WELLINGTON, THURSDAY, FEBRUARY 2, 1888.

Rural Lands open for Sale or Selection.

WM. F. DRUMMOND JERVOIS, Governor,
By his Deputy,
JAMES PRENDERGAST.

IN pursuance and exercise of the powers and authorities conferred upon me by the third section of "The Land Act Amendment Act, 1887" (hereinafter termed "the said Act"), I, James Prendergast, in the name and on behalf of His Excellency the Governor of the Colony of New Zealand, and as his duly-appointed Deputy, having received the report of the Surveyor-General in this behalf, as in the said section is provided, do hereby declare that the rural lands enumerated in the Schedule hereto shall be open for sale or selection, after the lapse of a period of forty-five days from the date of the first public notification hereof, in the manner and upon the conditions mentioned in the said Act, and at the price per acre respectively set opposite such land in the said Schedule, viz.

Description of Land.—These lands are situated about 10 miles west of Churchill, on the Waikato River. Access will be available shortly by means of a bridle-road now in course of construction by the Government. The quality of the soil is everywhere excellent, a good deal of it being limestone. Most of the sections are covered with bush, and are a good deal broken; but some undulating lands, suitable for the plough, are found here and there. Daily trains from Auckland to Rangiriri, thence by canoe 3 miles to Churchill, and by track 10 miles to block.

<i>Description of Land.</i> —The above are scattered sections in a fairly-settled district; generally speaking, rough forest land.						<i>Description of Land.</i> —The land is excellent pastoral country. The carrying capacity of the land when cleared and grassed, judging from the results obtained by the settlers on the adjoining bush lands, is three cross-bred sheep to an acre. The formation is a limestone and marl (papa). The bush is mixed, generally of a light description. The main line of road, now in course of formation from the sea-coast at Wainui, connecting with the Napier-Wellington Railway at Tahoraite, runs through the centre of the Tautane Block. <i>Description of Land.</i> These sections are situated between the Wainuioru River and the coastal settled country, and include the frontage of the Pahaoa River from the Gladstone Flat Point horse-road to the junction of the Pahaoa and Wainuioru Rivers. The areas generally comprise hilly bush and scrub land, rising in places into high rocky peaks and rough ridges and spurs. The bush on some of the sections includes birch.
