"	25	"	$8\frac{1}{2}$ "

If at specific rates, other than *ad valorem*, then drawback equal to the amount of duty paid on the materials therein, on proof of such payment to the satisfaction of the Collector.

In addition to the above allowances, there shall be paid on all repacked goods exported a drawback of primage duty as follows, viz.:—

For goods under Class A,	$\frac{2}{3}$ per cent.
"	B, $\frac{1}{3}$ "

CLASS D.

There shall be allowed on the exportation of New-Zealand-brewed beer, in bottles, a drawback of the Excise duty paid thereon, on proof of such payment to the satisfaction of the Collector.

And, with the like advice and consent as aforesaid, the Governor doth hereby approve of the following regulations and conditions under which the drawbacks hereinbefore provided for may be allowed, that is to say,—

1. Drawbacks shall only be allowed upon articles included in Class A when the same are goods of known foreign production or manufacture.

2. The value of goods upon which drawback shall be payable shall not exceed the fair market value at the time of exportation of like goods when sold for home consumption at the port at which the goods are entered for drawback.

3. At the time of passing export entry for drawback on goods included in Classes A and B, there shall be produced to the proper officer invoices, in duplicate, for the goods described therein, specifying separately—

- Goods liable to specific rates of duty on importation;
- Goods liable to *ad valorem* duties on importation;
- Goods manufactured in New Zealand;

and setting forth legibly, in respect of each class of goods, the actual price received or to be received from the purchaser of the goods upon which drawback is claimed.

4. The said invoices shall be dated and signed by the exporter; and, if the proper officer shall so require, there shall also be produced to him the invoice or invoices for the goods which were produced at the time when the goods were entered for duty.

5. The export invoices, after being compared with the entry, and with the goods if required by the Collector or proper officer, shall be stamped at the Customhouse, and one

shall be returned to the exporter or his agent, and the other shall be attached to the drawback debenture.

6. The debenture for payment of drawback, whether on goods included in this order or on goods exported in original packages as imported, as provided for in section 146 of "The Customs Laws Consolidation Act, 1882," shall be in the form set forth in the Order in Council made on the nineteenth day of December, 1881, and shall be made out in duplicate, signed, declared to, and presented to the Collector for payment by the person entitled to the drawback.

7. No debenture shall be paid until the expiration of seven days after the departure from the colony of the vessel upon which the drawback goods were shipped, nor unless the proper officer shall in every case have satisfied himself, and certified on the entry for drawback, that such goods are of the number, quantity, or value set forth in the entry, and that the law and regulations in respect thereof have been duly complied with.

8. Exporters of goods for drawback of duty shall pay to the Collector a charge of one shilling and sixpence per hour, or any portion of an hour, for the time an officer is employed under these regulations, together with any other expense incurred as certified by the Collector; and no debenture shall be passed for payment until such expenses shall have been paid.

9. Upon completing the packing of goods for drawback of duty the packages shall be secured and sealed by an officer of Customs, and be forthwith conveyed to the place of shipment by a carrier licensed under the Customs Acts, there to be shipped in the presence of the proper officer; or, if not so forthwith conveyed and shipped, the packages shall be removed to some place of security approved by the Collector.

10. For the purposes of this Order in Council goods cleared from the warehouse for home consumption shall be deemed to have been duty-paid on importation.

11. Nothing in this Order in Council shall be deemed to authorise any allowance of drawback upon any goods which shall be of less value than the amount of drawback claimed in respect thereof, or to allow any drawback in excess of the amount of duty paid.

ORDER IN COUNCIL.

At the Government House, at Wellington, this twenty-fifth day of September, 1888.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by an Order in Council dated the thirtieth day of September, one thousand eight hundred and eighty-six, His Excellency the Governor of the Colony of New Zealand did, in exercise and pursuance of the powers vested in him by "The Government Life Insurance Act, 1886," and "The Government Insurance and Annuities Act, 1874" (hereinafter referred to as "the said Acts"), order and direct that the several tables set forth in the Second Schedule to an Order in Council dated the eighth day of April, one thousand eight hundred and eighty-five, should be the tables to be used for the purposes of the said Acts until other provision should be lawfully made in that behalf:

And whereas it is expedient to revoke the said Order in Council of the thirtieth day of September aforesaid in so far as it directs the use of the several tables aforesaid, and to make other provision in that behalf:

And whereas the Government Insurance Commissioner has, since the making of the Order in Council of the thirtieth day of September, one thousand eight hundred and eighty-six, entered into certain contracts of assurance upon the basis of the tables set forth in the Schedule hereto, upon the assumption that such tables were in force by virtue of the said last-mentioned Order in Council, and it appears expedient to validate such contracts in manner hereinafter appearing:

Now, therefore, His Excellency the Governor of the Colony of New Zealand, in exercise and pursuance of the powers and authorities vested in him by the said Acts, and by and with the advice and consent of the Executive Council of the said colony, doth hereby revoke the said recited Order in Council of the thirtieth day of September aforesaid in so far as it directs the use of the several tables contained in the said recited Order in Council of the eighth day of April aforesaid, and in lieu thereof doth hereby order and direct that the several tables to be henceforth used for the purposes of the said Acts shall be those set forth in the Schedule hereto. And in exercise of the like powers and authorities, and with the like advice and consent, His Excellency the Governor doth hereby order and direct that no contract of assurance entered into by the Government Insurance Commissioner for the time being since the thirtieth day of September, one thousand eight hundred and eighty-six, shall be invalid or be liable to be set aside by reason only that such contract was made as aforesaid upon the basis of the tables set forth in the Schedule hereto; and it is hereby further ordered that this Order in Council shall come into force and take effect as from the date of the publication hereof in the *New Zealand Gazette*.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

IN pursuance of the powers and authorities vested in him by "The Fisheries Conservation Act, 1884," His Excellency the Governor of the Colony of New Zealand, acting by and with the advice and consent of the Executive Council of the said colony, doth hereby make the following regulations for the Provincial District of Nelson, and the waters thereof; and doth hereby declare that these regulations shall, as from the date of the publication thereof in the *New Zealand Gazette*, supersede all regulations at variance therewith.

REGULATIONS.

1. ANY holder of a license as hereinafter mentioned may fish for trout with rod and line, and may use a landing-net to secure any trout caught with such rod and line, in each river or stream in the Provincial District of Nelson which flows into Blind Bay, from the first day of October in any one year to the thirty-first day of March in the following year, both inclusive. Such licenses will be issued under the hand of the Honorary Secretary of the Nelson Acclimatisation Society, and for every such license a fee of ten shillings will be charged.

2. The Secretary of the said society may issue day licenses to *bonâ fide* travellers and strangers not resident within the district aforesaid, on payment of a fee of two shillings and sixpence for each day's fishing.

3. Any holder of a license may fish with one rod and line for trout, and may use a landing-net to secure any trout caught with such rod and line, in the above-named rivers, from the first day of October in any one year to the thirty-first day of March in the following year, both inclusive.

4. No license shall authorise any person other than the person named therein to fish.

5. Any person fishing either without a license, or who shall, on demand of any person holding and showing a license, or on demand of any ranger, police officer, or constable, fail to produce and show to such person, ranger, police officer, or constable his license, or the contents of his creel, basket, or bag, shall be liable to a penalty of not less than twenty shillings and not exceeding twenty pounds.

WM. F. DRUMMOND JERVOIS,  
Governor.

#### ORDER IN COUNCIL.

At the Government House, at Wellington, this twenty-fifth day of September, 1888.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by "The Harbours Act Amendment Act, 1888" (hereinafter called "the said Act"), it is, among other things, enacted that, where the foreshore has been legally vested in any Harbour Board or other local governing body, any such Board or local governing body may from time to time, subject to the provisions of the one hundred and fifty-sixth section of "The Harbours Act, 1878," license and permit any part of the foreshore to be used or occupied, *inter alia*, for the erection and use of any landing-place or wharf upon the terms and conditions in the said Act mentioned: And whereas by the said Act it is also provided that every licensee shall, subject to the provisions of the said Act, have power to make and construct any necessary reclamation for the purpose of erecting on the foreshore comprised in his license, or upon any land below low-water mark immediately contiguous to such foreshore which shall be specified in such license, any building, structure, erection, or other works to enable him to obtain the full benefit of such license: And whereas by the said Act it is also enacted that, in any case where there is no Harbour Board, or no Harbour Board empowered to grant any such license as aforesaid, the Governor in Council may in his discretion grant and issue a license for all or any of the purposes hereinbefore mentioned, and all the provisions of the said Act in respect of such licenses shall, *mutatis mutandis*, apply accordingly: And whereas there being no Harbour Board empowered to grant the license hereinafter mentioned the Town of Raglan Road Board and the Whaingaroa Road Board (hereinafter called "the said Boards") have applied to the Governor for a license under the said Act to occupy a part of the foreshore and the land below low-water mark immediately contiguous to such foreshore in Raglan Harbour, in order to erect and maintain thereon a wharf; and, in

accordance with the one hundred and fifty-sixth section of "The Harbours Act, 1878," have deposited plans in the office of the Marine Department, at Wellington (marked M.D. 1431 and 1449), showing the manner in which it is proposed to construct such wharf, the place in the said harbour where it is intended to erect the same, and the area of foreshore or land below low-water mark intended to be occupied for such purpose: And whereas it has been made to appear to the Governor in Council that the proposed work will not be or tend to the injury of navigation; and the said plans have prior to the making of this Order in Council been approved by the Governor in Council, without modification or addition: And whereas it is expedient that a license should be granted and issued to the said Boards under the said Act, for the purpose aforesaid, on the terms and conditions hereinafter expressed:

Now, therefore, the Governor of the Colony of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and with the advice and consent of the Executive Council of the said colony, doth hereby license and permit the said Boards to use and occupy that part of the foreshore and of the land below low-water mark immediately contiguous thereto which is particularly shown and delineated on the plans so deposited as aforesaid, for the purpose of constructing or erecting thereon a wharf, such license to be held and enjoyed by the said Boards upon and subject to the following terms and conditions, that is to say,—

1. The concessions and privileges conferred by this Order in Council shall extend and apply only to the parts of the foreshore and of the land below low-water mark necessary for the erection of such wharf, which are shown on the plan marked M.D. 1449.

2. That all Her Majesty's subjects shall at all reasonable times, upon payment of the proper dues, have free and full liberty to use the wharf, and full liberty of ingress and egress thereon.

3. That Her Majesty, or the Governor, and all officers in the Government service, acting in the execution of their duty, shall at all times have free ingress, passage, and egress into, through, and out of the wharf without payment.

4. The said Boards shall maintain the above-mentioned wharf in good order and repair; and shall at all times exhibit thereon, and maintain at their own cost, suitable and necessary lights for the guidance of vessels: Provided that no light shall be exhibited until after it has been approved of by the Minister.

5. Any person authorised by the Minister may, at all reasonable times, enter upon the said wharf and view the state of repair thereof; and upon such Minister leaving at or posting to the last known address of the said Boards, or either of them, a notice in writing of any defect or want of repair in such wharf, requiring them, within a reasonable time to be therein prescribed, to repair the same, they shall with all convenient speed cause such defect to be removed or such repairs to be made.

6. That nothing herein contained shall authorise the said Boards to do or cause to be done anything repugnant to or inconsistent with any law relating to the Customs, or any regulation of the Commissioner of Trade and Customs, or with any provisions of "The Harbours Act, 1878," or its amendments, or any regulations made thereunder, and that are now or may hereafter be in force.

7. That the ballast of all vessels loading at the said wharf shall be taken away by the said Boards and deposited above high-water mark, or at such place as may be approved of by the Minister or by any person appointed by the Minister for that purpose.

8. That the rights, powers, and privileges conferred by this Order in Council shall continue in force for fourteen years, computed from the date of this Order in Council, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority; and the said Boards shall not, nor shall either of them, assign, charge, or part with any such right, power, or privilege without the previous written consent of the Minister first obtained.

9. That the said rights, powers, and privileges may be at any time resumed by the Governor, without payment of any compensation whatever, on giving to the said Boards six calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister, and delivered at or posted to the last known address of the said Boards.

10. The said Boards shall be liable for any injury which the erection or maintenance of said wharf may cause any vessel or boat to sustain.

11. In case the said Boards shall—

(1.) Commit or suffer a breach of the conditions hereinbefore set forth, or any of them; or  
(2.) Cease to use or occupy the said wharf;  
then and in either of the said cases this Order in Council and every right, power, or privilege may be revoked and determined by the Governor in Council without any notice to the

Boards or other proceeding whatsoever, and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the said Boards, and to all persons concerned or interested of the fact of such revocation.

12. In these conditions the term "Minister" means the Minister having charge of the Marine Department, as defined by "The Shipping and Seamen's Act, 1877," and includes any officer, person, or authority acting by or under the direction of such Minister.

*Despatch.—Regulations respecting Naval Cadets.*

Colonial Secretary's Office,  
Wellington, 25th September, 1888.

THE following regulations, received from Her Majesty's Principal Secretary of State for the Colonies, are published for general information.

GEO. FISHER,  
(In the absence of the Colonial Secretary.)

REGULATIONS RESPECTING NAVAL CADETS.—FOR THE INFORMATION OF CANDIDATES.

1. APPOINTMENTS to naval cadetships will be made by limited competition, with the under-mentioned exceptions:—

Four cadetships given annually to sons of gentlemen in the colonies, on the recommendation of the Secretary of State for the Colonies.

Service cadetships, the total number of which is not to exceed five in any one year. Service cadets will be selected by the Board of Admiralty from—(a) sons of officers of the army, navy, or marines who have been killed in action, or who have been lost at sea on active service, or killed on duty, or who have died of wounds received in action or injuries received on duty within six months from the date of such action or injury; (b) sons of officers of the navy who have performed long or distinguished service, and who hold or have held rank or relative rank on the active list not lower than that of commander. Not more than two such latter service cadets will be nominated annually.

Applications for service cadetships should be addressed to the Military Secretary, Horse Guards, if the candidate is the son of an officer of the army; to the Secretary of the Admiralty, if the candidate is the son of an officer of the navy or marines; and to the Military Secretary, India Office, if the candidate is the son of an officer in the Indian army.

Colonial and service cadets will be entered on passing the test examination as specified in paragraphs 9 and 10, and will in all other respects be subject to these regulations.

The educational examination of all candidates will be conducted by the Civil Service Commissioners (address, Cannon Row, Westminster), who will deal with all questions connected with such examination, and will announce the results. A fee of 10s. will be required from each candidate.

2. Except in special circumstances, not more than one-third of the number of candidates actually presenting themselves before the Civil Service Commissioners will be entered.

3. The nomination of candidates for naval cadetships will be made by the First Lord, by individual members of the Board, and by the Secretaries to the Board of Admiralty.

A flag officer or a commodore first class appointed to the chief command of a station, or to a separate command, and a captain, on first appointment as such to the command of a ship, will be allowed to nominate one candidate, provided the privilege is exercised within six months of appointment.

No captain will be entitled to nominate more than one candidate during the time he holds the rank of captain, but a flag officer or a commodore first class may claim the privilege each time he is appointed to a command as above.

In the event of a candidate's nomination being cancelled before he has commenced the examination, the officer who nominated him will be allowed to select another candidate for the same or following examination.

4. The nominations will be made half-yearly, as soon as convenient after the report of the last examination has been received from the Civil Service Commissioners.

5. The examinations will be held in London and at Portsmouth, and will commence on the second Wednesday in June and the last Wednesday in November in each year, and the appointments will date from the 15th July and 15th January following respectively.

6. No candidate will be eligible for the June examinations whose age will not be within the following limits on the 15th July following, viz., not less than thirteen nor more than fourteen and a half years of age; nor for the November examinations whose age will not be within those limits on the 15th January following.

7. Every candidate must be in good health and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and in all respects well developed and active in proportion to his age. Before being examined by the Civil Service Commissioners he will be required to pass the medical examination according to the prescribed regulations, and must have been found physically fit for the navy. Rejection at such examination will finally exclude him from the navy.

8. The candidate will be required to produce (1) a Registrar's certificate of the date of his birth, or a declaration thereof made before a Magistrate (a certificate of baptism will not be accepted); (2) a certificate of good conduct from the masters of the school or schools at which he may have been educated during the two previous years, or, if educated at home, from his tutor or the clergyman of the parish in which he resides; and (3) proofs of good health.

9. Candidates will be tested by examination in the following subjects:—

	Marks.
i. Arithmetic: Including proportion, vulgar and decimal fractions .. .. .	250
ii. Algebra: Including fractions, simple equations and problems, and quadratic equations of one unknown quantity .. .. .	200
iii. Geometry: Euclid, Book I., with exercises and questions .. .. .	200
iv. English: Handwriting, dictation, reading with intelligence, and composition .. .. .	150
v. French: Translating French into English, and English into French; grammatical questions, speaking, and dictation .. .. .	250
<small>(No dictionary will be allowed, but the equivalents of the less usual words in either language will be given.)</small>	
vi. Scripture .. .. .	100
Candidates will be required to obtain half marks in arithmetic, and 40 per cent. in each of the other subjects.	
Candidates will be further examined in—	
vii. Mathematics: Harder questions in arithmetic, algebra, and geometry, as above defined .. .. .	300
viii. Latin: Translation, grammar, and prose composition .. .. .	300
<small>(No dictionary will be allowed, but the equivalents for the less usual words will be given.)</small>	
ix. Geography: Including the subjects treated of in Grove's Primer, and an elementary knowledge of the principal places in the British Isles and dependencies .. .. .	150
x. English history: A short selected period .. .. .	150
xi. Drawing, freehand and simple rectangular model .. .. .	100

The final order of merit will be determined by the sum of the marks obtained in the test and in the further examination.

10. Colonial and service cadets will be appointed on passing the test examination; they must, however, obtain 660 marks in the aggregate, as well as the proportion of marks in arithmetic and other subjects required from the candidates who compete.

11. A candidate who passed the test examination, but does not succeed in the competition, will be entitled to compete at the next examination, provided he is within the limits of age at that time. No candidate will be allowed to compete more than twice. A candidate who fails to pass the test will not be entitled to another trial, but he will be allowed to compete at the next examination if he receives a fresh nomination and is still within the limits of age.

12. A candidate who, owing to illness, fails to appear at the examination for which he has obtained his nomination may receive a second nomination, provided he is still within the limits of age.

13. For all cadets entered under these regulations the payment will be at the rate of £75 per annum for the period in the "Britannia," to be paid half-yearly in advance to the Accountant-General of the Navy. But the Lords Commissioners of the Admiralty reserve the power of selecting, from among the cadets entered at each half-yearly examination, a number, not to exceed eight, being sons of officers of the navy, army, or marines, or of Civil officers under the Board of Admiralty, with respect to whom the annual payment will be £40 only. In this selection their Lordships will have regard solely to the pecuniary circumstances of the cadet.

\* "Gardiner's Outlines of English History" (Longmans) has been selected as the present text-book for examination in English history. The subject will be divided into three periods, as follows: Examinations to be held in November, 1888, A.D. 1066-1485; June, 1689, A.D. 1485-1688; November, 1889, A.D. 1688-1820.

14. In addition to the annual payments mentioned in the foregoing paragraph, the parent or guardian will be charged with the personal expenses incurred by the cadet for washing, repairing boots and clothes, hair-cutting, pocket-money, &c.

15. The period of training on board the "Britannia" will be four terms; there will be two terms in each year. The first term of each year will be from February to July, the second from September to December.

The vacations will be five weeks at Christmas, two weeks at Easter, and six weeks at Midsummer.

16. (a.) Examinations in seamanship and study will be held at the end of each term.

(b.) Cadets who fail at the end of their second term to obtain 40 per cent. of marks in mathematical subjects will be ordered to be withdrawn.

(c.) Cadets who fail at the final examination to obtain 40 per cent. in the mathematical subjects, including the theory of navigation and nautical astronomy, and 50 per cent. in the technical subjects, combined with physics and French, will be ordered to be withdrawn.

(d.) Cadets reported to the Admiralty for unsatisfactory conduct will be "warned," and should they be again reported they will be discharged. Any cadet, however, who is reported for unsatisfactory conduct during his final term will be discharged without being allowed to present himself at the examination for passing out of the "Britannia."

(e.) Any cadet who shall at any time appear to their Lordships to be unfit for the naval service, for any reason whatever, will be removed from the "Britannia;" and it must be understood that this rule will apply to those who are considered unfit from from insufficient physical development or weakness of constitution, although no actual organic disease may have been developed.

17. It is to be distinctly understood that the period of training on board the "Britannia" is a time of probation, and the parent or guardian of every cadet will be required to sign a declaration, on the admission of the cadet to the "Britannia," to the effect that he shall be immediately withdrawn on the receipt of an official intimation of his being considered unfit for the navy.

18. Cadets will, on passing out of the "Britannia," rank according to the amount of sea-time they obtain at their final examination, and those who obtain equal amounts of sea-time will rank in the order of merit in which they pass out of the "Britannia."

19. The parent or guardian of every cadet will be required to provide outfit under the regulations in force.

20. No pay will be allowed by Government to cadets in the "Britannia." The pocket-money allowed to cadets will be charged to the parents.

21. As only cadets who are able to swim are permitted to use the boats belonging to H.M.S. "Britannia," the Lords Commissioners of the Admiralty desire to impress upon parents and guardians the importance of cadets being taught to swim before they join the training-ship, so as to enable them to obtain the full benefits of use of the boats.

By command of their Lordships.
