to be held and enjoyed by the said James Darrow upon and subject to the following terms and conditions, that is to say,—

1. The concessions and privileges conferred by this Order in Council shall extend and apply only to the parts of the foreshore and of the land below low-water mark necessary for the construction of a boom across the Kirikiri River, which is shown on the said plan marked M.D. 1837.

2. In consideration of the concessions and privileges granted by this Order in Council, James Darrow shall, on being supplied with a copy thereof, pay to the Minister the sum of five pounds, and thereafter an annual sum of two pounds, in respect of such boom, to be paid in two half-yearly instalments on the thirtieth day of June and the thirty-first day of December, the first of such half-yearly payments to date from the thirtieth day of June, one thousand eight hundred and eighty-seven, and to be paid to the Minister on a copy of this Order in Council being supplied to James Darrow.

3. James Darrow shall cause the said boom to be so constructed as to provide that there shall be no unnecessary delay in allowing the passage of vessels and boats.

4. Should it at any time be made to appear to the Minister that the means of providing proper passage for vessels and boats are insufficient, he may, by a notice in writing left at or posted to the last known address of James Darrow, require him to provide such means as may be specified in such notice, and he shall thereupon, with all convenient speed, cause such means to be provided.

5. That the rights, powers, and privileges conferred by this Order in Council shall continue in force for fourteen years, computed from the date of this Order in Council, unless in the meantime such rights, powers, and privileges shall be

altered, modified, or revoked by competent authority; and the said James Darrow shall not assign, charge, or part with any such right, power, or privilege without the previous written consent of the Minister first obtained.

6. That the said rights, powers, and privileges may be at any time resumed by the Governor, and James Darrow may be required to remove the boom from the Kirikiri River, and the bed thereof, at his own cost, without payment of any compensation whatever, on giving to James Darrow three calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister, and delivered at or posted to the last known address of James Darrow.

7. James Darrow shall be liable for any injury which may be sustained by any vessel or boat in passing through the boom, or by contact with it, and which may be occasioned by any default or neglect of his.

8. In case the said James Darrow shall—

- (1.) Commit or suffer a breach of the conditions hereinbefore set forth, or any of them;
- (2.) Cease to use or occupy the said boom;
- (3.) Fail to pay the sums specified in clause two of these conditions; or
- (4.) Become bankrupt or be in any manner brought under the operation of any Act for the time being in force relating to bankruptcy,

then and in any of the said cases this Order in Council and every right, power, or privilege may be revoked and determined by the Governor in Council without any notice to the said James Darrow or other proceeding whatsoever; and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to James Darrow, and to all persons concerned or interested, that this Order in Council and the rights and privileges thereby conferred have been revoked and determined; and upon such revocation the Minister may cause the said boom, and all other erections or buildings thereto belonging, to be removed, and may recover the cost incurred by any such removal from James Darrow, or his legal or personal representatives.

9. In these conditions the term "Minister" means the Minister having charge of the Marine Department, as defined by "The Shipping and Seamen's Act, 1877," and includes any officer, person, or authority acting by or under the direction of such Minister.

FORSTER GORING,  
Clerk of the Executive Council.

16. Obtaining money, valuable security, or goods by false pretences; receiving any money, valuable security, or other property knowing the same to have been stolen or unlawfully obtained.
17. (a.) Counterfeiting or altering money, or bringing into circulation counterfeited or altered money.  
(b.) Forgery, or counterfeiting or altering or uttering what is forged, counterfeited, or altered.  
(c.) Knowingly making, without lawful authority, any instrument, tool, or engine adapted and intended for the counterfeiting of coin of the realm or national coin.
18. Crimes against bankruptcy law.
19. Any malicious act done with intent to endanger persons in a railway train.
20. Malicious injury to property, if such offence be indictable.
21. Crimes committed at sea:—  
(a.) Piracy, by the law of nations.  
(b.) Sinking or destroying a vessel at sea, or attempting or conspiring to do so.  
(c.) Revolt, or conspiracy to revolt, by two or more persons on board a ship on the high seas, against the authority of the master.  
(d.) Assault on board a ship on the high seas with intent to destroy life or to do grievous bodily harm.
22. Dealing in slaves in such manner as to constitute an offence against the laws of both countries.

The extradition is also to take place for participation in any of the aforesaid crimes as an accessory before or after the fact, provided such participation be punishable by the laws of both contracting parties.

#### ARTICLE III.

No Guatemalan shall be delivered up by the Government of Guatemala to the Government of the United Kingdom, and no subject of the United Kingdom shall be delivered up by the Government thereof to the Government of Guatemala.

#### ARTICLE IV.

The extradition shall not take place if the person claimed on the part of the Government of the United Kingdom, or the person claimed on the part of the Government of Guatemala, has already been tried and discharged or punished, or is still under trial in the territory of Guatemala or in the United Kingdom respectively, for the crime for which his extradition is demanded.

If the person claimed on the part of the Government of the United Kingdom or on the part of the Government of Guatemala should be under examination for any other crime in the territory of Guatemala or in the United King-

dom respectively, his extradition shall be deferred until the conclusion of the trial and the full execution of any punishment awarded to him.

#### ARTICLE V.

The extradition shall not take place if, subsequently to the commission of the crime, or the institution of the penal prosecution or the conviction thereon, exemption from prosecution or punishment has been acquired by lapse of time, according to the laws of the State applied to.

#### ARTICLE VI.

A fugitive criminal shall not be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or if he prove that the requisition for his surrender has, in fact, been made with a view to try or punish him for an offence of a political character.

#### ARTICLE VII.

A person surrendered can in no case be kept in prison or be brought to trial in the State to which the surrender has been made for any other crime or on account of any other matters than those for which the extradition shall have taken place. This stipulation does not apply to crimes committed after the extradition.

#### ARTICLE VIII.

The requisition for extradition shall be made through the diplomatic agents of the high contracting parties respectively.

The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

If the requisition relates to a person already convicted, it must be accompanied by the sentence of condemnation passed against the convicted person by the competent Court of the State that makes the requisition for extradition.

A requisition for extradition cannot be founded solely on sentences passed *in contumaciam*, but persons convicted for contumacy shall be deemed to be accused persons.

#### ARTICLE IX.

If the requisition for extradition be in accordance with the foregoing stipulations, the competent authorities of the State applied to shall proceed to the arrest of the fugitive.

The prisoner is then to be brought before a competent Magistrate, who is to examine him, and to conduct the preliminary investigation of the case, just as if the apprehension had taken place for a crime committed in the same country.

#### ARTICLE X.

A fugitive criminal may be apprehended under a warrant issued by any Police Magistrate, Justice of the Peace, or other competent authority in either country, on such information or complaint, and such evidence, or after such proceedings as would, in the authority of the person issuing the warrant, justify the issue of a warrant if the crime had been committed or the person convicted in that part of the dominions of the two contracting parties in which the Magistrate, Justice of the Peace, or other competent authority exercises jurisdiction; provided, however, that in the United Kingdom the accused shall, in such case, be sent as speedily as possible before a Police Magistrate in London. He shall, in accordance with this article, be discharged, as well in Guatemala as in the United Kingdom, if within the term of thirty days a requisition for extradition shall not have been made by the diplomatic agent of his country in accordance with the stipulations of this treaty.

The same rule shall apply to the cases of persons accused or convicted of any of the crimes or offences specified in this treaty, and committed on the high seas on board any vessel of either country which may come into a port of the other.

#### ARTICLE XI.

The extradition shall take place only if the evidence be found sufficient, according to the laws of the State applied to, either to justify the committal of the prisoner for trial, in case the crime had been committed in the territory of the same State, or to prove that the prisoner is the identical person convicted by the Courts of the State which makes the requisition; and no criminal shall be surrendered until after the expiration of fifteen days from the date of his committal to prison to await the warrant for his surrender.

#### ARTICLE XII.

In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the State applied to shall admit as entirely valid evidence the sworn depositions or statements of witnesses taken in the other State, or copies thereof, and likewise the warrants and sentences issued therein, provided such documents purport

to be signed or certified by a Judge, Magistrate, or officer of such State, and are authenticated by the oath of some witness, or by being sealed with the official seal of the Minister of Justice, or some other Minister of State.

ARTICLE XIII.

If the individual claimed by one of the two high contracting parties, in pursuance of the present treaty, should be also claimed by one or several other Powers, on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to that State whose demand is earliest in date; unless any other arrangement should have been made between the different Governments to determine the preference, either on account of the gravity of the crime or offence, or for any other reason.

ARTICLE XIV.

If sufficient evidence for the extradition be not produced within three months from the date of the apprehension of the fugitive, he shall be set at liberty.

ARTICLE XV.

All articles seized which were in the possession of the person to be surrendered at the time of his apprehension shall, if the competent authority of the State applied to for the extradition has ordered the delivery of such articles, be given up when the extradition takes place; and the said delivery shall extend not merely to the stolen articles, but to everything that may serve as a proof of the crime.

ARTICLE XVI.

The high contracting parties renounce any claim for the reimbursement of the expenses incurred by them in the arrest and maintenance of the person to be surrendered and his conveyance till placed on board ship: they reciprocally agree to bear such expenses themselves.

ARTICLE XVII.

The stipulations of the present treaty shall be applicable to the colonies and foreign possessions of Her Britannic Majesty.

The requisition for the surrender of a fugitive criminal who has taken refuge in any of such colonies or foreign possessions shall be made to the Governor or chief authority of such colony or possession by the Chief Consular Officer of the Republic of Guatemala in such colony or possession.

Such requisition may be disposed of, subject always, as nearly as may be, to the provisions of this treaty, by the said Governor or chief authority, who, however, shall be at liberty either to grant the surrender or to refer the matter to his Government.

Her Britannic Majesty shall, however, be at liberty to make special arrangements in the British colonies and foreign possessions for the surrender of Guatemalan criminals who may take refuge within such colonies and foreign possessions, on the basis, as nearly as may be, of the provisions of the present treaty.

The requisition for the surrender of a fugitive criminal from any colony or foreign possession of Her Britannic Majesty shall be governed by the rules laid down in the preceding articles of the present treaty.

ARTICLE XVIII.

The present treaty shall come into force ten days after its publication, in conformity with the forms prescribed by the laws of the high contracting parties. It may be terminated by either of the high contracting parties, but shall remain in force for six months after notice has been given for its termination.

The treaty, after receiving the approval of the Congress of Guatemala, shall be ratified, and the ratification shall be exchanged at London as soon as possible.

In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seal of their arms.

Done at Guatemala, the fourth day of July, in the year of our Lord one thousand eight hundred and eighty-five.

(L.S.) J. P. HARRISS-GASTRELL.  
(L.S.) M. J. DARDON.

And whereas the ratifications of the said treaty were exchanged at Guatemala on the sixth day of September, one thousand eight hundred and eighty-six:

Now, therefore, Her Majesty, by and with the advice of her Privy Council, and in virtue of the authority committed to her by the said recited Acts, doth order, and it is hereby ordered, that, from and after the thirteenth day of December, one thousand eight hundred and eighty-six, the said Acts shall apply in the case of Guatemala, and of the said treaty with the Republic of Guatemala.

Provided always, and it is hereby further ordered, that the operation of the said Acts shall be suspended within the Dominion of Canada so far as relates to the Republic of

Guatemala and to the said treaty, and so long as the provisions of the Canadian Acts aforesaid continue in force and no longer.
